OJJDP FY 2020 Missing and Exploited Children Training and Technical Assistance Program
CFDA #16.543

A. Program Description

Overview
Through this program, OJJDP seeks to improve and expand the development and implementation of training and technical assistance on effective responses to missing and exploited children’s issues for multidisciplinary teams of prosecutors, state and local law enforcement, child protection personnel, medical providers, and other child-serving professionals. Additionally, this program will provide support for the implementation of all National Missing Children’s Day activities.

Statutory Authority

Program-Specific Information
OJJDP funds training and technical assistance to build the capacity of state, tribal, and local agencies, and to encourage the development and implementation of best practices related to the investigation and prosecution of cases of missing and exploited children. OJJDP is interested in continuing these training opportunities. In addition, OJJDP is interested in learning directly from the field of professionals (i.e., law enforcement, prosecutors, social services, etc.) involved in the investigation and treatment of missing and exploited children’s cases in order to determine what additional trainings are needed and should be developed.

OJJDP encourages applicants to present creative and innovative concepts on how they would implement the program. This includes a special emphasis on underserved (rural and tribal communities) and unserved jurisdictions. As a key competitive factor, applicants must identify how they will implement the identified tasks, describe how they will ensure the timely delivery of requested training and technical assistance, and determine the cost efficiencies they will achieve in the management and staffing of the program.

Goals, Objectives, and Deliverables
The goal of this initiative is to design, develop, and provide training and technical assistance services to strengthen the overall response to missing and exploited children’s issues.

The expected deliverables under this award include the following:

- Convene a listening session with key stakeholders in the field to determine gaps and training and technical assistance needs to improve the responses to cases of missing and exploited children. Key stakeholders should include, but are not limited to, prosecutors, state and local law enforcement, child protection personnel, medical providers, school-based law enforcement, representatives from the National Center for
Missing & Exploited Children (NCMEC), human trafficking victim services providers, and other child-serving professionals.

- Develop a training and technical assistance strategic plan based on the lessons learned from the key stakeholders listening session. The plan should detail the products and deliverables that will be produced to address the training and technical assistance gaps across the above multiple stakeholder groups. OJJDP expects the successful applicant to complete a minimum of 25 training events per year.
- Continue to provide the core Missing and Exploited Children’s Program trainings that have already been developed through this solicitation, which include:

  - Multi-Disciplinary Team Response to Child Sex Trafficking
  - Child Sex Trafficking Forensic Interview Training
  - Following the Evidence in Child Abuse and Exploitation Cases
  - Creating a Community Action Plan for the Prevention of Child Sexual Abuse
  - Child Sex Trafficking – From Suspicion to Disclosure
  - From Suspicion to Disclosure – Effective Communication Strategies When Dealing With Alleged Victims in Child Abuse Cases

**NOTE: OJJDP will expect the successful applicant to work with the current training and technical assistance provider to deliver the trainings listed above and to ensure a seamless transition to allow for continuity of services to the public.**

- Provide technical support, determined in consultation with OJJDP, to state and local agencies and other stakeholders on missing and exploited children’s issues.
- Develop special reports, brochures, best practices papers, etc. pertinent to the investigation of missing and exploited children’s cases, as directed by OJJDP.
- Contribute content for the OJJDP website for the effective dissemination and communication of training and technical assistance services and products, as OJJDP deems suitable.
- Provide logistical support and planning for the following key OJJDP activities:

  - National Missing Children’s Day national poster contest.
  - National Missing Children’s Day award nominations.
  - National Missing Children’s Day ceremony (to include travel support, as needed).
  - Quarterly meetings of the Federal Agency Task Force on Missing and Exploited Children.

**OJJDP training and technical assistance awardee standards.** OJJDP has developed the Core Performance Standards for Training, Technical Assistance, and Evaluation to promote among providers the consistency and quality of OJJDP-sponsored training and technical assistance and to advance common expectations of performance excellence. The standards present minimum expectations that providers must meet for effective practice in the planning, coordination, delivery, and evaluation of training. Award recipients must coordinate with OJJDP’s National Training and Technical Assistance Center (NTTAC) in the assessment and delivery of services to ensure the effective use of OJJDP grant funding.

Requirements related to coordination of activities will include, but are not limited to:

- **Coordination with OJJDP NTTAC.** OJJDP requires all training and technical assistance projects to coordinate their activities with OJJDP NTTAC by complying with
all OJJDP/NTTAC protocols to ensure coordinated delivery of services among providers and the effective use of OJJDP grant funding. OJJDP reserves the right to modify these protocols at any time with reasonable notice to the grantee prior to project completion.

- **OJJDP-funded webinars.** The award recipient must comply with OJJDP’s Webinar Guidelines, as described in the core performance standards. Minimally, OJJDP training and technical assistance providers will submit information to OJJDP NTTAC in advance of all events for the online calendar, use the approved OJJDP presentation template, and record events and provide the final files which are compliant with Section 508 of the Workforce Rehabilitation Act to OJJDP or OJJDP’s representative. For more information on Section 508 of the Workforce Rehabilitation Act, visit [www.section508.gov](http://www.section508.gov).

- **Training information sharing.** OJP will collect information from its program offices on OJP-funded training and technical assistance events. Award recipients must use OJJDP’s standard electronic training request form, submit information to NTTAC on all training events (e.g., name of requestor, description of request, dates of event) 30 days in advance of the event date, and report additional data, as OJJDP requires.

The Goals, Objectives, and Deliverables are directly related to the performance measures that demonstrate the results of the work completed, as discussed under **What an Application Should Include.**

**Evidence-Based Programs or Practices**  
OJP strongly emphasizes the use of data and evidence in policymaking and program development in criminal justice, juvenile justice, and crime victim services. For additional information and resources on evidence-based programs or practices, see the [OJP Grant Application Resource Guide](http://www.ojjdp.gov/).

**Information Regarding Potential Evaluation of Programs and Activities**  
Applicants should note that OJP may conduct or support an evaluation of the programs and activities funded under this solicitation. For additional information, see the [OJP Grant Application Resource Guide](http://www.ojjdp.gov/) section titled “Information Regarding Potential Evaluation of Programs and Activities.”

**B. Federal Award Information**

| Total amount anticipated to be awarded under solicitation | $1,800,000 |
| Period of performance start date | October 1, 2020 |
| Period of performance duration | 15 months |

OJJDP may, in certain cases, provide additional funding in future years to awards made under this solicitation, through continuation awards. In making decisions regarding continuation awards, OJP will consider, among other factors, OJP’s strategic priorities, a recipient’s overall management of the award, and progress of award-funded work, when making continuation award decisions.
Under this solicitation, only one application by any particular applicant entity will be considered. An entity may, however, be proposed as a subrecipient (subgrantee) in more than one application. All awards are subject to the availability of appropriated funds and to any modifications or additional requirements that may be imposed by law.

**Type of Award**

OJJDP expects to make awards under this solicitation as cooperative agreements, which provide for OJP to have substantial involvement in carrying out award activities. See the “Administrative, National Policy, and Other Legal Requirements” section of the OJP Grant Application Resource Guide for additional information.

**Financial Management and System of Internal Controls**

Award recipients and subrecipients (including recipients or subrecipients that are pass-through entities) must, as described in the Part 200 Uniform Requirements

1 as set out at 2 C.F.R. 200.303, comply with standards for financial and program management. See the OJP Grant Application Resource Guide for additional information.

**Budget Information**

**Cost Sharing or Match Requirement**

This solicitation does not require a match.

**C. Eligibility Information**

For eligibility information, see the title page.

For information on cost sharing or match requirements, see Cost Sharing or Match Requirement.

**D. Application and Submission Information**

This solicitation expressly modifies the OJP Grant Application Resource Guide by not incorporating the “Disclosure of Process Related to Executive Compensation” provisions in the “Application Attachments” section of the OJP Grant Application Resource Guide.

**What an Application Should Include**

The following application elements MUST be included in the application submission for an application to meet the basic minimum requirements (BMR) to advance to peer review and receive consideration for funding: Program Narrative, Budget Detail Worksheet (including Budget Narrative).

---

1 The "Part 200 Uniform Requirements" means the DOJ regulation at 2 C.F.R Part 2800, which adopts (with certain modifications) the provisions of 2 C.F.R. Part 200.
See the “Application Elements and Formatting Instructions” section of the OJP Grant Application Resource Guide for information on what happens to an application that does not contain all of the specified elements or that is nonresponsive to the scope of the solicitation.

1. Application for Federal Assistance (Standard Form (SF)-424)

The SF-424 is a required standard form used as a cover sheet for submission of preapplications, applications, and related information. See the OJP Grant Application Resource Guide for additional information on completing the SF-424.

Intergovernmental Review: This solicitation (“funding opportunity”) is not subject to Executive Order 12372. (In completing the SF-424, an applicant is to answer question 19 by selecting the response that the “Program is not covered by E.O. 12372.”)

2. Project Abstract

Applications should include a project abstract that summarizes the proposed project in no more than 400 words. Project abstracts should be—

- Written for a general public audience.
- Submitted as a separate attachment with “Project Abstract” as part of its file name.
- Single-spaced, using a standard 12-point Times New Roman font with 1-inch margins.

The abstract should briefly describe the project’s purpose, the population to be served, and the activities that the applicant will implement to achieve the project’s goals and objectives. The abstract should describe how the applicant will measure progress toward these goals. The abstract should indicate whether the applicant will use any portion of the project budget to conduct research, as described in Note on Project Evaluations on page 10. All project abstracts should follow the detailed template available at www.ojp.gov/funding/Apply/Resources/ProjectAbstractTemplate.pdf.

As a separate attachment, the project abstract will not count against the page limit for the program narrative.

3. Program Narrative

Applicants must submit a program narrative that presents a detailed description of the purpose, goals, objectives, strategies, design, and management of the proposed program. The program narrative should be double-spaced with 1-inch margins, not exceeding 30 pages of 8½ by 11 inches, and use a standard 12-point Times New Roman font. Pages should be numbered “1 of 30,” etc. The tables, charts, pictures, etc., including all captions, legends, keys, subtext, etc., may be single-spaced and will count in the 30-page limit.

Material required under the Budget and Budget Narrative and Additional Attachments sections will not count toward the program narrative page count. Applicants may provide bibliographical references as a separate attachment that will not count toward the 30-page program narrative limit. If the program narrative fails to comply with these length-related restrictions, OJJDP may negatively consider such noncompliance in peer review and in final award decisions.

The program narrative should address the following selection criteria: (1) statement of the problem, (2) program design and implementation, (3) capabilities/competencies, and (4)
plan for collecting the data required for this solicitation’s performance measures. The applicant should clearly delineate the connections between and among each of these sections. For example, the applicant should derive the goals and objectives directly from the problems to be addressed. Similarly, the project design section should clearly explain how the program’s structure and activities will accomplish the goals and objectives identified in the previous section.

The following sections should be included as part of the program narrative:

a. **Statement of the Problem.** Applicants should briefly describe the nature and scope of the need for training and technical assistance on effective responses to missing and exploited children’s issues for multidisciplinary teams of prosecutors, state and local law enforcement, child protection personnel, medical providers, and other child-serving professionals. The applicant should use data to provide evidence that the need exists, demonstrate the size and scope of the problem, and document the effects of the problem on the target population and the larger community. Applicants should describe the target population and any previous or current attempts to implement a training and technical assistance program.

Applicants should describe any research or evaluation studies that relate to the problem and contribute to their understanding of its causes and potential solutions. While OJJDP expects applicants to review the research literature for relevant studies, they should also explore whether unpublished local sources of research or evaluation data are available.

b. **Project Design and Implementation.** Applicants should detail how the project will operate throughout the funding period and describe the strategies that they will use to achieve the goals and objectives identified. Applicants should describe how they will complete the deliverables stated in the Goals, Objectives, and Deliverables section on page 4. OJJDP encourages applicants to select evidence-based practices for their programs.

This section should also include details regarding any leveraged resources (cash or in-kind) from local sources to support the project and discuss plans for sustainability beyond the grant period.

**Timeline.** Applicants should submit a realistic timeline or milestone chart that indicates major tasks associated with the goals and objectives of the project, assigns responsibility for each, and plots completion of each task by month or quarter for the duration of the award, using “Year 1,” “Month 1,” “Quarter 1,” etc., not calendar dates (see “Sample Project Timelines” here).

Applicants should submit the timeline as a separate attachment, as stipulated in Additional Attachments, page 11. On receipt of an award, the recipient may revise the timeline, based on training and technical assistance that OJJDP will provide.

c. **Capabilities and Competencies.** This section should describe the experience and capability of the applicant organization and any contractors or subgrantees that the applicant will use to implement and manage this effort and its associated federal funding, highlighting any previous experience implementing projects of similar design or magnitude. Applicants should highlight their experience/capability/capacity to manage subawards, including details on their system for fiscal accountability. Management and
staffing patterns should be clearly connected to the project design described in the previous section. Applicants should describe the roles and responsibilities of project staff and explain the program’s organizational structure and operations. Applicants should include a copy of an organizational chart showing how the organization operates, including who manages the finances; how the organization manages subawards, if there are any; and the management of the project proposed for funding.

d. **Plan for Collecting the Data Required for This Solicitation’s Performance Measures.** OJP will require each successful applicant to submit regular performance data that demonstrate the results of the work carried out under the award. The performance data directly relate to the goals, objectives, and deliverables identified under "Goals, Objectives, and Deliverables."

Applicants should visit OJP’s performance measurement page at [www.ojp.gov/performance](http://www.ojp.gov/performance) for an overview of performance measurement activities at OJP.

Award recipients will be required to provide the relevant data by submitting semi-annual performance metrics through OJJDP’s online Performance Measurement Tool (PMT), located at [https://ojppsso.ojp.gov/](https://ojppsso.ojp.gov/). Applicants should review the complete list of performance measures for this solicitation here: [Training and Technical Assistance Providers Performance Measures Grid](#).

The application should demonstrate the applicant’s understanding of the performance data reporting requirements for this grant program and detail how the applicant will gather the required data should it receive funding.

Please note that applicants are **not** required to submit performance data with the application. Performance measures information is included as an alert that successful applicants will be required to submit performance data as part of the reporting requirements under an award.

**Note on Project Evaluations**

An applicant that proposes to use award funds through this solicitation to conduct project evaluations should follow the guidance under Note on Project Evaluations in the [OJP Grant Application Resource Guide](#).

2 A “DOJ High Risk Grantee” is a recipient that has received a DOJ High Risk designation based on a documented history of unsatisfactory performance, financial instability, management system or other
10. Research and Evaluation Independence and Integrity

If an application proposes research (including research and development) and/or evaluation, the applicant must demonstrate research/evaluation independence and integrity, including appropriate safeguards, before it may receive award funds. E. Application Review Information

Review Criteria
Applications that meet basic minimum requirements will be evaluated by peer reviewers using the following review criteria.

1. Statement of the Problem (10%)
2. Project Design and Implementation (40%)

Budget narratives should demonstrate cost effectiveness in relation to potential alternatives and the goals of the project.³

³ Generally speaking, a reasonable cost is a cost that, in its nature or amount, does not exceed that which would be incurred by a prudent person under the circumstances prevailing at the time the decision was made to incur the costs.
Review Process
OJP is committed to ensuring a fair and open process for making awards. OJJDP reviews the application to make sure that the information presented is reasonable, understandable, measurable, achievable, and consistent with the solicitation. See the OJP Grant Application Resource Guide for information on the application review process for this solicitation.

Important note on FAPIIS: An applicant, at its option, may review and comment on any information about itself that currently appears in FAPIIS and was entered by a federal awarding agency. OJP will consider any such comments by the applicant, in addition to the other information in FAPIIS, in its assessment of the risk posed by the applicant.

Absent explicit statutory authorization or written delegation of authority to the contrary, all final award decisions will be made by the Assistant Attorney General, who may take into account not only peer review ratings and OJJDP recommendations, but also other factors as indicated in this section.
