FY 2020 Pass Through of Title II B Formula Grant Funds to Tribes with Law Enforcement Functions

Under Section 223 (a) of the JJDP, applicant states and territories must plan for the following, as relevant:

to provide funds for programs of Indian Tribes¹ that agree to attempt to comply with the core requirements applicable to the detention and confinement of juveniles, an amount that bears the same ratio to the aggregate amount to be expended through programs referred to in subparagraphs (A) and (B) as the population under 18 years of age in the geographical areas in which such tribes perform such functions bears to the State population under 18 years of age.²

The following FY 2020 estimates are provided to assist Title II Part B Formula Grant states and territories:

*2017 Total Juvenile population was accessed from Office of Juvenile Justice and Delinquency Prevention's Easy Access to Juvenile Populations: 1990-2018 at https://www.ojjdp.gov/ojstatbb/ezapop/asp/profile_selection.asp by selecting specific state, year as 2017, and age range 0 to 17 years old.

**2017 Juvenile Tribal Population was calculated from two U.S. Census Bureau datasets: Sex and Age 2013–2017 (5-year population estimate) and Sex and Age table 2011–2015 (5-year population estimates). The Sex and Age 2013–2017, 5-year population estimate dataset was accessed by searching the U.S. Census Bureau American FactFinder by geographic type: choosing all American Indian Areas/Alaskan Native Areas/Hawaiian Homelands within United States and selecting the “Sex and Age 2013–2017, 5-year population estimate” table. The Sex and Age table 2011–2015, 5-year population estimates dataset was retrieved by searching the U.S. Census Bureau American FactFinder and selecting race and ethnic groups: all available tribal groupings, and all available tribes; geographic type: all states within the United States and Puerto Rico; and selecting the “Sex and Age table 2011–2015, 5-year population estimates” dataset. For understanding historical references, tribal websites were accessed through the Bureau of Indian Affairs Tribal Leaders Directory at <http://www.bia.gov/bia/ois/tribal-leaders-directory>. Tribal law enforcement function was accessed from the U.S. Department of Justice, Bureau of Justice Statistics, Census of Tribal Justice Agencies in Indian Country (2002) and Census of State and Local Law Enforcement Agencies (2008); U.S. Department of Interior, Bureau of Indian Affairs, Office of Justice Services Directory (2010); Alaska Department of Public Safety, List of Village Public Safety Officers (2013); and federally recognized tribes awarded funds from the U.S. Department of Justice, Office of Justice Programs, Office for Victims of Crime, COPS, Bureau of Justice Assistance, and Office of Juvenile Justice and Delinquency Prevention (2008-2012).
