# OJJDP FY 2020 Victims of Child Abuse Act Training and Technical Assistance for Child Abuse Professionals CFDA #16.758

## A. Program Description

### Overview

Awards made under this solicitation would be authorized pursuant to the Victims of Child Abuse Act, 34 U.S.C. § 20305.

The OJJDP FY 2020 Victims of Child Abuse (VOCA) Act Training and Technical Assistance for Child Abuse Professionals program will provide funding for the development and implementation of training and technical assistance for the purpose of promoting the effective delivery of the evidence-informed Children's Advocacy Model and the multidisciplinary response to child abuse for child abuse professionals.

### Program-Specific Information

OJJDP seeks proposals that support efforts to provide information regarding improved child interview techniques, thorough investigative methods, interagency coordination, and effective presentation of evidence in court. Additionally, OJJDP seeks to support projects that provide training and technical assistance to facilitate the development and establishment of coordinated multidisciplinary programs that address child maltreatment. The successful grant recipient will be required to coordinate efforts with other VOCA programs (to be identified by OJJDP).

### Goals, Objectives, and Deliverables

The program's goal is to improve the capacity of child abuse professionals and promote the effective delivery of the evidence-informed Children's Advocacy Model and the multidisciplinary response to child abuse.

OJJDP has established the following objectives and deliverables: (1) develop training opportunities for multidisciplinary teams of child abuse professionals at the local, state, regional, and national levels; (2) provide technical assistance at the state and local levels for child abuse professionals to enhance the coordinated multidisciplinary response to child abuse and to improve the judicial system's handling of child abuse and neglect cases; and (3) develop publications and resources for child abuse professionals to enhance the coordinated multidisciplinary response to child abuse.

**OJJDP training and technical assistance awardee standards.** OJJDP has developed the [Core Performance Standards for Training, Technical Assistance, and Evaluation](#) to promote among providers the consistency and quality of OJJDP-sponsored training and technical assistance and to advance common expectations of performance excellence. The standards present minimum expectations that providers must meet for effective practice in the planning, coordination, delivery, and evaluation of training. Award recipients must coordinate with OJJDP's National Training and Technical Assistance Center (NTTAC) in the assessment and delivery of services to ensure the effective use of OJJDP grant funding.

Requirements related to coordination of activities will include, but are not limited to:

- **Coordination with OJJDP NTTAC.** OJJDP requires all training and technical assistance projects to coordinate their activities with OJJDP NTTAC by complying with all OJJDP/NTTAC protocols to ensure coordinated delivery of services among providers and the effective use of OJJDP grant funding. OJJDP reserves the right to modify these protocols at any time with reasonable notice to the grantee prior to project completion.
- **OJJDP-funded webinars.** The award recipient must comply with OJJDP’s Webinar Guidelines, as described in the core performance standards. Minimally, OJJDP training and technical assistance providers will submit information to OJJDP NTTAC in advance of all events for the online calendar, use the approved OJJDP presentation template, and record events and provide the final files which are compliant with Section 508 of the Workforce Rehabilitation Act to OJJDP or OJJDP’s representative. For more information on Section 508 of the Workforce Rehabilitation Act, visit <https://www.section508.gov>.
- **Training information sharing.** OJP will collect information from its program offices on OJP-funded training and technical assistance events. Award recipients must use OJJDP’s standard electronic training request form, submit information to NTTAC on all training events (e.g., name of requestor, description of request, dates of event) 30 days in advance of the event date, and report additional data, as OJJDP requires.

The Goals, Objectives, and Deliverables are directly related to the performance measures that demonstrate the results of the work completed, as discussed under [What an Application Should Include](#).

### **Evidence-Based Programs or Practices**

OJP strongly emphasizes the use of data and evidence in policymaking and program development in criminal justice, juvenile justice, and crime victim services. For additional information and resources on evidence-based programs or practices, see the [OJP Grant Application Resource Guide](#).

### **Information Regarding Potential Evaluation of Programs and Activities**

Applicants should note that OJP may conduct or support an evaluation of the programs and activities funded under this solicitation. For additional information, see the [OJP Grant Application Resource Guide](#) section titled “Information Regarding Potential Evaluation of Programs and Activities.”

Total amount anticipated to be awarded under solicitation	\$2,500,000
Period of performance start date	October 1, 2020
Period of performance duration	36 months

OJJDP may, in certain cases, provide additional funding in future years to awards made under this solicitation, through continuation awards. <sup>1</sup> The “Part 200 Uniform Requirements” means the DOJ regulation at 2 C.F.R Part 2800, which adopts (with certain modifications) the provisions of 2 C.F.R. Part 200.

[Application Resource Guide](#) for information on what happens to an application that does not contain all of the specified elements or that is nonresponsive to the scope of the solicitation.

### 1. Application for Federal Assistance (Standard Form (SF)-424)

The SF-424 is a required standard form used as a cover sheet for submission of preapplications, applications, and related information. See the [OJP Grant Application Resource Guide](#) for additional information on completing the SF-424.

**Intergovernmental Review:** This solicitation ("funding opportunity") **is not** subject to [Executive Order 12372](#). (In completing the SF-424, an applicant is to answer question 19 by selecting the response that the "Program is not covered by E.O. 12372.")

### 2. Project Abstract

Applications should include a project abstract that summarizes the proposed project in 400 words or less. Project abstracts should be—

- Written for a general public audience.
- Submitted as a separate attachment with "Project Abstract" as part of its file name.
- Single-spaced, using a standard 12-point Times New Roman font with 1-inch margins.

The abstract should briefly describe the project's purpose, the population to be served, and the activities that the applicant will implement to achieve the project's goals and objectives. The abstract should describe how the applicant will measure progress toward these goals. The abstract should indicate whether the applicant will use any portion of the project budget to conduct research, as described in Note on Project Evaluations on page 10. ### 3. Program Narrative

Applicants must submit a program narrative that presents a detailed description of the purpose, goals, objectives, strategies, design, and management of the proposed program. The program narrative should be double-spaced with 1-inch margins, not exceeding 30 pages of 8½ by 11 inches, and use a standard 12-point Times New Roman font. Pages should be numbered "1 of 30," etc. The tables, charts, pictures, etc., including all captions, legends, keys, subtext, etc., may be single-spaced and will count in the 30-page limit. Material required under the Budget and Budget Narrative and Additional Attachments sections will not count toward the program narrative page count. Applicants may provide bibliographical references as a separate attachment that will not count toward the 30-page program narrative limit. If the program narrative fails to comply with these length-related restrictions, OJJDP may negatively consider such noncompliance in peer review and in final award decisions.

The program narrative should address the following selection criteria: (1) statement of the problem, (2) project design and implementation, (3) capabilities and competencies, and (4) plan for collecting the data required for this solicitation's performance measures. The applicant should clearly delineate the connections between and among each of these sections. For example, the applicant should derive the goals and objectives directly from the problems to be addressed. Similarly, the project design section should clearly explain how

the program's structure and activities will accomplish the goals and objectives identified in the previous section.

The following sections should be included as part of the program narrative:

- a. **Statement of the Problem.** Applicants should briefly describe the need for a national training and technical assistance program for child abuse professionals involved in the protection of children, intervention in child abuse cases, and treatment of victims of child abuse. The applicant should use data to provide evidence that the problem exists, demonstrate the size and scope of the problem, and document the effects of the problem on the target population and the larger community. Applicants should describe the target population and any previous or current attempts to address the problem.

Applicants should describe any research or evaluation studies that relate to the problem and contribute to their understanding of its causes and potential solutions. Any data or research referenced in the narrative should include information about the source of the data and/or a citation. While OJJDP expects applicants to review the research literature for relevant studies, they should also explore whether unpublished local sources of research or evaluation data are available.

- b. **Project Design and Implementation.** Applicants should detail how the project will operate throughout the funding period and describe the strategies that they will use to achieve the goals and objectives identified in the previous section. Applicants should describe how they will complete the deliverables stated in the Goals, Objectives, and Deliverables section on page 5. OJJDP encourages applicants to select evidence-based practices for their programs.

This section should also include details regarding any leveraged resources (cash or in-kind) from local sources to support the project and discuss plans for sustainability beyond the grant period.

**Timeline.** Applicants should submit a realistic timeline or milestone chart that indicates major tasks associated with the goals and objectives of the project, assigns responsibility for each, and plots completion of each task by month or quarter for the duration of the award, using "Year 1," "Month 1," "Quarter 1," etc., not calendar dates (see "Sample Project Timelines" [here](#)).

Applicants should submit the timeline as a separate attachment, as stipulated in Additional Attachments, page 11. On receipt of an award, the recipient may revise the timeline, based on training and technical assistance that OJJDP will provide.

- c. **Capabilities and Competencies.** This section should describe the experience and capability of the applicant organization and any contractors or subgrantees that the applicant will use to implement and manage this effort and its associated federal funding, highlighting any previous experience implementing projects of similar design or magnitude. Applicants should highlight their experience/capability/capacity to manage subawards, including details on their system for fiscal accountability. Management and staffing patterns should be clearly connected to the project design described in the previous section. Applicants should describe the roles and responsibilities of project staff and explain the program's organizational structure and operations. Applicants should include a copy of an organizational chart showing how the organization operates,

including who manages the finances; how the organization manages subawards, if there are any; and the management of the project proposed for funding.

- d. **Plan for Collecting the Data Required for This Solicitation’s Performance Measures.** OJP will require each successful applicant to submit regular performance data that demonstrate the results of the work carried out under the award. The performance data directly relate to the goals, objectives, and deliverables identified under "[Goals, Objectives, and Deliverables](#)."

Applicants should visit OJP’s performance measurement page at [www.ojp.gov/performance](http://www.ojp.gov/performance) for an overview of performance measurement activities at OJP.

Award recipients will be required to provide the relevant data by submitting semi-annual performance metrics through OJJDP’s online Performance Measurement Tool (PMT), located at <https://ojpsso.ojp.gov/>. Applicants should review the complete list of the performance measures for this solicitation here: [Victims of Child Abuse Performance Measures Grid](#).

The application should demonstrate the applicant’s understanding of the performance data reporting requirements for this grant program and detail how the applicant will gather the required data should it receive funding.

Please note that applicants are **not** required to submit performance data with the application. Performance measures information is included as an alert that successful applicants will be required to submit performance data as part of the reporting requirements under an award.
