"DECLARATION AND PURPOSE

"The Congress finds and declares that the high incidence of crime in the United States is detrimental to the general welfare of the Nation and its citizens, and that criminal justice efforts must be better coordinated, intensified, and made more effective and equitable at all levels of government.

42 USC 3701.

"Congress further finds that juvenile delinquency constitutes a growing threat to the national welfare requiring immediate and comprehensive action by the Federal Government to reduce and prevent delinquency by developing and implementing effective programs to improve the quality of juvenile justice in the United States.

"Congress further finds that there is an urgent need to encourage basic and applied research, to gather and disseminate accurate and comprehensive justice statistics, and to evaluate methods of preventing and reducing crime.

"Congress further finds that although crime is essentially a local problem that must be dealt with by State and local governments, the financial and technical resources of the Federal Government should be made available to support such State and local efforts.

"Congress further finds that the future welfare of the Nation and the well-being of its citizens depend on the establishment and maintenance of viable and effective justice systems which require: (1) systematic and sustained action by Federal, State, and local governments; (2) greater continuity in the scope and level of Federal assistance; and (3) continuing efforts at all levels of government to streamline programs and upgrade the functioning of agencies responsible for planning, implementing and evaluating efforts to improve justice systems.

"It is therefore the declared policy of the Congress to aid State and local governments in strengthening and improving their systems of criminal justice by providing financial and technical assistance with maximum certainty and minimum delay. It is the purpose of this title to (1) authorize funds for the benefit of States and units of local government to be used to strengthen their criminal justice system; (2) develop and fund new methods and programs to enhance the effectiveness of criminal justice agencies; (3) support the development of city, county, and statewide priorities and programs to meet the problems confronting the justice system; (4) reduce court congestion and trial delay; (5) support community anticrime efforts; (6) improve and modernize the correctional system; (7) encourage the undertaking of innovative projects of recognized importance and effectiveness; (8) encourage the development of basic and applied research directed toward the improvement of civil and criminal justice systems and new methods for the prevention and reduction of crime and the detection, apprehension, and rehabilitation of criminals; (9) encourage the collection and analysis of statistical information concerning crime, juvenile delinquency, civil disputes, and the operation of justice systems; and (10) support manpower development and training efforts. It is further the policy of the Congress that the Federal assistance made available under this title not be utilized to reduce the amount of State and local financial support for criminal justice activities below the level of such support prior to the availability of such assistance.

1195.

“(1) The sum of \$300,000 to each of the participating States as defined in section 402(a)(1) and the balance according to one of the following two formulas, whichever formula results in the larger amount:

“(A) Of the remaining amount to be allocated pursuant to this part:

“(i) 25 per centum shall be allocated in proportion to the relative population within the State as compared to the population in all States;

“(ii) 25 per centum shall be allocated in proportion to the relative number of index crimes (as documented by the Department of Justice) reported within the State as compared to such numbers in all States;

“(iii) 25 per centum shall be allocated in proportion to the relative amount of total State and local criminal justice expenditures within the State as compared to such amounts in all States; and

“(iv) 25 per centum shall be allocated in proportion to the relative population within the State, weighted by the share of State personal income paid in State and local taxes, as compared to such weighted populations in all States; or

“(B) The remaining amount to be allocated pursuant to this part shall be allocated in proportion to the relative population within the State as compared to the population, in all States;

except that no State which receives financial assistance pursuant to subparagraph (A) shall receive an amount in excess of 110 per centum of that amount available to a State pursuant to subparagraph (B). Formula allocations under this section shall utilize relative population data only for the Virgin Islands, Guam, American Samoa, the Trust Territory of the Pacific Islands, and the Commonwealth of the Northern Mariana Islands.

“(2) If the fund allocation to each of the States pursuant to paragraph (1) results in a total amount in excess of the amount appropriated for the purposes of this part, additional funds shall be allocated by the Administration from part E or F to the States for purposes consistent with those parts so that the total amount equals the total amount allocated under paragraph (1). No State shall receive an allocation pursuant to paragraph (1) which is less than the block grant allocation received by such State for fiscal year 1979 pursuant to parts C and E, except that if the total amount appropriated for part D for any fiscal year subsequent to fiscal year 1979 is less than the total block grant appropriation for parts C and E during fiscal year 1979, the States shall receive an allocation in accordance with paragraph (1)(B).

“(3) From the amount made available to each State pursuant to paragraphs (1) and (2), the Administration shall determine basic allocations to be made available to the State; to eligible jurisdictions as defined in section 402(a) (2), (3), or (4) and to eligible jurisdictions as defined in section 402(a)(5). “(1) to require, or condition the availability or amount of a grant upon the adoption by an applicant or grantee under this title of a percentage ratio, quota system, or other program to achieve racial balance in any criminal justice agency; or

“(2) to deny or discontinue a grant because of the refusal of an applicant or grantee under this title to adopt such a ratio, system, or other program.

Discrimination prohibition.

“(c)(1) No person in any State shall on the ground of race, color, religion, national origin, or sex be excluded from participation in, be denied the benefits of, or be subjected to discrimination under or denied employment in connection with any programs or activity funded in whole or in part with funds made available under this title.

“(2)(A) Whenever there has been—

“(i) receipt of notice of a finding, after notice and opportunity for a hearing, by a Federal court (other than in an action brought by the Attorney General) or State court, or by a Federal or State administrative agency, to the effect that there has been a pattern or practice of discrimination in violation of paragraph (1); or

the Office of Justice Assistance, Research, and Statistics shall, within ten days after such occurrence, notify the chief executive of the affected State, or the State in which the affected unit of local government is located, and the chief executive of such unit of local government, that such program or activity has been so found or determined not to be in compliance with paragraph (1), and shall request each chief executive, notified under this subparagraph with respect to such violation, to secure compliance. For purposes of clause (i) a finding by a Federal or State administrative agency shall

be deemed rendered after notice and opportunity for a hearing if it is rendered pursuant to procedures consistent with the provisions of subchapter II of chapter 5 of title 5, United States Code.

“(B) In the event the chief executive secures compliance after notice pursuant to subparagraph (A), the terms and conditions with which the affected State government or unit of local government agrees to comply shall be set forth in writing and signed by the chief executive of the State, by the chief executive of such unit (in the event of a violation by a unit of local government), and by the Office of Justice Assistance, Research, and Statistics. On or prior to the effective date of the agreement, the Office of Justice Assistance, Research, and Statistics shall send a copy of the agreement to each complainant, if any, with respect to such violation. The chief executive of the State, or the chief executive of the unit (in the event of a violation by a unit of local government) shall file semiannual reports with the Office of Justice Assistance, Research, and Statistics detailing the steps taken to comply with the agreement. These reports shall cease to be filed upon the determination of the Office of Justice Assistance, Research, and Statistics that compliance has been secured, or upon the determination by a Federal or State court that such State government or local governmental unit is in compliance with this section. Within fifteen days of receipt of such reports, the Office of Justice Assistance, Research, and Statistics shall send a copy thereof to each such complainant.

“(C) If, at the conclusion of ninety days after notification under subparagraph (A)—

“(i) compliance has not been secured by the chief executive of that State or the chief executive of that unit of local government; and

“(ii) an administrative law judge has not made a determination under subparagraph (F) that it is likely the State government or unit of local government will prevail on the merits; the Office of Justice Assistance, Research, and Statistics shall notify the Attorney General that compliance has not been secured and caused to have suspended further payment of any funds under this title to that program or activity. Such suspension shall be limited to the specific program or activity cited by the Office of Justice Assistance, Research, and Statistics in the notice under subparagraph (A). Such suspension shall be effective for a period of not more than one hundred and twenty days, or, if there is a hearing under subparagraph (G), not more than thirty days after the conclusion of such hearing, unless there has been an express finding by the Office of Justice Assistance, Research, and Statistics, after notice and opportunity for such a hearing, that the recipient is not in compliance with paragraph (1).

“(ii) such State government or unit of local government complies fully with the final order or judgment of a Federal or State court, or by a Federal or State administrative agency if that order or judgment covers all the matters raised by the Office of Justice Assistance, Research, and Statistics in the notice pursuant to subparagraph (A), or is found to be in compliance with paragraph (1) by such court; or

5 USC 551.

Terms and conditions of compliance.

Semiannual compliance reports.

Attorney General, notification of noncompliance and suspension of funds.

“(iii) after a hearing the Office of Justice Assistance, Research, and Statistics pursuant to subparagraph (F) finds that noncompliance has not been demonstrated.

Suspension of funds.

“(E) Whenever the Attorney General files a civil action alleging a pattern or practice of discriminatory conduct on the basis of race, color, religion, national origin, or sex in any program or activity of a State government or unit of local government which State government or unit of local government receives funds made available under this title, and the conduct allegedly violates the provisions of this section and neither party within forty-five days after such filing has been granted such preliminary relief with regard to the suspension or payment of funds as may be otherwise available by law, the Office of Justice Assistance, Research, and Statistics shall cause to have suspended further payment of any funds under this title to that specific program or activity alleged by the Attorney General to be in violation of the provisions of this subsection until such time as the court orders resumption of payment.

Expedited preliminary hearings.

“(F) Prior to the suspension of funds under subparagraph (C), but within the ninety-day period after notification under subparagraph (C), the State government or unit of local government may request an expedited preliminary hearing on the record in accordance with section 554 of title 5, United States Code, in order to determine whether it is likely that the State government or unit of local government would, at a full hearing under subparagraph (G), prevail on the merits on the issue of the alleged noncompliance. A finding under this subparagraph by the administrative law judge in favor of the State government or unit of local government shall defer the suspension of funds under subparagraph (C) pending a finding of noncompliance at the conclusion of the hearing on the merits under subparagraph (G).

“(G)(i) At any time after notification under subparagraph (A), but before the conclusion of the one-hundred-and-twenty-day period referred to in subparagraph (C), a State government or unit of local government may request a hearing on the record in accordance with section 554 of title 5, United States Code, which the Office of Justice Assistance, Research, and Statistics shall initiate within sixty days of such request.

Finding of compliance or noncompliance.

“(ii) Within thirty days after the conclusion of the hearing, or, in the absence of a hearing, at the conclusion of the one-hundred-and-twenty-day period referred to in subparagraph (C), the Office of Justice Assistance, Research, and Statistics shall make a finding of compliance or noncompliance. If the Office of Justice Assistance, Research, and Statistics makes a finding of noncompliance, the Office of Justice Assistance, Research, and Statistics shall notify the Attorney General in order that the Attorney General may institute a civil action under paragraph (3), cause to have terminated the payment of funds under this title, and, if appropriate, seek repayment of such funds.

“(iii) If the Office of Justice Assistance, Research, and Statistics makes a finding of compliance, payment of the suspended funds shall resume as provided in subparagraph (D).

Appeals.

“(H) Any State government or unit of local government aggrieved by a final determination of the Office of Justice Assistance, Research, and Statistics under subparagraph (G) may appeal such determination as provided in section 805 of this title.

Litigation of discrimination complaints.

“(3) Whenever the Attorney General has reason to believe that a State government or unit of local government has engaged in or is engaging in a pattern or practice in violation of the provisions of this section, the Attorney General may bring a civil action in an appropri-

ate United States district court. Such court may grant as relief any temporary restraining order, preliminary or permanent injunction, or other order, as necessary or appropriate to insure the full enjoyment of the rights described in this section, including the suspension, termination, or repayment of such funds made available under this title as the court may deem appropriate, or placing any further such funds in escrow pending the outcome of the litigation.

“(4)(A) Whenever a State government or unit of local government, or any officer or employee thereof acting in an official capacity, has engaged or is engaging in any act or practice prohibited by this subsection, a civil action may be instituted after exhaustion of administrative remedies by the person aggrieved in an appropriate United States district court or in a State court of general jurisdiction. Administrative remedies shall be deemed to be exhausted upon the expiration of sixty days after the date the administrative complaint was filed with the Office of Justice Assistance, Research, and Statistics or any other administrative enforcement agency, unless within such period there has been a determination by the Office of Justice Assistance, Research, and Statistics or the agency on the merits of the complaint, in which case such remedies shall be deemed exhausted at the time the determination becomes final.

“(B) In any civil action brought by a private person to enforce compliance with any provision of this subsection, the court may grant to a prevailing plaintiff reasonable attorney fees, unless the court determines that the lawsuit is frivolous, vexatious, brought for harassment purposes, or brought principally for the purpose of gaining attorney fees.

“(C) In any action instituted under this section to enforce compliance with paragraph (1), the Attorney General, or a specially designated assistant for or in the name of the United States, may intervene upon timely application if he certifies that the action is of general public importance. In such action the United States shall be entitled to the same relief as if it had instituted the action.
