## Program Description

### Overview

OJP is committed to advancing work that promotes civil rights and racial equity, increases access to justice, supports crime victims and individuals impacted by the justice system, strengthens community safety, and protects the public from crime and evolving threats, and builds trust between law enforcement and the community.

[OJJDP's](#) guiding philosophy is to enhance the welfare of America's youth and broaden their opportunities for a better future. To bring these goals to fruition, OJJDP is leading efforts to transform the juvenile justice system into one that will [Treat Children as Children](#); [Serve Children at Home, With Their Families, in their Communities](#); and [Open Up Opportunities for System-Involved Youth](#). OJJDP encourages all proposed applications that work with youth to highlight how the proposed program aligns with these priorities.

OJJDP envisions a juvenile justice system centered on the strengths, needs, and voices of youth and families. Young people and family members with lived experience are vital resources for understanding and reaching persons involved or at risk of involvement with youth-serving systems. OJJDP asks stakeholders to join us in sustainably integrating bold, transformative youth and family partnership strategies into our daily work. OJJDP believes in achieving positive outcomes for youth, families, and communities through meaningful engagement and active partnerships, ensuring they play a central role in collaboratively developing solutions.

Applicants must describe how their proposed project/program will integrate and sustain meaningful youth and family partnerships into their project plan and budget. Depending on the nature of an applicant's proposed project, youth and family partnership could consist of one or more of the following:

- Individual-level partnership in case planning and direct service delivery (before, during, and after contact with youth-serving systems).
- Agency-level partnership (e.g., in policy, practice, and program development, implementation, and evaluation; staffing; advisory bodies; budget development).
- System-level partnership (e.g., in strategic planning activities, system improvement initiatives, advocacy strategies, reform efforts).

One in ten of the nation's children have a parent under criminal justice control—in jail or prison, or on probation or parole.<sup>[1]</sup> Separation due to incarceration can cause trauma and long-lasting harm to children, their parents and caregivers, families, and communities. With this solicitation, OJJDP seeks to keep families together by helping states and communities implement new, or enhance existing, community-based

alternative justice programs that divert justice-involved parents/primary caregivers from incarceration, promote the unification of families, prevent children from entering the foster care and/or juvenile justice systems, and allow parents or primary caregivers involved with the justice system to remain united with their children to improve family outcomes.

### **Statutory Authority**

Public Law 117-328, 136 Stat. 4459, 4534.

### **Specific Information**

The OJJDP Family-Based Alternative Justice Program seeks to build the capacity of states, communities, state and local courts, units of local government, and federally recognized Tribal governments to implement new, or enhance existing, diversion and alternative justice programs for parents in the criminal justice system to mitigate the harmful impacts of incarceration on children and their families to improve child, parent, and family outcomes.

### **Goals, Objectives, and Deliverables**

#### **Goals**

The goal of the Family-Based Alternative Justice Program is to establish new and enhance existing family-based alternative justice programs for parents/primary caregivers in the criminal justice system to improve child, parent, and family outcomes. The anticipated outcomes of these programs include increasing family preservation, improving parental attachment, increasing healthy child development, preventing children from entering the foster care system, improving parenting skills, reducing the likelihood of future involvement in the criminal justice system, and reducing the financial impact on the criminal justice and/or child welfare systems.

#### **Objectives**

The objectives are to develop and implement, family-based interventions that support and serve justice-involved parents/caregivers and their children, expand understanding of the scope and impact of parental/caregiver incarceration, and test the efficacy of these interventions and models in mitigating the harmful impacts of incarceration on children and their families.

OJJDP expects family-supportive cross-system coordination and community collaborations that include justice-involved parents/caregivers, attorneys representing

justice-involved parents/caregivers, prosecuting attorneys, treatment providers, probation and community supervision agencies, child protective services, community health agencies, community-based organizations, schools, state and local corrections departments, and law enforcement.

Programs must work in partnership with a researcher or consultant to demonstrate whether and the extent to which these programs result in cost savings for the criminal justice and/or child welfare systems in the long term.

### **Deliverables**

Applicants are expected to provide a coordinated, multisystem approach that combines evidence-based interventions with a broad range of reentry support services such as case management and comprehensive support services that enhance life skills and address housing, education, employment, family wellness, individual well-being, substance misuse, and mental health issues. OJJDP is working with states and communities to identify the components of a successful community-based diversion and alternatives to sentencing program. This may include early release from a term of incarceration for family reunification.

Deliverables that may be supported under this solicitation include, but are not limited to:

- Provide trauma-informed therapy and supportive services for children who have experienced parental arrest and/or incarceration that focus on improving responses to, or eliminating, the social and emotional burdens that children carry when a parent or caregiver is in the criminal justice system.
- Develop or enhance early release for parents/caregivers serving a term of incarceration to promote family reunification.
- Enhance and expand services to children by facilitating access to effective services that strengthen the relationship between families and address issues affecting justice-involved parents and their children, such as suicide, alcohol and substance misuse, mental health issues, domestic and sexual abuse, financial instability, housing insecurity, and the impact on the child and the community.
- Provide trauma-informed therapy and supportive services to parents that may include counseling services and educational support to build resiliency, mental and behavioral health treatment, domestic violence, and healthy relationship counseling.
- Engage in community awareness activities that would remove the stigma associated with having a parent who is in the criminal justice system, including developing best practices and destigmatizing language.
- Provide restoration and rehabilitative coping skills and crisis management to youth and parents.

Programs must work in partnership with a researcher or consultant to demonstrate whether and the extent to which these programs result in cost savings for the criminal

justice and/or child welfare systems in the long term. Applicants may allocate up to 35 percent of award funds for evaluation purposes.

The training and technical assistance provider under this program, [The Family-Based Justice Center](#), will work in partnership with the Second Chance Act Addressing the Needs of Incarcerated Parents and Their Minor Children training and technical assistance provider to pilot test community-based approaches for supporting formerly justice involved parents in their communities.

The Goals, Objectives, and Deliverables are directly related to the performance measures that show the completed work's results, as discussed in the "Application and Submission Information" section.

### **Evidence-Based Programs or Practices**

OJP strongly encourages the use of data and evidence in policymaking and program development for criminal justice, juvenile justice, and crime victim services. For additional information and resources on evidence-based programs or practices, see the [OJP Grant Application Resource Guide](#).

### **Information Regarding Potential Evaluation of Programs and Activities**

OJP may conduct or support an evaluation of the projects and activities funded under this solicitation. For additional information and applicable documentation to be included in the application, see the [OJP Grant Application Resource Guide](#) section entitled "Information Regarding Potential Evaluation of Programs and Activities."

### **Priority Areas**

The Department of Justice is committed to advancing work that promotes civil rights and racial equity, increases access to justice, supports crime victims and individuals impacted by the justice system, strengthens community safety and protects the public from crime and evolving threats, and builds trust between law enforcement and the community.

#### **1. Priority Considerations Supporting Executive Order 13985, *Advancing Racial Equity and Support for Underserved Communities Through the Federal Government***

In support of this [Executive Order](#), OJP will provide priority consideration when making award decisions to the following:

A. Applications that propose project(s) that are designed to promote racial equity and the removal of barriers to access and opportunity for communities that have been historically underserved, marginalized, and adversely affected by inequality.

To receive this consideration, the applicant must describe how the proposed project(s) will address potential racial inequities and contribute to greater access to services and

opportunities for communities that have been historically underserved, marginalized, and adversely affected by inequality, and identify how the project design and implementation will specifically incorporate the input or participation of those communities and populations disproportionately impacted by crime, violence, and the criminal justice system overall. Examples addressing this requirement include, but are not limited to, the following: budgeted project planning and/or implementation meetings with community stakeholders representing historically underserved and marginalized communities; outreach and/or public awareness campaigns specifically tailored to historically underserved and marginalized communities to encourage participation in the proposed project(s); budgeted incorporation of members representing historically underserved and marginalized communities in program evaluation, surveys, or other means of project feedback; and partnership with organizations that primarily serve communities that have been historically underserved, marginalized, and adversely affected by inequality.

B. Applicants that demonstrate that their capabilities and competencies for implementing their proposed project(s) are enhanced because they (or at least one proposed subrecipient that will receive **at least 40%** of the requested award funding, as demonstrated in the Budget Web-Based Form) identify as a *culturally specific organization*.

To receive this additional priority consideration, applicants must describe how being a culturally specific organization (or funding the culturally specific subrecipient organization (s)) will enhance their ability to implement the proposed project(s) and should also specify which populations are intended or expected to be served or to have their needs addressed under the proposed project(s).

Culturally specific organizations are defined for the purposes of this solicitation as private nonprofit or Tribal organizations whose primary purpose as a whole is to provide culturally specific services to racial and ethnic groups, including, among others, Black people, Hispanic and Latino people, Native American and other Indigenous peoples of North America (including Alaska Native, Eskimo, and Aleut), Asian Americans, Native Hawaiians, and/or Pacific Islanders.

C. OJJDP will give priority consideration to applicants that demonstrate a commitment to ensuring fairness, equity, and access to justice for all children and families regardless of their race or ethnicity; religion; socioeconomic status; gender; age; mental health; cognitive, sensory, or physical disability; sexual orientation or gender identity or expression; geographic location; or other characteristics historically linked to discrimination or exclusion.

To receive this priority consideration, applicants must include in their application a plan that describes how the applicant will incorporate these values and priorities into their program design.

Note: Addressing these priority areas is one of many factors that OJP considers in

making funding decisions. Receiving priority consideration for one or more priority areas does not guarantee an award.

## **Proposal Abstract**

A Proposal Abstract (no more than 400 words) summarizing the proposed project — including its purpose, primary activities, expected outcomes, the service area, intended beneficiaries, and subrecipients (if known) — must be completed in the JustGrants web-based form. This abstract should be in paragraph form without bullets or tables, written in the third person, and exclude personally identifiable information. Abstracts will be made publicly available on the OJP and USASpending.gov websites if the project is awarded. See the [OJP Grant Application Resource Guide](#) for an example of a proposal abstract.

## **Proposal Narrative**

The proposal narrative should be submitted as an attachment in JustGrants. The attached document should be double-spaced, using a standard 12-point font; have no less than 1-inch margins; and should not exceed 30 numbered pages. If the proposal narrative fails to comply with these length restrictions, OJJDP may consider such noncompliance in peer review and in final award decision.

The Proposal Narrative must include the following sections:

### **a. Description of the Issue**

Applicants should briefly describe the nature and scope of the problem that the program will address. The applicant should use data to provide evidence that the problem exists, demonstrate the size and scope of the problem, and document the effects of the problem on the target population and the larger community. Any data or research referenced in the narrative should include information about the source of the data and/or a citation. Applicants should describe the target population and any previous or current attempts to address the problem. Applicants should describe any research or evaluation studies that relate to the problem and contribute to their understanding of its causes and potential solutions. While OJJDP expects applicants to review the research literature for relevant studies, they should also explore whether unpublished local sources of research or evaluation data are available.

### **b. Project Design and Implementation**

Applicants should detail how the project will operate throughout the funding period

and describe the strategies that they will use to achieve the goals and objectives identified in the previous section. Applicants should describe how they will complete the deliverables stated in the Goals, Objectives, and Deliverables section. OJJDP encourages applicants to select evidence-based practices for their programs. This section should also include details regarding any leveraged resources (cash or in-kind) from local sources to support the project and discuss plans for sustainability beyond the grant period.

If the applicant is seeking priority consideration for Priority 1(A), it should address in this section how the proposed project(s) will promote racial equity and the removal of barriers to access and opportunity for communities that have been historically underserved, marginalized, and adversely affected by inequality, and identify how the project design and implementation will specifically incorporate the input or participation of these communities.

If the applicant is seeking priority consideration for Priority 1(C), it should address in this section how the proposed project(s) will ensure fairness, equity, and access to justice for all children and families regardless of their religion; gender; age; mental health; cognitive, sensory, or physical disability; sexual orientation or gender identity; or other characteristics historically linked to discrimination or exclusion not already identified under Priority 1(A).

Applicants should describe their vision and plan for meaningfully and sustainably integrating youth and family partnership into their proposed project. Applicants should address any corresponding budget implications in their application's budget detail and budget narrative. For resources/guidance on effective youth and family partnership strategies and practices, click [here](#).

If an applicant believes that their project design is in no way amenable to incorporating youth and family partnership, the applicant should instead provide a detailed explanation and justification for excluding this element.

#### c. Capabilities and Competencies

This section should describe the experience and capability of the applicant organization and any contractors or subgrantees that the applicant will use to implement and manage this effort and its associated federal funding, highlighting any previous experience implementing projects of similar design or magnitude. Applicants should highlight their experience/capability/capacity to manage subawards, including details on their system for fiscal accountability.

Management and staffing patterns should be clearly connected to the project design described in the previous section. Applicants should describe the roles and responsibilities of project staff and explain the program's organizational structure and operations. Applicants should include a copy of an organizational

chart showing how the organization operates, including who manages the finances; how the organization manages subawards, if there are any; and the management of the project proposed for funding.

If the applicant is seeking priority consideration under Priority 1(B), it should describe within this section how being a culturally specific organization (or funding a culturally specific subrecipient organization at a minimum of 40% of the project budget) will enhance its ability to implement the proposed project(s), should also specify which populations are intended or expected to be served or have their needs addressed under the proposed project(s), and should include the website address (if applicable) and formal or informal mission statement or principles of the culturally specific organization.

d. Plan for Collecting the Data Required for this Solicitation’s Performance Measures

Describe the process for measuring project performance. Identify who will collect the data, who is responsible for performance measurements, and how the information will be used to guide and evaluate the impact of the project. Describe the process that will be used to accurately report data.

Note: An applicant is **not** required to submit performance data with the application. Rather, performance measure information is included as a notification that award recipients will be required to submit performance data as part of each award’s reporting requirements. Some measures are presented as examples, while others are the exact measures that every recipient will be expected to address.

OJP will require each award recipient to submit regular performance data that show the completed work’s results. The performance data directly relate to the goals, objectives, and deliverables identified in the “Goals, Objectives, and Deliverables” discussion. Applicants can visit OJP’s performance measurement page at [www.ojp.gov/performance](http://www.ojp.gov/performance) for an overview of performance measurement activities at OJP.

A list of performance measure questions for this program can be found at <https://ojjdp.ojp.gov/funding/performance-measures/performance-measures-family-based-alternative-sentencing.pdf>.

OJJDP will require award recipients to submit performance measure data and performance reports in JustGrants. OJJDP will provide further guidance on the post-award submission process, if the applicant is selected for award.

**Note on Project Evaluations**

An applicant that proposes to use award funds through this solicitation to conduct project evaluations must follow the guidance in the “Note on Project Evaluations” section in the

[OJP Grant Application Resource Guide](#).

## **Goal, Objectives, Deliverables, and Timeline**

The applicant will submit the project's goals, objectives, deliverables, and timeline in the JustGrants web-based form. The applicant will also enter the projected fiscal year and quarter that each objective and deliverable will be completed. Please refer to the [Application Submission Job Aid](#) for step-by-step directions.

**Goals.** The applicant should describe the project's intent to change, reduce, or eliminate the problem noted in the previous section and outline the project's goals.

**Program Objectives.** The applicant should explain how the program will accomplish its goals. Objectives are specific, quantifiable statements of the project's desired results. They should be measurable and clearly linked to the goals.

**Deliverables.** Project deliverables refer to outputs—tangible or intangible—that are submitted within the scope of a project.

**Timeline.** Applicants should submit a realistic timeline or milestone chart that indicates major tasks associated with the goals and objectives of the project, assigns responsibility for each, and plots completion of each task by month or quarter for the duration of the award, using "Year 1," "Month 1," "Quarter 1," etc., not calendar dates (see "Sample Project Timelines" [here](#)). On receipt of an award, the recipient may revise the timeline, based on training and technical assistance that OJJDP will provide.

## **Budget and Associated Documentation**

### **Budget Worksheet and Budget Narrative (Web-based Form)**

The applicant will complete the JustGrants web-based budget form. For additional information, see the [OJP Grant Application Resource Guide](#) and the [Complete the Application in JustGrants – Budget](#) training.

If the applicant is seeking priority consideration under Priorities 1(A) and 1(C) and has proposed activities (such as community or stakeholder meetings; community outreach or public awareness campaigns; community participation in project design, implementation, or evaluation) to incorporate the input and participation of communities that have been historically underserved, marginalized, and adversely affected by inequality, financial support for the identified activities and participation must be reflected in the web-based budget form.

If the applicant is seeking priority consideration under Priority 1(B) based on the identification of at least one proposed subrecipient as a culturally specific organization, the proposed funding for the subrecipient in the web-based budget form **must reflect a minimum of 40% of award funding**. The budget narrative must also describe how the activities that will be funded with the (minimum) 40% of award funding provided to the subrecipient **specifically relate to the priority consideration requested** and described

in the Capabilities and Competencies section of the application.

### **Pre-agreement Costs (also known as Pre-award Costs)**

See the section on Costs Requiring Prior Approval in the [DOJ Grants Financial Guide Post Award Requirements](#) for more information.

### **Indirect Cost Rate Agreement (if applicable)**

If applicable, the applicant will upload their indirect cost rate agreement as an attachment in JustGrants. See the [OJP Grant Application Resource Guide](#) for more information on indirect costs.

### **Consultant Rate**

### **Additional Application Components**

The applicant will attach the additional requested documentation in JustGrants.

### **Curriculum Vitae or Resumes**

Provide resumes of key personnel.

See the [OJP Grant Application Resource Guide](#) for information on Tribal authorizing resolutions.

## **Letters of Support**

If applicable, applicants should include, for each named partner entity, a signed Letter of Support that confirms the partner's agreement to support the project through commitments of staff time, space, services, or other project needs. Applications submitted from two or more entities are encouraged to submit signed Letters of Support that provide a detailed description of how the agencies will work together to meet project requirements.

Each Letter of Support should include the following: (1) names of the organizations involved in the agreement, (2) scope of the direct service(s) and other work to be performed under the agreement, and (3) duration of the agreement. Letters of Support should be signed and then submitted as one separate attachment to the application.

## **Research and Evaluation Independence and Integrity Statement**

If an application proposes research (including research and development) and/or evaluation, the applicant must demonstrate research/evaluation independence and integrity, including appropriate safeguards, before it may receive award funds. The applicant will upload documentation of its research and evaluation independence and integrity as an attachment in JustGrants. For additional information, see the [OJP Grant Application Resource Guide](#).

## **Disclosures and Assurances**

The applicant will address the following disclosures and assurances.

See the [OJP Grant Application Resource Guide](#) for additional information.

## **How to Apply**

Registration: Before submitting an application, all applicants must register with the System for Award Management (SAM). You must renew and validate your registration every 12 months. If you do not renew your SAM registration, it will expire. An expired registration can delay or prevent application submission in Grants.gov and JustGrants. Registration and renewal can take up to 10 business days to complete.

Submission: Applications must be submitted to DOJ electronically through a two-step process via Grants.gov and JustGrants.

**Step 1**: After registering with SAM, the applicant must submit the **SF-424** and **SF-LLL** in Grants.gov at <https://www.grants.gov/web/grants/register.html> by the Grants.gov deadline. **Submit the SF-424 and SF-LLL as early as possible, but no later than 48 hours before the Grants.gov deadline.** If an applicant fails to submit in Grants.gov, they will be unable to apply in JustGrants.

**Step 2**: The applicant must then submit the **full application**, including attachments, in JustGrants at [JustGrants.usdoj.gov](https://www.justgrants.usdoj.gov) by the JustGrants deadline.

Within 24 hours after receipt of confirmation emails from Grants.gov, the individual in Section 8F of the SF-424 will receive an email from [DIAMD-NoReply@usdoj.gov](mailto:DIAMD-NoReply@usdoj.gov) with instructions on how to create a JustGrants account. Register the Entity Administrator and the Application Submitter with JustGrants as early as possible but no later than 48-72 hours before the JustGrants deadline. Once registered in JustGrants, the Application Submitter will receive an emailed link to complete the rest of the application in JustGrants. The Entity Administrator also will need to log into JustGrants to review and

invite the applicant's Authorized Representative(s) before an application can be submitted.

Submit the complete application package in JustGrants at least 24 – 48 hours prior to the JustGrants deadline. Some of the application components will be entered directly into JustGrants, and others will require uploading attached documents. Therefore, applicants will need to allow ample time before the JustGrants deadline to prepare each component. Applicants may save their progress in the system and revise the application as needed prior to hitting the Submit button at the end of the application in JustGrants.

For additional information, see the “How to Apply” section in the [OJP Grant Application Resource Guide](#) and the [DOJ Application Submission Checklist](#).

### **Submission Dates and Time**

The **SF-424 and the SF-LLL** must be submitted in Grants.gov by 11:59 pm eastern time on May 1, 2023.

The **full application** must be submitted in JustGrants by 8:59 pm eastern time on May 15, 2023.

OJP urges applicants to submit their Grants.gov and JustGrants submissions prior to the due dates with sufficient time to correct any errors and resubmit by the submission deadlines if a rejection notification is received. To be considered timely, the **full application** must be submitted in JustGrants by the JustGrants application deadline. Failure to begin the SAM.gov, Grants.gov, or JustGrants registration process in sufficient time (i.e., waiting until the date identified in this solicitation) is not an acceptable reason for late submission.

### **Experiencing Unforeseen Technical Issues Preventing Submission of an Application**

OJP will only consider requests to submit an application after the deadline when the applicant can document that a technical issue with a government system prevented application submission.

If an applicant misses a deadline due to unforeseen technical issues with SAM.gov, Grants.gov, or JustGrants, the applicant may request a waiver to submit an application after the deadline. However, the waiver request will not be considered unless it includes a tracking number generated when the applicant contacts the applicable service desks to report technical difficulties. Tracking numbers are generated automatically when an applicant emails the applicable service desks; and for this reason applicants are encouraged to email the appropriate service desk, even if they also intend to call the service desk for phone support. Experiencing wait times for phone support does not relieve the applicant of the responsibility of getting a tracking number.

An applicant experiencing technical difficulties must contact the associated service desk

indicated below to report the technical issue and receive a tracking number:

- SAM.gov - contact the [SAM Help Desk \(Federal Service Desk\)](#), Monday – Friday from 8 a.m. to 8 p.m. ET at 866-606-8220.
- Grants.gov - contact the [Grants.gov Customer Support Hotline](#), 24 hours a day, 7 days a week, except on federal holidays, at 800-518-4726, 606-545-5035, or [support@grants.gov](mailto:support@grants.gov).
- JustGrants - contact the JustGrants Service Desk at [JustGrants.Support@usdoj.gov](mailto:JustGrants.Support@usdoj.gov) or 833-872-5175, Monday – Friday from 7 a.m. to 9 p.m. ET and Saturday, Sunday, and Federal holidays from 9 a.m. to 5 p.m. ET.

If an applicant has technical issues with SAM.gov or Grants.gov, the applicant must contact the OJP Response Center at [grants@ncjrs.gov](mailto:grants@ncjrs.gov) within **24 hours of the Grants.gov deadline** to request approval to submit after the deadline.

If an applicant has technical issues with JustGrants that prevent application submission by the deadline, the applicant must contact the OJP Response Center at [grants@ncjrs.gov](mailto:grants@ncjrs.gov) within 24 hours of the JustGrants deadline to request approval to submit after the deadline.

Waiver requests sent to the OJP Response Center must -

- describe the technical difficulties experienced,
- include a timeline of the applicant's submission efforts (e.g., date and time the error occurred, date and time of actions taken to resolve the issue and resubmit; and date and time support representatives responded),
- include an attachment of the complete grant application and all the required documentation and materials,
- include the applicant's Unique Entity Identifier (UEI), and
- include any SAM.gov, Grants.gov, and JustGrants Service Desk tracking numbers documenting the technical issue.

OJP will review each waiver request and the required supporting documentation and notify the applicant whether the request for late submission has been approved or denied. An applicant that does not provide documentation of a technical issue or that does not submit a waiver request within the required time period will be denied.

For more details on the waiver process, OJP encourages applicants to review the “Experiencing Unforeseen Technical Issues” section in the [OJP Grant Application Resource Guide](#).

## Application Review Information

### Review Criteria

## **Merit Review Criteria**

Applications that meet the basic minimum requirements will be evaluated by peer reviewers on how the proposed project/program addresses the following criteria:

1. Description of the Issue (10%) - evaluate the applicant's understanding of the program/issue to be addressed.
2. Project Design and Implementation (45%)- evaluate the adequacy of the proposal, including the goals, objectives, timelines, milestones, and deliverables.
3. Capabilities and Competencies (25%) - evaluate the applicant's administrative and technical capacity to successfully accomplish the goals and objectives.
4. Plan for Collecting the Data Required for this Solicitation's Performance Measures (10%) - evaluate the applicant's understanding of the performance data reporting requirements and the plan for collecting the required data.
5. Budget (10%) - evaluate for completeness, cost effectiveness, and allowability (e.g., reasonable, allocable, and necessary for project activities).

## **Other Review Criteria/Factors**

Other important considerations for OJJDP include geographic diversity, strategic priorities (specifically including, but not limited to, those priority areas already mentioned, if applicable), available funding, past performance, and the extent to which the Budget Web-Based Form accurately explains project costs that are reasonable, necessary, and otherwise allowable under federal law and applicable federal cost principles.

## **Review Process**

Applications submitted under this solicitation that meet the basic minimum requirements will be evaluated for technical merit by a peer review panel(s) in accordance with OJP peer review policy and procedures using the review criteria listed above.

OJP screens applications to ensure they meet the basic minimum requirements prior to conducting the peer review. Although specific requirements may vary, the following are common requirements applicable to all OJP solicitations:

- The application must be submitted by an eligible type of applicant.
- The application must request funding within programmatic funding constraints (if applicable).
- The application must be responsive to the scope of the solicitation.
- The application must include all items necessary to meet the basic minimum requirements.

Pursuant to the Part 200 Uniform Requirements, before award decisions are made, OJP also reviews information related to the degree of risk posed by the applicant entity.

Among other things to help assess whether an applicant with one or more prior federal awards has a satisfactory record of performance, integrity, and business ethics, OJP checks whether the applicant entity is listed in SAM as excluded from receiving a federal award.

In addition, if OJP anticipates that an award will exceed \$250,000 in federal funds, OJP also must review and consider any information about the applicant entity that appears in the non-public segment of the integrity and performance system accessible through SAM (currently, the Federal Awardee Performance and Integrity Information System, FAPIIS).

**Important Note on FAPIIS:** An applicant may review and comment on any information about its organization that currently appears in FAPIIS and was entered by a federal awarding agency. OJP will consider such comments by the applicant, in addition to the other information in FAPIIS, in its assessment of the risk posed by the applicant entity.

Absent explicit statutory authorization or written delegation of authority to the contrary, all final award decisions will be made by the Assistant Attorney General, who may consider not only peer review ratings and OJJDP recommendations, but also other factors as indicated in this section.
