Our Mission

The Office of Juvenile Justice and Delinquency Prevention (OJJDP) provides national leadership, coordination, and resources to prevent and respond to youth delinquency and victimization. The Office helps states, localities, and Tribes develop effective and equitable juvenile justice systems that create safer communities and empower youth to lead productive lives.

Our Vision

OJJDP envisions a nation where all children are free from crime and violence. Youth contact with the justice system should be rare, fair, and beneficial.
