NTTAC Pledge

NTTAC is a team dedicated to always delivering our best efforts to meet and exceed the needs and priorities of OJJDP, TTA providers, and partner organizations. Our teamwork is based on a foundation of respect, trust, collaboration, and communication. We use flexible and thoughtful approaches, with innovation, resiliency, and adaptability serving as our guiding strategies to produce high-quality products and services that are aligned with OJJDP’s mission to prevent and respond to juvenile delinquency and victimization.
**Who We Are**

The Office of Juvenile Justice and Delinquency Prevention (OJJDP) provides national leadership in addressing issues of juvenile justice and child victimization through research, grants, and training and technical assistance (TTA). OJJDP created the National Training and Technical Assistance Center (NTTAC) in 1995 to coordinate resources and providers, increase TTA responsiveness to consumer needs, and promote the use of best practices and standards in TTA assessment, planning, delivery, and evaluation.

**OJJDP’s TTA Network**

OJJDP’s NTTAC collaborates with the TTA Network to offer a broad array of services and support that help build knowledge among practitioners and other stakeholders in the juvenile justice and child victimization fields. Learn more by accessing the OJJDP TTA Provider Directory, a great resource for understanding and accessing the wide range of services and support offered by OJJDP. The Provider Directory is updated annually and provides a list of TTA projects that offer TTA, project descriptions, points of contact, audiences, and TTA service areas.
