# Program Description

## Program Description Overview

The [U.S. Department of Justice](#) (DOJ), [Office of Justice Programs](#) (OJP), [Office of Juvenile Justice and Delinquency Prevention](#) (OJJDP) is seeking applications for funding to support family-based alternative justice programs. This program seeks to build the capacity of states, communities, state and local courts, units of local government, and federally recognized Tribal governments to implement new, or enhance existing, diversion and alternative justice programs for parents in the criminal justice system to mitigate the harmful impacts of incarceration on children and their families to improve child, parent, and family outcomes.

[OJJDP's](#) guiding philosophy is to enhance the welfare of America's youth and broaden their opportunities for a better future. To bring these goals to fruition, OJJDP is leading efforts to transform the juvenile justice system into one that will [Treat Children as Children](#); [Serve Children at Home, With Their Families, in their Communities](#); and [Open Up Opportunities for System-Involved Youth](#). OJJDP encourages all proposed applications that work with youth to highlight how the proposed program aligns with these priorities.

OJJDP envisions a juvenile justice system centered on the strengths, needs, and voices of youth and families. Young people and family members with lived experience are vital resources for understanding and reaching persons involved or at risk of involvement with youth-serving systems. OJJDP asks stakeholders to join us in sustainably integrating bold, transformative youth and family partnership strategies into our daily work. OJJDP believes in achieving positive outcomes for youth, families, and communities through meaningful engagement and active partnerships, ensuring they play a central role in collaboratively developing solutions.

Applicants must describe how their proposed project/program will integrate and sustain meaningful youth and family partnerships into all sections of the proposal narrative – including the description of the issue, project design and implementation, capabilities and competencies, plan for collecting data — and the budget. Depending on the nature of an applicant's proposed project, youth and family partnership could consist of one or more of the following:

- Individual-level partnership in case planning and direct service delivery (before, during, and after contact with youth-serving systems).
- Agency-level partnership (e.g., in policy, practice, and program development, implementation, and evaluation; staffing; advisory bodies; budget development).
- System-level partnership (e.g., in strategic planning activities, system improvement initiatives, advocacy strategies, reform efforts).

## Statutory Authority

Any awards under this solicitation would be made under statutory authority provided by a full-year appropriations act for FY 2024. As of the writing of this solicitation, the Department of Justice is operating under a short-term "Continuing Resolution;" no full-year appropriation for the Department has been enacted for FY 2024.

## Specific Information

Children who experience Adverse Childhood Experiences (ACEs), such as parental incarceration, are more at risk for chronic health problems, mental illness, and substance use

problems in adolescence and adulthood, which could lead to justice involvement during the lifespan of the youth.<sup>1</sup> In a recent study, it was found that 1 in 10 children have a parent under criminal justice control – in jail or prison, or on probation and parole.<sup>2</sup> Families in historically underserved communities may be most in need of family preservation and well-being services. To effectively stabilize the family, it is important that the program addresses the needs of the parent and child(ren), as both are greatly impacted when a parent becomes justice involved.

The OJJDP Family-Based Alternative Justice program will provide funding to build the capacity of states, communities, state and local courts, units of local government, and federally recognized Tribal governments to implement new, or enhance existing, diversion and alternative justice programs for parents/primary caregivers in the criminal justice system to mitigate the harmful impacts of incarceration on children and their families to improve child, parent, and family outcomes.

Programs will focus on: serving children of incarcerated parents in their communities through support, programming, and networking; supporting communities that have limited or no access to quality services and supports that address underlying causes or needs that lead to involvement with the criminal justice system; and programs that support families with a parent/caregiver and youth component to it. Indicators of successful projects under this program include meaningful collaboration with parents/caregivers and youth with lived experience, the criminal justice system, and family-serving community-based programs that address the needs of the family and underlying reasons why families become system involved.<sup>3</sup> Other indicators of successful projects are those that stabilize families and keep them together. OJJDP strongly encourages applicants to target services to historically marginalized and unserved populations.

This solicitation provides funding for two categories—Category 1: Family-Based Alternative Justice Program and Category 2: Family-Based Alternative Justice Program Training and Technical Assistance.

## **Solicitation Goals and Objectives**

### **Goals**

#### **Category 1: Family-Based Alternative Justice Program**

The goal of programs funded under Category 1 is to establish new and enhance existing family-based alternative justice programs for parents/primary caregivers in the criminal justice system to improve child, parent, and family outcomes. The anticipated outcomes of these programs include increasing family preservation, stabilizing families, improving parental attachment, increasing healthy child development, preventing children from entering the foster care and juvenile justice systems, improving parenting skills, reducing the likelihood of future involvement in the criminal justice system, and reducing the financial impact on the criminal justice and/or child welfare systems.

## **Category 2: Family-Based Alternative Justice Training and Technical Assistance**

The goal of the training and technical assistance provider funded under Category 2 is to assist new and enhance existing family-based alternative justice programs in the development and implementation of improved program practices for increased program effectiveness and long-term participant success. OJJDP envisions that the training and technical assistance (TTA) provider will assist OJJDP-funded new and existing family-based alternative justice programs that propose enhancements with individualized goals of building and maximizing local capacity around effectively identifying and assessing eligible participants; ensuring participants receive targeted research-based services; implementing consistent, efficient, and effective case planning, monitoring, and supervision procedures; enhancing the provision of treatment and support services; and assisting in collecting and reporting on performance measures to identify and assess success, gaps, and trends in case processing and service delivery.

The successful applicant should have substantial experience in assessing training needs, effectively collaborating with practitioners in the field, peer-to-peer training, and conducting post-training follow-up and evaluations. It is expected that the successful applicant will develop a TTA strategy and prioritization approach that identifies and addresses the needs of OJJDP-funded, family-based alternative justice programs as well as the field at large.

## **Objectives**

### **Category 1: Family-Based Alternative Justice**

The objectives are to develop and implement family-based interventions with a parent and youth component that support and serve justice-involved parents/caregivers and their children, expand the understanding of the scope and impact of parental/caregiver incarceration, and test the efficacy of these interventions and models in mitigating the harmful impacts of incarceration on children and their families to begin to develop promising practices.

OJJDP expects all programs to support the entire family and use cross-system coordination and community collaborations that include justice-involved parents/caregivers, as well as children of formerly incarcerated parents as experts, public defense attorneys, prosecutors, treatment providers, probation and community supervision agencies, child protective agencies, community health agencies, community-based organizations, schools, state and local corrections departments, and law enforcement.

### **Category 2: Family-Based Alternative Justice Training and Technical Assistance**

The overall objective of Category 2 is to provide family-based alternative sentencing program practitioners with TTA that will develop, maintain, and enhance their program. The TTA provider will be expected to work closely with OJJDP-funded programs and the field to help them achieve project goals and deliverables. OJJDP expects the successful applicant to coordinate and collaborate with OJJDP TTA providers from other programs in efforts to develop a comprehensive approach to help states, local governments, and Tribal jurisdictions implement an effective, data-driven, coordinated response that addresses treatment and the provision of services to improve public safety and outcomes for children, youth, and their families impacted by substance use and/or co-occurring mental health disorders. These OJJDP TTA programs include the Second Chance Act Addressing the Needs of Incarcerated Parents and Their Minor Children, Family Treatment Courts, Juvenile Drug Treatment Courts, Youth Healing to Wellness Courts, Youth Justice and Mental Health Collaboration Program, and the Opioid Affected Youth Initiative.

For information about what the applicant needs to submit regarding Goals, Objectives, and Deliverables, please see the [How to Apply section on the Application Goals, Objectives, Deliverables, and Timeline Web-Based Form](#).

## Priority Areas

In order to further OJP's mission, OJP will provide priority consideration when making award decisions to the following:

**1A.** Applications that propose project(s) that are designed to meaningfully advance equity and remove barriers to accessing services and opportunities for communities that have been historically underserved, marginalized, adversely affected by inequality, and disproportionately impacted by crime, violence, and victimization.

To receive this consideration, the applicant must describe how the proposed project(s) will address identified inequities **and** contribute to greater access to services and opportunities for communities that have been historically underserved, marginalized, adversely affected by inequality, and disproportionately impacted by crime, violence, and victimization. Project activities under this consideration may include, but are not limited to, the following: improving victim services, justice responses, prevention initiatives, reentry services, and other parts of an organization's or community's efforts to advance public safety. Applicants should propose activities that address the cultural (and linguistic, if appropriate) needs of communities, outline how the proposed activities will be informed by these communities, and implement culturally responsive and inclusive outreach and engagement.

**1B.** Applicants that demonstrate that their capabilities and competencies for implementing their proposed project(s) are enhanced because they (or at least one proposed subrecipient that will receive **at least 40 percent** of the requested award funding, as demonstrated in the Budget web-based form) are a *population-specific organization* that serves communities that have been historically underserved, marginalized, adversely affected by inequality, and disproportionately impacted by crime, violence, and victimization.

For purposes of this solicitation, population-specific organizations are nonprofit, nongovernmental, or Tribal organizations that primarily serve members of a specific underserved population and have demonstrated experience and expertise providing targeted services to members of that specific underserved population.

To receive this additional priority consideration, applicants must describe how being a population-specific organization (or funding the population-specific subrecipient organization(s)) will enhance their ability to implement the proposed project(s) and should also specify which historically underserved populations are intended or expected to be served or have their needs addressed under the proposed project(s).

Note: Addressing these priority areas is one of many factors that OJP considers in making funding decisions. Receiving priority consideration for one or more priority areas does not guarantee an award.

## **How To Apply**

### **Application Resources**

When preparing and submitting an application, the following resources may aid prospective applicants:

1. Grants.gov [“How to Apply for Grants”](#)
2. OJP [“How To Apply”](#) section in the [Application Resource Guide](#)
3. JustGrants [Application Submission Training](#)

This solicitation (notice of funding opportunity) incorporates guidance provided in the [OJP Grant Application Resource Guide](#) (Application Resource Guide), which provides additional information for applicants to prepare and submit applications to OJP for funding. **If this solicitation requires something different from any guidance provided in the [Application Resource Guide](#), the difference will be noted in this solicitation and the applicant is to follow the guidelines in this solicitation, rather than the guidance in the [Application Resource Guide](#) that is in conflict.**

## How To Apply

### Registration

Before submitting an application, all applicants must register with the System for Award Management (SAM.gov). An applicant must renew their registration every 12 months. If an applicant does not renew their SAM.gov registration, it will expire. An expired registration can delay or prevent application submission in Grants.gov and JustGrants. Applicants are encouraged to start the SAM.gov registration process at least 30 days prior to the application deadlines. Applicants who fail to begin the registration or renewal process at least 10 business days prior to the Grants.gov deadline may not be able to complete the process in time and will not be considered for late submission.

A small business, in addition to obtaining the SAM.gov registration, should obtain an Employer Identification Number (EIN) from the Internal Revenue Service. The person applying for an award will submit the EIN value as the Tax Identification Number (TIN). The applicant should not submit their social security numbers. For additional information, including the steps to obtain an EIN: <https://www.irs.gov/businesses/small-businesses-self-employed/apply-for-an-employer-identification-number-ein-online>.

### Submission

Applications must be submitted to DOJ electronically through a two-step process that begins in Grants.gov and is completed in JustGrants.

**Step 1:** After registering with SAM.gov, the applicant must submit the **SF-424** and **SF-LLL** in Grants.gov at <https://grants.gov/register> by the Grants.gov deadline. **To allow time to address any technical issues that may arise, an applicant should submit the SF-424 and SF-LLL as early as possible and no later than 48 hours before the Grants.gov deadline (recommended).** If an applicant fails to submit in Grants.gov by the deadline, they will be unable to apply in JustGrants. Applicants can confirm Grants.gov submission by verifying their application status shows as “submitted” or “agency tracking number assigned.”

**Step 2:** The applicant must then submit the **full application**, including attachments, in JustGrants at [JustGrants.usdoj.gov](https://justgrants.usdoj.gov) by the JustGrants deadline.

OJP recommends that applicants submit the complete application package in JustGrants at least 48 hours prior to the JustGrants deadline. Some of the required sections of the application

will be entered directly into JustGrants, and other sections will require documents to be uploaded and attached. Therefore, applicants should allow enough time before the JustGrants deadline to prepare all the requirements of the application. Applicants may save their progress in the system and add to or change the application as needed prior to hitting the “Submit” button at the end of the application in JustGrants.

An applicant will receive email notifications when successfully submitting in Grants.gov and JustGrants, and should maintain all emails and other confirmations received from the SAM.gov, Grants.gov, and JustGrants systems.

For additional information, see the “How To Apply” section in the [Application Resource Guide](#) and the [DOJ Application Submission Checklist](#).

## Submission Dates and Time

The **SF-424 and the SF-LLL** must be submitted in Grants.gov by 11:59 pm eastern time on April 29, 2024.

The **full application** must be submitted in JustGrants by 8:59 pm eastern time on May 13, 2023.

To be considered timely, the **full application** must be submitted in JustGrants by the JustGrants application deadline. Failure to begin the SAM.gov, Grants.gov, or JustGrants registration and application process in sufficient time (i.e., waiting until the due dates identified in this solicitation for those systems to begin the application steps) is not an acceptable reason to request a technical waiver.

## Experiencing Unforeseen Technical Issues Preventing Submission of an Application (Technical Waivers)

OJP will only consider requests to submit an application after the deadline when the applicant can document that a technical issue with a government system prevented submission of the application on time.

If an applicant misses a deadline due to unforeseen technical issues with SAM.gov, Grants.gov, or JustGrants, the applicant may request a waiver to submit an application after the deadline. However, the waiver request will not be considered unless it includes documentation of attempts to receive technical assistance to resolve the issue prior to the application deadline. A tracking number is the most typical documentation and is generated when the applicant contacts the applicable service desks to report technical difficulties. Tracking numbers are generated automatically when an applicant emails the applicable service desks; for this reason, experiencing long wait times for phone support does not relieve the applicant of the responsibility for getting a tracking number.

An applicant experiencing technical difficulties must contact the associated service desk indicated below to report the technical issue and receive a tracking number:

- SAM.gov: contact the [SAM.gov Help Desk \(Federal Service Desk\)](#) Monday–Friday from 8 a.m. to 8 p.m. ET at 866–606–8220.
- Grants.gov: contact the [Grants.gov Customer Support Hotline](#) 24 hours a day, 7 days a week, except on federal holidays, at 800–518–4726, 606–545–5035, or [support@grants.gov](mailto:support@grants.gov).

- JustGrants: contact the JustGrants Service Desk at [JustGrants.Support@usdoj.gov](mailto:JustGrants.Support@usdoj.gov) or 833-872-5175, Monday-Friday from 7 a.m. to 9 p.m. ET and Saturday, Sunday, and federal holidays from 9 a.m. to 5 p.m. ET.

If an applicant has technical issues with SAM.gov or Grants.gov, the applicant must contact the OJP Response Center at [grants@ncjrs.gov](mailto:grants@ncjrs.gov) within **24 hours of the Grants.gov deadline** to request approval to submit after the deadline.

If an applicant has technical issues with JustGrants that prevent application submission by the deadline, the applicant must contact the OJP Response Center at [grants@ncjrs.gov](mailto:grants@ncjrs.gov) within **24 hours of the JustGrants deadline** to request approval to submit after the deadline.

Waiver requests sent to the OJP Response Center must:

- Describe the technical difficulties experienced (provide screenshots if applicable).
- Include a timeline of the applicant's submission efforts (e.g., date and time the error occurred, date and time of actions taken to resolve the issue and resubmit, and date and time support representatives responded).
- Include an attachment of the complete grant application and all the required documentation and materials.
- Include the applicant's Unique Entity Identifier (UEI).
- Include any SAM.gov, Grants.gov, and JustGrants Service Desk tracking numbers documenting the technical issue.

OJP will review each waiver request and the required supporting documentation and notify the applicant whether the request for late submission has been approved or denied. An applicant that does not provide documentation of a technical issue (including all information listed above), or that does not submit a waiver request within the required time period, will be denied.

For more details on the waiver process, OJP encourages applicants to review the "Experiencing Unforeseen Technical Issues" section in the [Application Resource Guide](#).

## Application and Submission Information

### Content of Application Submission and Available Surveys

The following application elements **must** be included in the application to meet the basic minimum requirements to advance to peer review and receive consideration for funding:

- SF-424 and SF-LLL (in Grants.gov)
- Proposal Abstract (in JustGrants)
- Proposal Narrative (in JustGrants)
- Budget Web-Based Form, which includes the budget details and the budget narrative (in JustGrants)

If OJP determines that an application does not include these elements, it will not proceed to peer review and will not receive any further consideration.

### **Content of the SF-424 in Grants.gov**

The SF-424 must be submitted in Grants.gov. It is a required standard form used as a cover sheet for submission of pre-applications, applications, and related information. See the [Application Resource Guide](#) for additional information on completing the SF-424.

In Section 8F of the SF-424, please include the name and contact information of the individual **who will complete the application in JustGrants**. JustGrants will use this information (*email address*) to assign the application to this user in JustGrants.

**Intergovernmental Review:** This funding opportunity is subject to [Executive Order \(E.O.\) 12372](#). An applicant may find the names and addresses of state Single Points of Contact (SPOCs) at the following website: <https://www.whitehouse.gov/wp-content/uploads/2023/06/SPOC-list-as-of-2023.pdf>. If the applicant's state appears on the SPOC list, the applicant must contact its SPOC to find out about, and comply with, the state's process under E.O. 12372. On the SF-424, an applicant whose state appears on the SPOC list is to make the appropriate selection in response to question 19, once the applicant has complied with its state E.O. 12372 process. An applicant whose state does not appear on the SPOC list should answer question 19 by selecting "Program is subject to E.O. 12372 but has not been selected by the state for review."

For first-time JustGrants applicants, once the application is received from Grants.gov, DOJ will send an email (from [DIAMD-NoReply@usdoj.gov](mailto:DIAMD-NoReply@usdoj.gov)) to the individual listed in Section 8F of the SF-424 with instructions on how to create a JustGrants account. The email should arrive within 24 hours after this individual receives confirmation from Grants.gov of their SF-424 and SF-LLL submissions. Register the Entity Administrator (the person who manages and who can access JustGrants on behalf of the applicant), Application Submitter, and Authorized Representative for the applicant with JustGrants as early as possible and (recommended) not later than 48–72 hours before the JustGrants deadline. Once registered in JustGrants, the Application Submitter will receive a link in an email to complete the rest of the application in JustGrants. Find additional information on JustGrants Application Submission in the [Application Resource Guide](#).

#### ***Standard Applicant Information***

The "Standard Applicant Information" section of the JustGrants application is prepopulated with the SF-424 data submitted in Grants.gov. The applicant will need to review the Standard Applicant Information in JustGrants and make edits as needed. Within this section, the applicant will need to add ZIP codes for areas affected by the project; confirm their Authorized Representative; and verify and confirm the organization's unique entity identifier, legal name, and address.

#### ***Proposal Abstract***

A Proposal Abstract (no more than 400 words) summarizing the proposed project—including its purpose, primary activities, expected outcomes, the service area, intended beneficiaries, and subrecipients (if known)—must be completed in the JustGrants web-based form. This abstract should be in paragraph form without bullets or tables, written in the third person, and exclude personally identifiable information. Abstracts will be made publicly available on the OJP and

USASpending.gov websites if the project is awarded. See the [Application Resource Guide](#) for an [example](#) of a proposal abstract.

### ***Data Requested With Application***

The following application elements should be submitted in the web-based forms in JustGrants.

#### **Financial Management and System of Internal Controls Questionnaire (including Applicant Disclosure of High-Risk Status)**

The Financial Management and System of Internal Controls Questionnaire helps OJP assess the financial management and internal control systems, and the associated potential risks of an applicant as part of the pre-award risk assessment process. Every OJP applicant (other than an individual applying in their personal capacity, not representing an applicant organization) is required to complete the web-based Questionnaire form in JustGrants. See the [Application Resource Guide: Financial Management and System of Internal Controls Questionnaire \(including Applicant Disclosure of High Risk Status\)](#) for additional guidance on how to complete the questionnaire.

#### **Brief Applicant Entity Questionnaire**

OJP is collecting the following information to help assess its efforts to attract a broader range of applicants. These questions apply to the applicant entity and its work and scope only, and not to the specific project(s) being proposed within the application. Responses to the questions will not be considered in the application review process. The questions included in the questionnaire are available in the [Standard Forms & Instructions: Brief Applicant Entity Questionnaire](#).

### ***Proposal Narrative***

The proposal narrative should be submitted as an attachment in JustGrants. The attached document should be double-spaced, using a standard 12-point size font; have no less than 1-inch margins; and should not exceed 30 numbered pages. Tables, charts, and graphs may be included in the proposal narrative and will count toward the page limit; however, they may be submitted in a legible font smaller than 12 point. Tables, charts, and graphs should not be smaller than 10-point font. If the proposal narrative fails to comply with these length restrictions, OJP may consider such noncompliance in peer review and in final award decisions.

The proposal narrative must include the following sections:

a. Description of the Issue

Describe why this project/these proposed activities are necessary (significance/value) or address a need. Include supporting information, such as data to provide evidence that the need exists, demonstrate the size and scope of the problem, and document the effects of the problem on the target population and the larger community as well as how youth and family partnerships will help to address the need. Applicants should describe any prior/current attempts to address the problem. This section may also include any research, published or unpublished, or evaluation studies that relate to the problem, underlying causes of the problem, and potential solutions.

b. Project Design and Implementation

Describe how the project will address the problem as identified in the Description of the Issue. List the activities and describe how they relate to the goals, objectives, deliverables, and timeline outlined in the web-based form (completed separately from

the proposal narrative attachment). Activities are the specific actions that will be completed to fulfill the program's objectives and reach the program's goal(s). Provide a detailed description of the strategy(ies) to be used to carry out each activity (e.g., training, community events, direct services to target population).

As indicated in the **Program Description Overview** section, applicants should describe how their proposed project/program will integrate and sustain meaningful youth and family partnership into their proposed project. Applicants should address any corresponding budget implications in their application's budget detail and budget narrative, such as how youth and families who serve as experts on the project are compensated. For resources/guidance on effective youth and family partnership strategies and practices, click [here](#).

If an applicant is seeking consideration under Priority 1A, it should explain in this section how the proposed project(s) will meaningfully address identified inequities **and** contribute to greater access to services and opportunities for communities that have been historically underserved, marginalized, adversely affected by inequality, and disproportionately impacted by crime, violence, and victimization. The applicant should also identify how the project design and implementation will specifically incorporate the input and/or participation of these communities.

c. Capabilities and Competencies

Describe the capabilities (what the applicant brings to the project such as resources, experience, expertise) and competencies (the unique skills and abilities of the applicant) required to accomplish the goals and objectives of the project. This section should also include applicant history, capabilities, and competencies of supporting youth and family partnerships. This section may also include the capabilities and competencies of any partnership agencies the applicant deems necessary to clearly explain the full capabilities and competencies of the program.

If the applicant is seeking priority consideration under Priority 1B, it should: (1) describe within this section how being a population-specific organization (or funding a population-specific subrecipient organization at a minimum of 40 percent of the project budget) will enhance its capabilities and competencies to implement the proposed project; (2) specify which populations are intended or expected to be served, have their needs addressed, and/or be affected by the proposed project; and (3) include information to confirm that the population-specific organization is specifically designed to serve communities that have been historically underserved, marginalized, adversely affected by inequality, and disproportionately impacted by crime, violence, and victimization (examples of such information include, but are not limited to, the website address, charter, mission statement, or operating principles of the population-specific organization).

d. Plan for Collecting the Data Required for This Solicitation's Performance Measures

Describe the process for measuring project performance. Identify how you will utilize youth and family voices in deciding which data will be collected, who will collect the data, who is responsible for performance measurements, how the information will be shared among partners, and how the information will be used to guide and evaluate the project's impact. Describe the process to accurately report data.

Note: An applicant is **not** required to submit performance data with the application. Rather, performance measure information is included to provide notice that award recipients will be required to submit performance data as part of each award's reporting requirements.

OJP will require each award recipient to submit regular performance data that show the completed work's results. The performance data directly relate to the solicitation goals and objectives identified in the "[Goals and Objectives](#)" section. Applicants can visit [OJP's performance measurement page](#) at [www.ojp.gov/performance](http://www.ojp.gov/performance) for more information on performance measurement activities.

A list of performance measure questions for this program can be found at <https://ojjdp.ojp.gov/funding/performance-measures/performance-measures-family-based-alternative-sentencing.pdf>

<https://ojjdp.ojp.gov/funding/grant-performance-measurement/performance-measures#progress-reporting-questions>

Some measures are presented as examples, while others are the exact measures that every recipient will be expected to address.

OJJDP will require award recipients to submit performance measure data and performance reports in JustGrants. OJJDP will provide further guidance on the post-award submission process, if the applicant is selected for award.

#### [Note on Project Evaluations](#)

An applicant that proposes to use award funds through this solicitation to conduct project evaluations must follow the guidance in the "[Note on Project Evaluations](#)" section in the [Application Resource Guide](#).

#### ***[Application Goals, Objectives, Deliverables, and Timeline Web-Based Form](#)***

The applicant will submit the project's goals, objectives, deliverables, and timeline in the JustGrants web-based form. This is a summary of the goals, objectives, deliverables, and timeline that relate to the proposal narrative. The applicant will also enter the projected fiscal year and quarter that each objective and deliverable will be completed. Please refer to the [Application Submission Job Aid](#) for step-by-step directions.

- **Goals:** The applicant should describe the project's intent to change, reduce, or eliminate the problem noted in the proposal narrative.
- **Program Objectives and Timeline:** The applicant should include objectives to accomplish its goals. Objectives are specific, measurable actions to reach the project's desired results. The included timelines should be clearly linked to the goal.
- **Deliverables and Timeline:** Project deliverables refer to outputs—tangible (for example, a report or a website) or intangible (for example, greater feelings of safety reported by the community)—that are documented and submitted within the scope of a project. Project deliverables should also include those listed in the Deliverables Expected by Successful Applicants section. Deliverables include timelines.

Each of these sections should include a specific and clear reference to how this project will work in partnership with youth and families.

### Deliverables Expected by Successful Applicants

Program objectives and deliverables should be included in one timeline.

#### **Category 1: Family-Based Alternative Justice**

Applicants are expected to provide a community-based collaborative approach that combines evidence-based interventions and promising practices with a broad range of reentry supports and/or programs that support diversion, such as individualized case management and comprehensive supports that enhance life skills and address housing, education, employment, family and/or individual well-being, trauma, substance use, and mental health concerns. OJJDP is working with states and communities to identify the components of a successful community-based diversion and alternatives to traditional sentencing program that supports family stabilization and preservation. This may include early release from incarceration for family reunification, dismissal of pre-trial charges, expungement of records, and alternative community-based supervision.

Deliverables that grant recipients will be expected to accomplish include:

- Utilizing evidence-based risk and needs assessments to determine stabilization needs for families through comprehensive case planning.
- Providing trauma-informed therapy and supportive services that address protective factors for children who have experienced parental arrest and/or incarceration. The services will focus on improving responses to, or eliminating, the social and emotional burdens that children carry when a parent or caregiver is involved in the criminal justice system.
- Addressing families' specific stabilization needs, which may include trauma-informed care and supportive services (e.g., peer support); addressing root causes of involvement in the justice system; domestic violence and healthy relationship counseling; rehabilitative coping skills, crisis management, and parent-child interactions to build and/or repair parental attachments. Engaging in community awareness activities, including developing best/promising practices and destigmatizing language, that help remove the stigma associated with having a justice-involved parent.
- Prioritizing services and supports for underserved families, including those who have low socioeconomic statuses, identify as LGBTQ+, are disproportionately involved in the criminal justice system, and have limited or no access to services and supports.
- Creating mechanisms that include youth and their parents who are or formerly were incarcerated in the decision-making process when planning programs and considering programmatic changes.

This award requires a planning year to focus on soliciting and implementing feedback from the community as well as impacted persons prior to implementing programs under Category 1. OJJDP will require an approved Planning and Implementation Guide (P&I Guide)<sup>4</sup> that will mark the completion of the planning period. Grantees will not be able to access funds in excess of \$150,000 until P&I Guides are approved. P&I Guides are expected to be completed in collaboration with the technical assistance provider awarded under Category 2. Deliverables should be clearly explained in the narrative and in the project timeline. Applicants should identify in their application specific planning activities that support the implementation of their grant.

---

<sup>4</sup> See sample version of [P&I Guide](#).

Applicants are highly encouraged to demonstrate a commitment to serving historically underserved or underrepresented communities. Evidence of this commitment, the needs of these families, and how the program will be responsive to those needs should be clearly explained in the narrative.

### **Category 2: Training and Technical Assistance**

The TTA provider will be expected to support grant recipients in the above, in addition to developing promising practice guiding materials with OJJDP. The TTA provider will also be expected to create and present materials to support the field in furtherance of this program's goals.

The TTA provider will also be expected to establish, manage, and fund a Peer Learning Program to (1) provide peer mentorship to the grantees/field at large, (2) establish alongside OJJDP and the TTA provider best/promising practices for the program, and (3) provide feedback to the TTA provider on the needs of the field. The TTA provider will be required to earmark \$30,000 from their budget to support this initiative for three sites.

The TTA provider is also expected to work in partnership with the Second Chance Act Addressing the Needs of Incarcerated Parents and Their Minor Children TTA provider to support a pilot for supporting justice-involved parents and their children in their communities.

The provider should demonstrate a commitment to supporting programs serving underrepresented communities, including showing the needs of these families and demonstrating how programs will be responsive to those needs. Evidence of this commitment should be clearly explained in the narrative.

### ***Budget and Associated Documentation***

#### **Funding Restrictions**

Food and beverages are generally unallowable costs. However, applicants under Category 1 may purchase food and beverages if (1) the costs are reasonable, (2) the purchase is made in furtherance of the program deliverables (e.g., engagement in programming, etc.), (3) food and beverages are strictly provided for families or youth, and (4) the program has attempted to obtain funding from elsewhere to support the food/beverage cost. A program **may not** utilize any allowance under this section for program staff or other stakeholders. If a program wishes to include food and beverage as a part of their budget, programs should clearly lay out how they meet the requirements of the above-mentioned items in their budget narrative.

Applicants under Category 2 must set aside \$30,000 from their budget to fund sites under the Peer Learning Program.

All recipients and subrecipients (including any for-profit organization) must forgo any profit, program, or enrollment fees charged to participants, or management fees.

#### **Budget Detail and Narrative Web-Based Form**

The applicant will complete the JustGrants web-based budget form, which includes both detailed calculations and budget narrative sections.

For additional information about how to prepare a budget for federal funding, see the "[Application Resource Guide](#)" section on [Budget Preparation and Submission Information](#) and

the technical steps to complete the budget form in JustGrants in the [Complete the Application in JustGrants: Budget](#) training.

If the applicant is seeking priority consideration under Priority 1A and has proposed activities to incorporate the input and participation of communities that have been historically underserved, marginalized, adversely affected by inequality, and disproportionately impacted by crime, violence, and victimization, financial support for the identified activities and participation must be reflected in the web-based budget form.

If the applicant is seeking priority consideration under Priority 1B based on the identification of a proposed subrecipient as a population-specific organization, the proposed funding for the subrecipient must **reflect a minimum of 40 percent of the total award funding** within the web-based budget form. The budget narrative must also describe how the **activities that will be funded** with the (minimum) 40 percent of award funding provided to the subrecipient **specifically relate to the proposed project** that will meaningfully address identified inequities and contribute to greater access to services and opportunities for communities that have been historically underserved, marginalized, adversely affected by inequality, and disproportionately impacted by crime, violence, and victimization.

The budget narrative **must clearly describe how the project is fiscally supporting youth and family partnerships**. This could include compensating them for their expertise, providing transportation, etc.

#### [Prior Approval, Planning, and Reporting of Conference/Meeting/Training Costs](#)

OJP strongly encourages every applicant that proposes to use award funds for any conference-, meeting-, or training-related activity (or similar event) to review carefully—before submitting an application—the [Application Resource Guide](#) for information on prior approval, planning, and reporting of conference/meeting/training costs.

#### [Costs Associated With Language Assistance \(if applicable\)](#)

If an applicant proposes a program or activity that would deliver services or benefits to individuals, the costs of taking reasonable steps to provide meaningful access to those services or benefits for individuals with limited English proficiency may be allowable. See the [Application Resource Guide](#) for information on costs associated with language assistance.

### [Budget/Financial Attachments](#)

#### [Pre-Agreement \(Pre-Award\) Costs \(if applicable\)](#)

Pre-agreement costs are defined as costs requiring approval incurred by the applicant prior to the start date of the period of performance of the federal award. OJP does not typically approve pre-agreement costs. If a successful applicant, in anticipation of the federal award but before the start date of the period of performance, incurs costs that are necessary for efficient and timely performance of the funded project, those costs may not be charged to the award. See the “Costs Requiring Prior Approval” section in the [DOJ Grants Financial Guide Post-Award Requirements](#) for more information.

#### [Indirect Cost Rate Agreement \(if applicable\)](#)

Indirect costs are costs of an organization that are not readily assignable to a particular project, but are necessary to the operation of the organization and the performance of the project. Examples of costs usually treated as indirect include those incurred for facility operation and

maintenance, depreciation, and administrative salaries. The requirements for the development and submission of indirect cost proposals and cost allocation plans are listed in Appendices III–VII of 2 C.F.R. Part 200. A nonfederal applicant should follow the guidelines applicable to its type of organization. If applicable, an applicant with a current federally approved indirect cost rate agreement will upload it as an attachment in JustGrants. See the [DOJ Financial Guide](#) for additional information on [Indirect Cost Rate Agreement](#).

#### [Consultant Rate \(if applicable\)](#)

Costs for consultant services require prior approval from OJP. If the proposed project expects to fund consultant services, compensation for individual consultant services is to be reasonable and consistent with that paid for similar services in the marketplace. See the [DOJ Grants Financial Guide](#) for information on the consultant rates, which require prior approval from OJP.

#### [Limitation on Use of Award Funds for Employee Compensation for Awards Over \\$250,000; Waiver \(if applicable\)](#)

If an applicant proposes to hire employees with federal award funds, for any award of more than \$250,000 made under a funding opportunity, an award recipient may not use federal funds to pay total cash compensation (salary plus cash bonuses) to any employee of the recipient at a rate that exceeds 110 percent of the maximum annual salary payable to a member of the federal government’s Senior Executive Service (SES) at an agency with a Certified SES Performance Appraisal System for that year. See the [Application Resource Guide](#) for information on the “Limitation on Use of Award Funds for Employee Compensation for Awards over \$250,000; Waiver.”

#### [Disclosure of Process Related to Executive Compensation \(if applicable\)](#)

This notice of funding opportunity expressly modifies the Application Resource Guide by not incorporating its “Disclosure of Process Related to Executive Compensation” provisions. Applicants to this funding opportunity are not required to provide this disclosure.

### ***Additional Application Components***

The applicant will attach the additional requested documentation in JustGrants.

#### [Curriculum Vitae or Resumes \(if applicable\)](#)

Provide resumes of key personnel who will work on the proposed project.

#### [Tribal Authorizing Resolution \(if applicable\)](#)

An application in response to this solicitation may require inclusion of Tribal authorizing documentation as an attachment. If applicable, the applicant will upload the Tribal authorizing documentation as an attachment in JustGrants. See the [Application Resource Guide](#) for information on Tribal authorizing resolutions.

#### [Letters of Support \(if applicable\)](#)

Applicants may include, for each named supporting entity, a signed letter of support that outlines the supporting entity’s reasons for supporting the project. Applications submitted from two or more entities are encouraged to submit signed letters of support that provide a detailed description of why the proposed project should receive federal funding.

Each letter of support may include the following: (1) a description of the relationship between the applicant entity and the supporting entity, (2) a description of the need and what benefits would be gained from the project, (3) a discussion of past/current experiences in supporting

youth and family partnerships, and (4) a description of the applicant's capacity to complete the proposed project. Letters of support should be signed and then submitted as one separate attachment to the application.

#### [Memorandum of Understanding \(MOU\) and Other Supportive Documents \(if applicable\)](#)

Programs are strongly encouraged to formally partner with community-based service providers, such as Family Preservation Services Agencies, to provide wrap-around services to youth and their parents. Though MOUs are not required for this solicitation, evidence of this partnership, if applicable, should be clear in the form of a draft or fully executed MOU or similar attached document as a part of the application.

Each MOU should include the following: (1) names of the organizations involved in the agreement, (2) type of partnership (e.g. criminal justice, law enforcement, mental health, etc.), (3) scope of the direct service(s) and other work to be performed under the agreement, (4) whether, and if so, how the partnership helps to establish or enhance youth and family partnerships, and (5) duration of the agreement.

Subcontracts or MOUs should be submitted as one separate attachment to the application.

#### [Research and Evaluation Independence and Integrity Statement \(if applicable\)](#)

If an application proposes research (including research and development) and/or evaluation, the applicant must demonstrate research/evaluation independence and integrity, including appropriate safeguards, before it may receive award funds. The applicant will upload documentation of its research and evaluation independence and integrity as an attachment in JustGrants. For additional information, see the [Application Resource Guide](#).

#### [Any Tools/Instruments, Questionnaires, Tables/Charts/Graphs, or Maps](#)

Applicants may include tables/charts/graphs as a part of their narrative, although not required. Tables, charts, and graphs may be no smaller than 10-point font and must be legible.

#### [Request To Use Incentives or Stipends](#)

Applicants may choose to provide incentives or stipends to participants in furtherance of the program's deliverables. Incentives or stipends must be reasonable (e.g., quarterly/annual gift cards for participating in the program, gifts in recognition of program completion, food/snacks for youth and parent participants, etc.). Applicants who wish to use incentives or stipends must include the following at a minimum in their budget detail narrative: (1) justification for the expense, (2) how the incentive or stipend will be used to further the program's deliverables, and (3) eligibility requirements to receive the incentive or stipend.

#### [Disclosures and Assurances](#)

The applicant will address the following disclosures and assurances.

##### [Disclosure of Lobbying Activities](#)

The SF-LLL attachment that was completed and submitted in Grants.gov is attached to this section.

##### [Applicant Disclosure of Duplication in Cost Items](#)

To ensure funding coordination across grant-making agencies, and to avoid unnecessary or inappropriate duplication among grant awards, the applicant will disclose if it has any pending applications for federal funding, including pending applications for subawards of federal funds.

Complete the JustGrants web-based Applicant Disclosure of Duplication in Cost Items form. See the [Application Resource Guide](#) for additional information.

#### [DOJ Certified Standard Assurances](#)

Review and accept the DOJ Certified Standard Assurances in JustGrants. See the [Application Resource Guide](#) for additional information.

#### [DOJ Certifications Regarding Lobbying; Debarment, Suspension, and Other Responsibility Matters; Drug-Free Workplace Requirements; Law Enforcement and Community Policing](#)

Review and accept in JustGrants the DOJ Certifications Regarding Lobbying; Debarment, Suspension, and Other Responsibility Matters; Drug-Free Workplace Requirements; and Law Enforcement and Community Policing. See the [Application Resource Guide](#) for additional information.

#### [Applicant Disclosure and Justification – DOJ High-Risk Grantees](#)

If applicable, submit the DOJ High-Risk Disclosure and Justification as an attachment in JustGrants. A DOJ high-risk grantee is an award recipient that has received a DOJ high-risk designation based on a documented history of unsatisfactory performance, financial instability, management system or other internal control deficiencies, noncompliance with award terms and conditions on prior awards, or is otherwise not responsible. See the [Application Resource Guide](#) for additional information.

## **Application Review Information**

### **Review Criteria**

#### ***Basic Minimum Review Criteria***

OJP screens applications to ensure they meet the basic minimum requirements prior to conducting the peer review. Although specific requirements may vary, the following are requirements for all OJP solicitations:

- The application must be submitted by an eligible type of applicant.
- The application must request funding within any stated programmatic funding limits or boundaries.
- The application must be responsive to the scope of the solicitation.
- The application must include all items necessary to meet the basic minimum requirements.

#### ***Merit Review Criteria***

Applications that meet the basic minimum requirements will be evaluated by peer reviewers on how the proposed project/program addresses the following criteria:

- Description of the Issue (10%): evaluate the applicant's understanding of the program/issue to be addressed.
- Project Design and Implementation (45%): evaluate the strength of the proposal, including information provided in the goals, objectives, timelines, and deliverables web-based form.
- Capabilities and Competencies (25%): evaluate the applicant's administrative and technical capacity to successfully accomplish the goals and objectives.

- Plan for Collecting the Data Required for This Solicitation's Performance Measures (10%): evaluate the applicant's understanding of the performance data reporting requirements and the plan for collecting the required data.
- Budget (10%): evaluate for completeness, cost effectiveness, and allowability (e.g., reasonable, allocable, and necessary for project activities).

### **Other Review Criteria/Factors**

Other important considerations for OJP include geographic diversity, strategic priorities (specifically including, but not limited to, those priority areas already mentioned, if applicable), available funding, past performance, extent to which the proposed project design includes youth and family partnerships and a youth and parent component in the program's services, and the extent to which the budget web-based form accurately explains project costs that are reasonable, necessary, and otherwise allowable under federal law and applicable federal cost principles. Costs are allowable when they are reasonable, allocable to, and necessary for the performance of the federal award, and when they comply with the funding statute and agency requirements (to include the conditions of the award), including the cost principles set out in the [Uniform Requirements 2 C.F.R. Part 200, Subpart E](#).

### **Risk Criteria/Factors**

Pursuant to the Part 200 Uniform Requirements, before award decisions are made, OJP also reviews information related to the degree of risk posed by the applicant. Among other things to help assess whether an applicant with one or more prior federal awards has a satisfactory record of performance, integrity, and business ethics, OJP checks whether the applicant is listed in SAM.gov as excluded from receiving a federal award.

In addition, if OJP anticipates that an award will exceed \$250,000 in federal funds, OJP also must review and consider any information about the applicant that appears in the non-public segment of the integrity and performance system accessible through SAM.gov.

Important note on Responsibility/Qualification Data (formerly FAPIIS): An applicant may review and comment on any information about its organization that currently appears in SAM.gov and was entered by a federal awarding agency. OJP will consider such comments by the applicant, in addition to the other information in SAM.gov, in its assessment of the risk posed by the applicant.

### **Review Process**

Applications submitted under this solicitation that meet the basic minimum requirements will be evaluated for technical merit by a peer review panel(s) in accordance with OJP peer review policy and procedures using the review criteria listed above. Absent explicit statutory authorization or written delegation of authority to the contrary, all final award decisions will be made by the Assistant Attorney General, who may consider not only peer review ratings and OJJDP recommendations, but also other factors as indicated in this section.

## **Federal Award Administration Information**

### **Federal Award Notices**

Generally, award notifications are made by the end of the current federal fiscal year, September 30. See the [Application Resource Guide](#) for information on award notifications and instructions.

### **Evidence-Based Programs or Practices**

OJP strongly encourages the use of data and evidence in policymaking and program development for criminal justice, juvenile justice, and crime victim services. For additional information and resources on evidence-based programs or practices (programs or practices that have been evaluated as effective), see the [Application Resource Guide](#).

### **Information Regarding Potential Evaluation of Programs and Activities**

OJP may conduct or support an evaluation of the projects and activities funded under this solicitation. For additional information on what should be included in the application, see the [Application Resource Guide](#) section entitled “Information Regarding Potential Evaluation of Programs and Activities.”

### **Administrative, National Policy, and Other Legal Requirements**

If selected for funding, in addition to implementing the funded project consistent with the OJP-approved application, the recipient must comply with all award conditions and all applicable requirements of federal statutes and regulations, including the applicable requirements referred to in the assurances and certifications executed in connection with award acceptance. For additional information on these legal requirements, see the “Administrative, National Policy, and Other Legal Requirements” section in the [Application Resource Guide](#).

### **Civil Rights Compliance**

If a successful applicant accepts funding from OJP—as a recipient of OJP funding—that award recipient must comply with certain federal civil rights laws that prohibit it from discriminating on the basis of race, color, national origin, sex, religion, or disability in how the recipient delivers its program’s services or benefits and in its employment practices. The civil rights laws that may be applicable to the award include Title VI of the Civil Rights Act of 1964 (Title VI), the nondiscrimination provisions of the Omnibus Crime Control and Safe Streets Act of 1968 (Safe Streets Act), and Section 504 of the Rehabilitation Act of 1973. These and other federal civil rights laws are discussed in greater detail here: [“Overview of Legal Requirements Generally Applicable to OJP Grants and Cooperative Agreements - FY 2024 Awards”](#) under the “Civil Rights Requirements” section, and additional resources are available from the [OJP Office for Civil Rights](#).

Part of complying with civil rights laws that prohibit national origin discrimination includes recipients taking reasonable steps to ensure that people who are limited in their English proficiency (LEP) because of their national origin have meaningful access to a recipient’s program and activity. An LEP person is one whose first language is not English and who has a limited ability to read, write, speak, or understand English. To help recipients meet this obligation to serve LEP persons, DOJ has published a number of resources, including a language access assessment and planning tool, which are available at <https://www.lep.gov/language-access-planning>. Additional resources are available at <https://www.ojp.gov/program/civil-rights-office/limited-english-proficient-lep>. If the award recipient proposes a program or activity that would deliver services or benefits to LEP individuals, the recipient may use grant funds to support the costs of taking reasonable steps (e.g., interpretation or translation services) to provide meaningful access. Similarly, recipients are responsible for ensuring that their programs and activities are readily accessible to qualified individuals with disabilities. Applicants for OJP funding must allocate grant funds or explain how other available resources will be used to ensure meaningful and full access to their programs. For example, grant funds can be used to support American Sign Language (ASL) interpreter services for deaf or hard-of-hearing individuals or the purchase of adaptive equipment for

individuals with mobility or cognitive disabilities. For resources, see <http://www.ADA.gov> or contact OJP.

### **Financial Management and System of Internal Controls**

Award recipients and subrecipients (including recipients or subrecipients that are pass-through entities) must, as described in the Part 200 Uniform Requirements as set out at 2 C.F.R. 200.303, comply with standards for financial and program management. See the [Application Resource Guide](#) for additional information.

### **Information Technology Security Clauses**

An application in response to this solicitation may require inclusion of information related to information technology security. See the [Application Resource Guide](#) for more information.

### **General Information About Post-Federal Award Reporting Requirements**

In addition to the deliverables described in the “[Program Description](#)” section, all award recipients under this solicitation will be required to submit certain reports and data.

Required reports. Award recipients must submit quarterly financial reports, semi-annual performance reports, final financial and performance reports, and, if applicable, an annual audit report in accordance with the Part 200 Uniform Requirements or specific award conditions. Future awards and fund drawdowns may be withheld if reports are delinquent (in appropriate cases, OJP may require additional reports).

See the [Application Resource Guide](#) for additional information on specific post-award reporting requirements, including performance measure data.

### **Federal Awarding Agency Contact(s)**

For OJP contact(s), contact information for Grants.gov, and contact information for JustGrants, see the solicitation Synopsis.
