A. Program Description

Overview
Awards made under this solicitation would be authorized under 34 U.S.C. § 11131 and statutory authority provided by an act appropriating funds for the Department of Justice for FY 2020.

This program provides funding to support implementation of the principles outlined in the Emergency Planning for Juvenile Justice Residential Facilities guide.

Project-Specific Information
This program provides funds for juvenile justice facilities to respond to and recover from emergencies. Funds may be used to restore essential services and operations.

For the purposes of this solicitation, emergency is defined as an incident—natural, technological, or manmade—that requires a response to protect life, property, or the environment.

In general, funds may be used to cover costs associated with ensuring that the facility is prepared to maintain efficient continuation of operations to reduce risk to the facility, and to ensure the safety and well-being of youth and staff in juvenile justice residential facilities.

Goals, Objectives, and Deliverables
This program will support the development, improvement, and/or implementation of emergency planning activities for state, tribal, county, and local juvenile justice residential facilities. Specific objectives include the following:

- Encourage the development or refinement of juvenile justice facility emergency preparedness plans that address the principles outlined in the Emergency Planning for Juvenile Justice Residential Facilities guide.
- Strengthen facility preparedness to maintain the efficient continuation of operations and reduce risk to the physical plant.
- Ensure the safety and well-being of youth and staff in juvenile justice residential facilities.

The Goals, Objectives, and Deliverables are directly related to the performance measures that demonstrate the results of the work completed, as discussed under What an Application Should Include.

---

Evidence-Based Programs or Practices
OJP strongly emphasizes the use of data and evidence in policymaking and program development in criminal justice, juvenile justice, and crime victim services. For additional information and resources on evidence-based programs or practices, see the OJP Grant Application Resource Guide.

Information Regarding Potential Evaluation of Programs and Activities
Applicants should note that OJP may conduct or support an evaluation of the programs and activities funded under this solicitation. For additional information, see the OJP Grant Application Resource Guide section titled “Information Regarding Potential Evaluation of Programs and Activities.”

B. Federal Award Information

Maximum number of awards OJJDP expects to make 4 to 7
Estimated maximum dollar amount for each award $50,000 to $150,000
Total amount anticipated to be awarded under solicitation $350,000
Period of performance start date October 1, 2020
Period of performance duration 24 months

OJJDP may, in certain cases, provide additional funding in future years to awards made under this solicitation, through continuation awards. OJP will consider, among other factors, OJP’s strategic priorities, a recipient’s overall management of the award, and progress of award-funded work when making continuation award decisions.

Under this solicitation, only one application by any particular applicant entity will be considered. An entity may, however, be proposed as a subrecipient (subgrantee) in more than one application.

OJJDP may elect to fund applications submitted under this FY 2020 solicitation in future fiscal years, dependent on, among other considerations, the merit of the applications and the availability of appropriations.

All awards are subject to the availability of appropriated funds and to any modifications or additional requirements that may be imposed by law.

Type of Award
OJJDP expects to make awards under this solicitation as grants. See the “Administrative, National Policy, and Other Legal Requirements” section of the OJP Grant Application Resource Guide for additional information.

Financial Management and System of Internal Controls
Award recipients and subrecipients (including recipients or subrecipients that are pass-through entities) must, as described in the Part 200 Uniform Requirements⁴ as set out at 2 C.F.R. 200.303, comply with standards for financial and program management. See the OJP Grant Application Resource Guide for additional information.

⁴ The “Part 200 Uniform Requirements” means the DOJ regulation at 2 C.F.R Part 2800, which adopts (with certain modifications) the provisions of 2 C.F.R. Part 200.
Budget Information

Cost Sharing or Match Requirement
This solicitation does not require a match. However, if a successful application proposes a voluntary match amount, and OJP approves the budget, the total match amount incorporated into the approved budget becomes mandatory and subject to audit. Voluntary committed cost sharing (defined at 2 C.F.R. 200.99) – or, voluntary match – must be cash-only under this program and, if that cash match is properly documented in the application, that additional cash contribution to the project will be considered in award decisions as described under Section E. Application Review Information, below.

Please see the OJP Grant Application Resource Guide for information on the following:

Preagreement Costs (also known as Preaward Costs)

Limitation on Use of Award Funds for Employee Compensation; Waiver
This solicitation expressly modifies the OJP Grant Application Resource Guide by not incorporating the “Limitation on Use of Award Funds for Employee Compensation; Waiver” provisions in the “Financial Information” section of the OJP Grant Application Resource Guide.

Prior Approval, Planning, and Reporting of Conference/Meeting/Training Costs

Costs Associated With Language Assistance (if applicable)

C. Eligibility Information
For eligibility information, see the title page.

For information on cost sharing or match requirements, see Cost Sharing or Match Requirement.

D. Application and Submission Information
This solicitation expressly modifies the OJP Grant Application Resource Guide by not incorporating the “Disclosure of Process Related to Executive Compensation” provisions in the “Application Attachments” section of the OJP Grant Application Resource Guide.

What an Application Should Include
The following application elements MUST be included in the application submission for an application to meet the basic minimum requirements (BMR) to advance to peer review and receive consideration for funding: Program Narrative, Budget Detail Worksheet, and Budget Narrative.

See the “Application Elements and Formatting Instructions” section of the OJP Grant Application Resource Guide for information on what happens to an application that does not contain all of the specified elements or that is nonresponsive to the scope of the solicitation.
1. Application for Federal Assistance (Standard Form (SF)-424)

The SF-424 is a required standard form used as a cover sheet for submission of preapplications, applications, and related information. See the OJP Grant Application Resource Guide for additional information on completing the SF-424.

**Intergovernmental Review:** This solicitation ("funding opportunity") is subject to Executive Order 12372. An applicant may find the names and addresses of state Single Points of Contact (SPOCs) at the following website: [https://www.whitehouse.gov/wp-content/uploads/2017/11/Intergovernmental_Review_SPOC_01_2018_OFFM.pdf](https://www.whitehouse.gov/wp-content/uploads/2017/11/Intergovernmental_Review_SPOC_01_2018_OFFM.pdf). If the applicant’s state appears on the SPOC list, the applicant must contact the state SPOC to find out about, and comply with, the state’s process under E.O. 12372. In completing the SF-424, an applicant whose state appears on the SPOC list is to make the appropriate selection in response to question 19, once the applicant has complied with its state E.O. 12372 process. (An applicant whose state does not appear on the SPOC list should answer question 19 by selecting the response that the: “Program is subject to E.O. 12372, but has not been selected by the state for review.”).

2. Project Abstract

Applications should include a project abstract (no more than 400 words) that summarizes the proposed project including primary activities, products and deliverables, the service area, and who will benefit. Project abstracts should be—

- Written for a general public audience.
- Submitted as a separate attachment with “Project Abstract” as part of its file name.
- Single-spaced, using a standard 12-point Times New Roman font with 1-inch margins.

3. Program Narrative

Applicants must submit a program narrative that presents a detailed description of the purpose, goals, objectives, strategies, design, and management of the proposed program. The program narrative should be double-spaced with 1-inch margins, not exceeding 30 pages of 8½ by 11 inches, and use a standard 12-point Times New Roman font. Pages should be numbered “1 of 30,” etc. The tables, charts, pictures, etc., including all captions, legends, keys, subtext, etc., may be single-spaced and will count in the 30-page limit. Material required under the Budget and Budget Narrative and Additional Attachments sections will not count toward the program narrative page count. Applicants may provide bibliographical references as a separate attachment that will not count toward the 30-page program narrative limit. If the program narrative fails to comply with these length-related restrictions, OJJDP may negatively consider such noncompliance in peer review and in final award decisions.

The program narrative should address the following selection criteria: (1) statement of the problem, (2) program design and implementation, (3) capabilities/competencies, and (4) plan for collecting the data required for this solicitation’s performance measures. The applicant should clearly delineate the connections between and among each of these sections. For example, the applicant should derive the goals and objectives directly from the
problems to be addressed. Similarly, the project design section should clearly explain how
the program’s structure and activities will accomplish the goals and objectives identified in
the previous section.

The following sections should be included as part of the program narrative:

a. **Statement of the Problem.** Applicants should briefly describe the nature and scope of
the problem that the program will address. The applicant should use data to provide
evidence that the problem exists, demonstrate the size and scope of the problem, and
document the effects of the problem on the target population and the larger community.
Any data or research referenced in the narrative should include information about the
source of the data and/or a citation. Applicants should describe the target population and
any previous or current attempts to address the problem.

Applicants should describe any research or evaluation studies that relate to the problem
and contribute to their understanding of its causes and potential solutions. While OJJDP
expects applicants to review the research literature for relevant studies, they should also
explore whether unpublished local sources of research or evaluation data are available.

b. **Project Design and Implementation.** Applicants should detail how the project will
operate throughout the funding period and describe the strategies that they will use to
achieve the goals and objectives identified in the previous section. Applicants should
describe how they will complete the deliverables stated in the Goals, Objectives, and
Deliverables section on page 5. OJJDP encourages applicants to select evidence-based
practices for their programs.

This section should also include details regarding any leveraged resources (cash or in-
kind) from local sources to support the project and discuss plans for sustainability
beyond the grant period.

**Timeline.** Applicants should submit a realistic timeline or milestone chart that indicates
major tasks associated with the goals and objectives of the project, assigns
responsibility for each, and plots completion of each task by month or quarter for the
duration of the award, using “Year 1,” “Month 1,” “Quarter 1,” etc., not calendar dates
(see “Sample Project Timelines” [here](#)).

Applicants should submit the timeline as a separate attachment, as stipulated in
Additional Attachments, page 11. On receipt of an award, the recipient may revise the
timeline, based on training and technical assistance that OJJDP will provide.

c. **Capabilities and Competencies.** This section should describe the experience and
capability of the applicant organization and any contractors or subgrantees that the
applicant will use to implement and manage this effort and its associated federal funding,
highlighting any previous experience implementing projects of similar design or
magnitude. Applicants should highlight their experience/capability/capacity to manage
subawards, including details on their system for fiscal accountability. Management and
staffing patterns should be clearly connected to the project design described in the
previous section. Applicants should describe the roles and responsibilities of project staff
and explain the program’s organizational structure and operations. Applicants should
include a copy of an organizational chart showing how the organization operates, including who manages the finances; how the organization manages subawards, if there are any; and the management of the project proposed for funding.

d. **Plan for Collecting the Data Required for This Solicitation’s Performance Measures.** OJP will require each successful applicant to submit regular performance data that demonstrate the results of the work carried out under the award. The performance data directly relate to the goals, objectives, and deliverables identified under "Goals, Objectives, and Deliverables."

Applicants should visit OJP’s performance measurement page at [www.ojp.gov/performance](http://www.ojp.gov/performance) for an overview of performance measurement activities at OJP.

Award recipients will be required to provide the relevant data by submitting semi-annual performance metrics through OJJDP’s online Performance Measurement Tool (PMT), located at [https://ojpssso.ojp.gov/](https://ojpssso.ojp.gov/). Applicants should review the complete list of the performance measures for this solicitation here [Fiscal Year 2020 Juvenile Justice Emergency Planning Demonstration Program Performance Measures](https://ojpssso.ojp.gov/).

The application should demonstrate the applicant’s understanding of the performance data reporting requirements for this grant program and detail how the applicant will gather the required data should it receive funding.

Please note that applicants are **not** required to submit performance data with the application. Performance measures information is included as an alert that successful applicants will be required to submit performance data as part of the reporting requirements under an award.

**Note on Project Evaluations**
An applicant that proposes to use award funds through this solicitation to conduct project evaluations should follow the guidance under Note on Project Evaluations in the [OJP Grant Application Resource Guide](https://ojp.gov/). For additional information regarding demonstrating research/evaluation independence and integrity, including appropriate safeguards, see the [OJP Grant Application Resource Guide](#).

12. **Additional Attachments**

Applicants should submit the following information, as stipulated in the cited pages, as attachments to their applications. While the materials listed below are not assigned specific point values, peer reviewers will, as appropriate, consider these items when rating applications. 5 A “DOJ High-Risk Grantee” is a recipient that has received a DOJ High-Risk designation based on a documented history of unsatisfactory performance, financial instability, management system or other internal control deficiencies, or noncompliance with award terms and conditions on prior awards, or that is otherwise not responsible.
For information on each registration and submission step, see the OJP Grant Application Resource Guide.

E. Application Review Information

Review Criteria
Applications that meet basic minimum requirements will be evaluated by peer reviewers using the following review criteria.

1. Statement of the Problem (20%)
2. Project Design and Implementation (45%)
3. Capabilities and Competencies (20%)
4. Plan for Collecting the Data Required for This Solicitation’s Performance Measures (5%)
5. Budget (10%): complete, cost effective, and allowable (e.g., reasonable, allocable, and necessary for project activities). Budget narratives should demonstrate generally how applicants will maximize cost effectiveness of grant expenditures. Budget narratives should demonstrate cost effectiveness in relation to potential alternatives and the goals of the project.6 Cost sharing will not be considered in the review process.

Review Process
OJP is committed to ensuring a fair and open process for making awards. OJJDP reviews the application to make sure that the information presented is reasonable, understandable, measurable, achievable, and consistent with the solicitation.

Peer reviewers will review the applications submitted under this solicitation that meet basic minimum requirements. For purposes of assessing whether an application meets basic minimum requirements and should proceed to further consideration, OJP screens applications for compliance with those requirements. Although specific requirements may vary, the following are common requirements applicable to all solicitations for funding under OJP programs:

• The application must be submitted by an eligible type of applicant.
• The application must request funding within programmatic funding constraints (if applicable).
• The application must be responsive to the scope of the solicitation.
• The application must include all items necessary to meet the basic minimum requirements.

For a list of the application elements that MUST be included in the application submission in order for an application to meet the basic minimum requirements, see “What an Application Should Include” under Section D. Application and Submission Information.

Peer review panels will evaluate, score, and rate applications that meet basic minimum requirements. OJJDP may use internal peer reviewers, external peer reviewers, or a combination, to assess applications on technical merit using the solicitation’s review criteria. An internal reviewer is a current DOJ employee who is well-versed or has expertise in the subject matter of this solicitation. An external peer reviewer is an expert in the subject matter of a given

---

6 Generally speaking, a reasonable cost is a cost that, in its nature or amount, does not exceed that which would be incurred by a prudent person under the circumstances prevailing at the time the decision was made to incur the costs.
solicitation who is not a current DOJ employee. Peer reviewers’ ratings and any resulting recommendations are advisory only, but are considered carefully.

Other important considerations for OJJDP include geographic diversity, strategic priorities, potential project sustainability factors such as voluntary committed cost sharing (or match), available funding, and the extent to which the Budget Detail Worksheet and Budget Narrative accurately explain project costs that are reasonable, necessary, and otherwise allowable under federal law and applicable federal cost principles. An applicant proposing any voluntary committed cost sharing (using cash-only match) must clearly describe and properly document it in the program narrative, Budget Detail Worksheet, and SF-424. In its consideration of any such voluntary match, along with its consideration of other program policy or other factors, OJP will consider the significance of the proposed match contribution to the potential success of the project, how it supports overall program goals and objectives, and how the application demonstrates an applicant’s commitment to sustaining the contribution and the project.

Pursuant to the Part 200 Uniform Requirements, before award decisions are made, OJP also reviews information related to the degree of risk posed by the applicant. Among other things to help assess whether an applicant that has one or more prior federal awards has a satisfactory record with respect to performance, integrity, and business ethics, OJP checks whether the applicant is listed in SAM as excluded from receiving a federal award.

In addition, if OJP anticipates that an award will exceed $250,000 in federal funds, OJP also must review and consider any information about the applicant that appears in the nonpublic segment of the integrity and performance system accessible through SAM (currently, the Federal Awardee Performance and Integrity Information System, FAPIIS).

Important note on FAPIIS: An applicant, at its option, may review and comment on any information about itself that currently appears in FAPIIS and was entered by a federal awarding agency. OJP will consider any such comments by the applicant, in addition to the other information in FAPIIS, in its assessment of the risk posed by the applicant.

Absent explicit statutory authorization or written delegation of authority to the contrary, all final award decisions will be made by the Assistant Attorney General, who may take into account not only peer review ratings and OJJDP recommendations, but also other factors as indicated in this section.
