Program Description

Overview

OJP is committed to advancing work that promotes civil rights and racial equity, increases access to justice, supports crime victims and individuals impacted by the justice system, strengthens community safety and protects the public from crime and evolving threats, and builds trust between law enforcement and the community.

[OJJDP's](#) guiding philosophy is to enhance the welfare of America's youth and broaden their opportunities for a better future. To bring these goals to fruition, OJJDP is leading efforts to transform the juvenile justice system into one that will [Treat Children as Children](#); [Serve Children at Home, With Their Families, in their Communities](#); and [Open Up Opportunities for System-Involved Youth](#). OJJDP encourages all proposed applications that work with youth to highlight how the proposed program aligns with these priorities.

OJJDP envisions a juvenile justice system centered on the strengths, needs, and voices of youth and families. Young people and family members with lived experience are vital resources for understanding and reaching persons involved or at risk of involvement with youth-serving systems. OJJDP asks stakeholders to join us in sustainably integrating bold, transformative youth and family partnership strategies into our daily work. OJJDP believes in achieving positive outcomes for youth, families, and communities through meaningful engagement and active partnerships, ensuring they play a central role in collaboratively developing solutions.

Applicants must describe how their proposed project/program will integrate and sustain meaningful youth and family partnerships into their project plan and budget. Depending on the nature of an applicant's proposed project, youth and family partnership could consist of one or more of the following:

- Individual-level partnership in case planning and direct service delivery (before, during, and after contact with youth-serving systems).
- Agency-level partnership (e.g., in policy, practice, and program development, implementation, and evaluation; staffing; advisory bodies; budget development).
- System-level partnership (e.g., in strategic planning activities, system improvement initiatives, advocacy strategies, reform efforts).

With this solicitation, OJJDP seeks to build the capacity of states, state and local courts, units of local government, and federally recognized Tribal governments to implement new and innovative approaches to enhance existing juvenile drug treatment courts and improve outcomes for youth with substance use or co-occurring mental health disorders, including histories of trauma.

When describing substance use, the [Diagnostic and Statistical Manual of Mental Disorders, Fifth Edition](#), uses the term “substance use disorder” for the clinical and functional assessment of an individual’s recurrent use of alcohol and/or drugs that causes significant impairment, such as health problems; disabilities; or failure to meet work, school, or home responsibilities. For more information, see <https://www.samhsa.gov/disorders/substanceuse>.

Statutory Authority

Pub. L. No. 90–351, Title I, Part EE (codified at 34 U.S.C. 10611–10619); Pub. L. No. 117–328, 136 Stat 4459, 4537.

Specific Information

Any court that receives funds under this program may not permit participation by any individual who is charged with or has committed a violent offense^[1]. For the purposes of this solicitation, an individual who is charged with or has committed a violent offense means a person who (1) is charged with or convicted of an offense that is punishable by a term of imprisonment exceeding 1 year, during the course of which offense or conduct (a) the person carried, possessed, or used a firearm or dangerous weapon, (b) there occurred the death of or serious bodily injury to any person, or (c) there occurred the use of force against another person, without regard to whether any of the circumstances described above (at (a) or (b)) is an element of the offense or conduct of which or for which the person is charged or convicted; or a person who (2) has one or more prior convictions for a felony crime of violence involving the use or attempted use of force against a person with the intent to cause death or serious bodily harm. (See 34 U.S.C. 10613(a).) An individual who is charged with or has committed a violent offense also includes a -youth who has been convicted of or adjudicated delinquent for a felony-level offense that (1) has as an element the use, attempted use, or threatened use of physical force against the person or property of another, or the possession or use of a firearm or (2) by its nature involves a substantial risk that physical force against the person or property of another may be used in the course of committing the offense. (See 34 U.S.C. 10613(b).) Funding will be immediately suspended if DOJ determines that an individual who is charged with or has committed a violent offense is participating in any program funded under this solicitation.

The JDTC must also meet the requirements of 34 U.S.C. 10611(a), including:

- Continuing judicial supervision over youth, and other individuals under the jurisdiction of the court, with substance abuse problems, who are not individuals who are charged with or have committed a violent offense.
- Coordination with the appropriate state or local prosecutor.
- The integrated administration of other sanctions and services, which will include:
 - Mandatory periodic testing for the use of controlled substances or other

addictive substance during any period of supervised release or probation for each participant.

- Substance use treatment for each participant.
- Diversion, probation, or other supervised release involving the possibility of prosecution, confinement, or incarceration based on noncompliance with program requirements or failure to show satisfactory progress.
- Case management and aftercare services such as relapse prevention, healthcare, education, vocational training, job placement, housing placement, and childcare or other family support services for each participant who requires such services.
- Payment, in whole or in part, by the participant for treatment costs to the extent practicable, such as costs for urinalysis or counseling.
- Payment, in whole or in part, by the participant for restitution, to the extent practicable, to either a victim of the participant's offense or to a restitution or similar victim support fund.

Note: Although the JDTC Program authorizing statute contains requirements related to participants paying for treatment and restitution. The authorizing statute, however, does not permit imposing a fee on a client that would interfere with their rehabilitation. Applicants should describe in their application how youth and parent/guardians will be notified of the program fees and include provisions and practices for determining how these costs would not interfere with the engagement, recovery, and success for the youth and family.

Furthermore, consistent with the authorizing statute at 34 U.S.C. 10611(c), JDTC Program grant recipients must require mandatory periodic drug testing that is accurate and practicable. Each participant must be tested for every controlled substance that the participant has been known to abuse and for any that the court may require. The courts must impose graduated sanctions that increase punitive measures, therapeutic measures, or both whenever a participant fails a drug test. Such sanctions and measures may include, but are not limited to one or more of the following:

- Detoxification treatment.
- Residential treatment.
- Increased time in the program.
- Termination from the program.
- Increased drug screening requirements.
- Increased court appearances.
- Increased counseling.
- Increased supervision.
- Electronic monitoring.
- In-home restriction.
- Community service.
- Family counseling.
- Anger management classes.
- Incarceration.

[1] Herein, the phrase “individual who is charged with or has committed a violent offense” is used in place of and shall be understood to mean “violent offender.” *See* 34 U.S.C. 10612 and 106103.

Goals, Objectives, and Deliverables

Category 1: Juvenile Drug Treatment Court Planning and Implementation Program

Goals

The goal of this category is to support jurisdictions that identified a need to establish a JDTC.

Objectives

The objective is to support courts in providing treatment and accountability to youth with substance use disorders by offering access to treatment and recovery services that will ultimately ensure public safety and productive adults.

Funding under this category will support a 12-month planning process that will educate the JDTC team about the basic components of a JDTC and develop a program that integrates court and treatment functions. OJJDP expects the court to be operational and providing services at the conclusion of the planning process.

Deliverables

The deliverables for this category will be a strategic plan for program implementation that includes a timeline and a JDTC Policies and Procedures Manual for the program.

Applicants must include in their application:

- Draft or fully executed letters of commitment from each of the key drug court team members: judge, prosecutor, defense attorney, treatment provider, drug court coordinator, law enforcement, and community supervision representative.
- A plan to hire a JDTC coordinator to manage the coordination of activities and the strategic plan.
- Certification that all treatment programs and providers used in the drug court program are licensed, certified, or accredited by appropriate state government or professional agencies.

Category 2: Juvenile Drug Treatment Court Enhancement Program

Goals

The goal of this category is to enhance existing JDTCs by enhancing one or more of the following areas using the evidence-based [Juvenile Drug Treatment Court Guidelines](#):

- Implement workforce development strategies to increase substance use and mental health providers, as well as peer recovery supports. This can include building the expertise of juvenile probation counselors on adolescent substance use and mental health disorders.
- Develop effective strategies to increase access to and the availability of adolescent substance use and mental health treatment.
- Enhance adolescent substance use disorder treatment services in existing JDTCs, including screening, assessment, case management, recovery support services, and program coordination to JDTC participants.
- Enhance monitoring of the court's behavioral health progression of services from referral to treatment, treatment entry, treatment retention, and treatment completion.
- Build or enhance the jurisdiction's data management system to intentionally collect and examine access and retention data to ensure that disparities do not exist for race, color, religion, national origin, sexual orientation, gender, gender identity, or disability in admission protocols or elsewhere in the JDTC program.
- Develop effective case management.
- Deliver effective incentives and sanctions.
- Address criminogenic needs.
- Implement or enhance evidence-based screening tools.
- Develop an innovative approach to serve court-involved youth who are not moderate to high risk to offend but have substance use challenges and can benefit from a brief intervention.

Successful applicants will be expected to provide a coordinated, multisystem approach designed to combine the judicial oversight authority of JDTCs with effective substance use disorder treatment services to reduce recidivism and substance use.

Objectives

The objectives of this program are to improve access and availability of adolescent (and family when appropriate) substance use disorder treatment services to a larger number of clients, increase the number of individuals served, and/or propose enhancements to improve the quality of treatment services by adding workforce development strategies, evidence-based treatment approaches, or new treatment services to address unmet or emerging trends.

Deliverables

The deliverable for this category will be a long-term strategy and detailed implementation plan to enhance the JDTC and include an overview of (1) the JDTC's current practices

and (2) proposed enhancements to change or implement during the project period.

The Goals, Objectives, and Deliverables are directly related to the performance measures that show the completed work's results, as discussed in the "Application and Submission Information" section.

Evidence-Based Programs or Practices

OJP strongly encourages the use of data and evidence in policymaking and program development for criminal justice, juvenile justice, and crime victim services. For additional information and resources on evidence-based programs or practices, see the [OJP Grant Application Resource Guide](#).

Information Regarding Potential Evaluation of Programs and Activities

OJP may conduct or support an evaluation of the projects and activities funded under this solicitation. For additional information and applicable documentation to be included in the application, see the [OJP Grant Application Resource Guide](#) section entitled "Information Regarding Potential Evaluation of Programs and Activities."

Priority Areas

The Department of Justice is committed to advancing work that promotes civil rights and racial equity, increases access to justice, supports crime victims and individuals impacted by the justice system, strengthens community safety and protects the public from crime and evolving threats, and builds trust between law enforcement and the community.

1. Priority Considerations Supporting Executive Order 13985, *Advancing Racial Equity and Support for Underserved Communities Through the Federal Government*

In support of this [Executive Order](#), OJP will provide priority consideration when making award decisions to the following:

A. Applications that propose project(s) that are designed to promote racial equity and the removal of barriers to access and opportunity for communities that have been historically underserved, marginalized, and adversely affected by inequality.

To receive this consideration, the applicant must describe how the proposed project(s) will address potential racial inequities and contribute to greater access to services and opportunities for communities that have been historically underserved, marginalized, and adversely affected by inequality, and identify how the project design and implementation will specifically incorporate the input or participation of those communities and populations disproportionately impacted by crime, violence, and the criminal justice system overall. Examples addressing this requirement include, but are not limited to, the following: budgeted project planning and/or implementation meetings with community stakeholders representing historically underserved and marginalized communities;

outreach and/or public awareness campaigns specifically tailored to historically underserved and marginalized communities to encourage participation in the proposed project(s); budgeted incorporation of members representing historically underserved and marginalized communities in program evaluation, surveys, or other means of project feedback; and partnership with organizations that primarily serve communities that have been historically underserved, marginalized, and adversely affected by inequality.

B. Applicants that demonstrate that their capabilities and competencies for implementing their proposed project(s) are enhanced because they (or at least one proposed subrecipient that will receive **at least 40%** of the requested award funding, as demonstrated in the Budget Web-Based Form) identify as a *culturally specific organization*.

To receive this additional priority consideration, applicants must describe how being a culturally specific organization (or funding the culturally specific subrecipient organization (s)) will enhance their ability to implement the proposed project(s) and should also specify which populations are intended or expected to be served or to have their needs addressed under the proposed project(s).

Culturally specific organizations are defined for the purposes of this solicitation as private nonprofit or tribal organizations whose primary purpose as a whole is to provide culturally specific services to racial and ethnic groups, including, among others, Black people, Hispanic and Latino people, Native American and other Indigenous peoples of North America (including Alaska Native, Eskimo, and Aleut), Asian Americans, Native Hawaiians, and/or Pacific Islanders.

C. OJJDP will give priority consideration to applicants that demonstrate a commitment to ensuring fairness, equity, and access to justice for all children and families regardless of their race or ethnicity; religion; socioeconomic status; gender; age; mental health; cognitive, sensory, or physical disability; sexual orientation or gender identity or expression; geographic location; or other characteristics historically linked to discrimination or exclusion.

To receive this priority consideration, applicants must include in their application a plan that describes how the applicant will incorporate these values and priorities into their program design.

Note: Addressing these priority areas is one of many factors that OJP considers in making funding decisions. Receiving priority consideration for one or more priority areas does not guarantee an award.

In addition, nothing in this solicitation is intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

Type of Award

OJJDP expects to make awards under this solicitation as grants. See the “Administrative, National Policy, and Other Legal Requirements” section of the [OJP Grant Application](#)

[Resource Guide](#) for a brief discussion of important statutes, regulations, and award conditions that apply to many (or in some cases, all) OJP grants.

Financial Management and System of Internal Controls Award recipients and subrecipients (including recipients or subrecipients that are pass-through entities) must, as described in the Part 200 Uniform Requirements as set out at 2 C.F.R. 200.303, comply with standards for financial and program management. See the [OJP Grant Application Resource Guide](#) for additional information.

Cost Sharing or Matching Requirement

This solicitation requires a 25% **cash or in-kind match**. Federal funds awarded under this solicitation may not cover more than 75% of the total costs of the project being funded. An applicant must identify the source of the 25% nonfederal portion of the total project costs and how they will use match funds. If an award recipient’s proposed match *exceeds* the required match amount, and OJP approves the budget, the total match amount in the approved budget becomes mandatory and subject to audit. (“Match” funds may be used only for purposes that would be allowable for the federal funds.) Recipients must satisfy this match requirement with cash or an in-kind match.

How To Calculate Match

Formula					
Step 1	Award Amount	÷	% of Federal Share	=	Total (Adjusted) Project Cost
Step 2	Total (Adjusted) Project Cost	x	% of Recipient’s Share	=	Required Match
Example					
Match Requirement – 80/20 (Federal share/Recipient’s share)					
Federal Award = \$100,000					
Step 1	\$100,000	÷	80% Federal Share	=	\$125,000
Step 2	\$125,000	x	20% Recipient’s Share	=	\$25,000

Match Waiver: The required match may be waived upon request by a grantee. See 34 U.S.C. 10616(a). To be considered for a waiver of match, a letter of request signed by the Authorized Representative must be submitted with the application describing the reason for such request, for example, fiscal hardship. A match waiver request must be

submitted as a separate attachment to the application and submitted through JustGrants.

See the [OJP Grant Application Resource Guide](#) for additional information on this match requirement. For step-by-step instructions for entering match amounts in the budget, see the [Budget Summary Match Guide](#).

Proposal Abstract

A Proposal Abstract (no more than 400 words) summarizing the proposed project — including its purpose, primary activities, expected outcomes, the service area, intended beneficiaries, and subrecipients (if known) — must be completed in the JustGrants web-based form. Proposal Narrative

The proposal narrative should be submitted as an attachment in JustGrants. The attached document should be double-spaced, using a standard 12-point font; have no less than 1-inch margins; and should not exceed 30 numbered pages. The Proposal Narrative must include the following sections:

a. Description of the Issue

Applicants should briefly describe the nature and scope of the problem that the

program will address (e.g., youth with substance abuse problems who come in contact with the juvenile court, prevalence of substance use by youth, and types of substances being used by youth). The applicant should use data to provide evidence that the problem exists, demonstrate the size and scope of the problem, and document the effects of the problem on the target population and the larger community. Any data or research referenced in the narrative should include information about the source of the data and/or a citation. Applicants should describe the target population and any previous or current attempts to address the problem.

Applicants should describe any research or evaluation studies that relate to the problem and contribute to their understanding of its causes and potential solutions. b. Project Design and Implementation

Applicants should detail how the project will operate throughout the funding period and describe the strategies that they will use to achieve the goals and objectives identified in the previous section. Applicants should describe how they will complete the deliverables stated in the Goals, Objectives, and Deliverables section. OJJDP encourages applicants to select evidence-based practices for their programs.

This section should also include details regarding any leveraged resources (cash or in-kind) from local sources to support the project and discuss plans for sustainability beyond the grant period.

Applicants should describe their vision and plan for meaningfully and sustainably integrating youth and family partnership into their proposed project. Applicants should address any corresponding budget implications in their application's budget detail and budget narrative. For resources/guidance on effective youth and family partnership strategies and practices, click [here](#).

If an applicant believes that their project design is in no way amenable to incorporating youth and family partnership, the applicant should instead provide a detailed explanation and justification for excluding this element.

If the applicant is seeking priority consideration for Priority 1(A), it should address in this section how the proposed project(s) will promote racial equity and the removal of barriers to access and opportunity for communities that have been historically underserved, marginalized, and adversely affected by inequality, and identify how the project design and implementation will specifically incorporate the input or participation of these communities.

If the applicant is seeking priority consideration for Priority 1(C), it should address in this section how the proposed project(s) will ensure fairness, equity, and access to justice for all children and families regardless of their religion; gender; age; mental health; cognitive, sensory, or physical disability; sexual orientation or gender identity; or other characteristics historically linked to discrimination or exclusion not already identified under Priority 1(A).

c. Capabilities and Competencies

This section should describe the experience and capability of the applicant organization and any contractors or subgrantees that the applicant will use to implement and manage this effort and its associated federal funding, highlighting any previous experience implementing projects of similar design or magnitude. Applicants should highlight their experience/capability/capacity to manage subawards, including details on their system for fiscal accountability. Management and staffing patterns should be clearly connected to the project design described in the previous section. Applicants should describe the roles and responsibilities of project staff and explain the program's organizational structure and operations. Applicants should include a copy of an organizational chart showing how the organization operates, including who manages the finances; how the organization manages subawards, if there are any; and the management of the project proposed for funding.

Note: Applicants applying under **Category 1: Juvenile Drug Treatment Court Planning and Implementation Program** must submit the required draft or fully executed letters of commitment.

If the applicant is seeking priority consideration under Priority 1(B), it should describe within this section how being a culturally specific organization (or funding a culturally specific subrecipient organization at a minimum of 40% of the project budget) will enhance its ability to implement the proposed project(s), should also specify which populations are intended or expected to be served or have their needs addressed under the proposed project(s), and should include the website address (if applicable) and formal or informal mission statement or principles of the culturally specific organization.

d. Plan for Collecting the Data Required for this Solicitation's Performance Measures

Note: An applicant is **not** required to submit performance data with the application. Rather, performance measure information is included as a notification that award recipients will be required to submit performance data as part of each award's reporting requirements. Some measures are presented as examples, while others are the exact measures that every recipient will be expected to address.

OJP will require each award recipient to submit regular performance data that show

the completed work's results. The performance data directly relate to the goals, objectives, and deliverables identified in the "Goals, Objectives, and Deliverables" discussion. Applicants can visit OJP's performance measurement page at www.ojp.gov/performance for an overview of performance measurement activities at OJP.

A list of performance measure questions for this program can be found at <https://ojjdp.ojp.gov/funding/performance-measures/performance-measures-juvenile-drug-court.pdf>.

OJJDP will require award recipients to submit performance measure data and performance reports in JustGrants. OJJDP will provide further guidance on the post-award submission process, if the applicant is selected for award.

Note on Project Evaluations

An applicant that proposes to use award funds through this solicitation to conduct project evaluations must follow the guidance in the "Note on Project Evaluations" section in the [OJP Grant Application Resource Guide](#).

Goal, Objectives, Deliverables and Timeline

The applicant will submit the project's goals, objectives, deliverables, and timeline in the JustGrants web-based form. The applicant will also enter the projected fiscal year and quarter that each objective and deliverable will be completed. Please refer to the [Application Submission Job Aid](#) for step-by-step directions.

Goals. The applicant should describe the project's intent to change, reduce, or eliminate the problem noted in the previous section and outline the project's goals.

Program Objectives. The applicant should explain how the program will accomplish its goals. Objectives are specific, quantifiable statements of the project's desired results. They should be measurable and clearly linked to the goal.

Deliverables. Project deliverables refer to outputs—tangible or intangible—that are submitted within the scope of a project.

Timeline. Applicants should submit a realistic timeline or milestone chart that indicates major tasks associated with the goals and objectives of the project, assigns responsibility for each, and plots completion of each task by month or quarter for the duration of the award, using "Year 1," "Month 1," "Quarter 1," etc., not calendar dates (see "Sample Project Timelines" [here](#)). On receipt of an award, the recipient may revise the timeline, based on training and technical assistance that OJJDP will provide.

Budget and Associated Documentation

Budget Worksheet and Budget Narrative (Web-based Form)

The applicant will complete the JustGrants web-based budget form. For additional information, see the [OJP Grant Application Resource Guide](#) and the [Complete the Application in JustGrants – Budget](#) training.

If the applicant is seeking priority consideration under Priority 1(B) based on the identification of at least one proposed subrecipient as a culturally specific organization, the proposed funding for the subrecipient in the web-based budget form **must reflect a minimum of 40% of award funding**. The budget narrative must also describe how the activities that will be funded with the (minimum) 40% of award funding provided to the subrecipient **specifically relate to the priority consideration requested** and described in the Capabilities and Competencies section of the application.

How to Apply

Registration: Before submitting an application, all applicants must register with the System for Award Management (SAM). You must renew and validate your registration every 12 months. If you do not renew your SAM registration, it will expire. An expired registration can delay or prevent application submission in Grants.gov and JustGrants. Registration and renewal can take up to 10 business days to complete.

Submission: Applications must be submitted to DOJ electronically through a two-step

process via Grants.gov and JustGrants.

Step 1: After registering with SAM, the applicant must submit the **SF-424** and **SF-LLL** in Grants.gov at <https://www.grants.gov/web/grants/register.html> by the Grants.gov deadline. **Submit the SF-424 and SF-LLL as early as possible, but no later than 48 hours before the Grants.gov deadline.** If an applicant fails to submit in Grants.gov, they will be unable to apply in JustGrants.

Step 2: The applicant must then submit the **full application**, including attachments, in JustGrants at JustGrants.usdoj.gov by the JustGrants deadline.

Within 24 hours after receipt of confirmation emails from Grants.gov, the individual in Section 8F of the SF-424 will receive an email from DIAMD-NoReply@usdoj.gov with instructions on how to create a JustGrants account. Register the Entity Administrator and the Application Submitter with JustGrants as early as possible but no later than 48-72 hours before the JustGrants deadline. Once registered in JustGrants, the Application Submitter will receive an emailed link to complete the rest of the application in JustGrants. The Entity Administrator also will need to log into JustGrants to review and invite the applicant's Authorized Representative(s) before an application can be submitted.

Submit the complete application package in JustGrants at least 24 – 48 hours prior to the JustGrants deadline. Some of the application components will be entered directly into JustGrants, and others will require uploading attached documents. Therefore, applicants will need to allow ample time before the JustGrants deadline to prepare each component. Applicants may save their progress in the system and revise the application as needed prior to hitting the Submit button at the end of the application in JustGrants.

For additional information, see the “How to Apply” section in the [OJP Grant Application Resource Guide](#) and the [DOJ Application Submission Checklist](#).

Submission Dates and Time

The **SF-424** and the **SF-LLL** must be submitted in Grants.gov by 11:59 pm eastern time on May 9, 2023.

The **full application** must be submitted in JustGrants by 8:59 pm eastern time on May 23, 2023.

OJP urges applicants to submit their Grants.gov and JustGrants submissions prior to the due dates with sufficient time to correct any errors and resubmit by the submission deadlines if a rejection notification is received. To be considered timely, the **full application** must be submitted in JustGrants by the JustGrants application deadline. Failure to begin the SAM.gov, Grants.gov, or JustGrants registration process in sufficient time (i.e., waiting until the date identified in this solicitation) is not an acceptable reason for late submission.

Experiencing Unforeseen Technical Issues Preventing Submission of an Application

OJP will only consider requests to submit an application after the deadline when the applicant can document that a technical issue with a government system prevented application submission.

If an applicant misses a deadline due to unforeseen technical issues with SAM.gov, Grants.gov, or JustGrants, the applicant may request a waiver to submit an application after the deadline. However, the waiver request will not be considered unless it includes a tracking number generated when the applicant contacts the applicable service desks to report technical difficulties. Tracking numbers are generated automatically when an applicant emails the applicable service desks; and for this reason applicants are encouraged to email the appropriate service desk, even if they also intend to call the service desk for phone support. Experiencing wait times for phone support does not relieve the applicant of the responsibility of getting a tracking number.

An applicant experiencing technical difficulties must contact the associated service desk indicated below to report the technical issue and receive a tracking number:

- SAM.gov - contact the [SAM Help Desk \(Federal Service Desk\)](#), Monday – Friday from 8 a.m. to 8 p.m. ET at 866-606-8220.
- Grants.gov - contact the [Grants.gov Customer Support Hotline](#), 24 hours a day, 7 days a week, except on federal holidays, at 800-518-4726, 606-545-5035, or support@grants.gov.
- JustGrants - contact the JustGrants Service Desk at JustGrants.Support@usdoj.gov or 833-872-5175, Monday – Friday from 7 a.m. to 9 p.m. ET and Saturday, Sunday, and Federal holidays from 9 a.m. to 5 p.m. ET.

If an applicant has technical issues with SAM.gov or Grants.gov, the applicant must contact the OJP Response Center at grants@ncjrs.gov within **24 hours of the Grants.gov deadline** to request approval to submit after the deadline.

If an applicant has technical issues with JustGrants that prevent application submission by the deadline, the applicant must contact the OJP Response Center at grants@ncjrs.gov within 24 hours of the JustGrants deadline to request approval to submit after the deadline.

Waiver requests sent to the OJP Response Center must -

- describe the technical difficulties experienced,
- include a timeline of the applicant's submission efforts (e.g., date and time the error occurred, date and time of actions taken to resolve the issue and resubmit; and date and time support representatives responded),
- include an attachment of the complete grant application and all the required documentation and materials,
- include the applicant's Unique Entity Identifier (UEI), and

- include any SAM.gov, Grants.gov, and JustGrants Service Desk tracking numbers documenting the technical issue.

OJP will review each waiver request and the required supporting documentation and notify the applicant whether the request for late submission has been approved or denied. An applicant that does not provide documentation of a technical issue or that does not submit a waiver request within the required time period will be denied.

For more details on the waiver process, OJP encourages applicants to review the “Experiencing Unforeseen Technical Issues” section in the [OJP Grant Application Resource Guide](#).

Application Review Information

Review Criteria

Merit Review Criteria

Applications that meet the basic minimum requirements will be evaluated by peer reviewers on how the proposed project/program addresses the following criteria:

1. Description of the Issue (10%) - evaluate the applicant’s understanding of the program/issue to be addressed.
2. Project Design and Implementation (45%)- evaluate the adequacy of the proposal, including the goals, objectives, timelines, milestones, and deliverables.
3. Capabilities and Competencies (25%) - evaluate the applicant's administrative and technical capacity to successfully accomplish the goals and objectives.
4. Plan for Collecting the Data Required for this Solicitation’s Performance Measures (10%) - evaluate the applicant’s understanding of the performance data reporting requirements and the plan for collecting the required data.
5. Budget (10%) - evaluate for completeness, cost effectiveness, and allowability (e.g., reasonable, allocable, and necessary for project activities).

Other Review Criteria/Factors

Other important considerations for OJJDP include geographic diversity, strategic priorities (specifically including, but not limited to, those priority areas already mentioned, if applicable), available funding, past performance, and the extent to which the Budget Web-Based Form accurately explains project costs that are reasonable, necessary, and otherwise allowable under federal law and applicable federal cost principles.

Review Process

Applications submitted under this solicitation that meet the basic minimum requirements will be evaluated for technical merit by a peer review panel(s) in accordance with OJP peer review policy and procedures using the review criteria listed above.

OJP screens applications to ensure they meet the basic minimum requirements prior to conducting the peer review. Although specific requirements may vary, the following are common requirements applicable to all OJP solicitations:

- The application must be submitted by an eligible type of applicant.
- The application must request funding within programmatic funding constraints (if applicable).
- The application must be responsive to the scope of the solicitation.
- The application must include all items necessary to meet the basic minimum requirements.

Pursuant to the Part 200 Uniform Requirements, before award decisions are made, OJP also reviews information related to the degree of risk posed by the applicant entity. Among other things to help assess whether an applicant with one or more prior federal awards has a satisfactory record of performance, integrity, and business ethics, OJP checks whether the applicant entity is listed in SAM as excluded from receiving a federal award.

In addition, if OJP anticipates that an award will exceed \$250,000 in federal funds, OJP also must review and consider any information about the applicant entity that appears in the non-public segment of the integrity and performance system accessible through SAM (currently, the Federal Awardee Performance and Integrity Information System, FAPIIS).

Important Note on FAPIIS: An applicant may review and comment on any information about its organization that currently appears in FAPIIS and was entered by a federal awarding agency. OJP will consider such comments by the applicant, in addition to the other information in FAPIIS, in its assessment of the risk posed by the applicant entity.

Absent explicit statutory authorization or written delegation of authority to the contrary, all final award decisions will be made by the Assistant Attorney General, who may consider not only peer review ratings and OJJDP recommendations, but also other factors as indicated in this section.

For additional information on these legal requirements, see the “Administrative, National Policy, and Other Legal Requirements” section in the [OJP Grant Application Resource Guide](#).
