# OJJDP FY 2013 Internet Crimes Against Children Task Force National Training Program (CFDA #16.543)

## Overview

OJJDP seeks to identify training providers to serve the Internet Crimes Against Children (ICAC) task force program. The state and regional ICAC task forces work collaboratively as a national network of law enforcement and prosecutorial agencies that prevent, interdict, and investigate technology-facilitated child sexual exploitation and Internet crimes against children. This program furthers the Department's mission to provide training and support in this area of constantly evolving technology.

This grant program is authorized by the Providing Resources, Officers, and Technology to Eradicate Cyber Threats to Our Children Act (PROTECT Act) of 2008, (P.L. 110-401, 42 USC 17601, et seq.).

## Deadlines: Registration and Application

Applicants must register with Grants.gov to submit an application. OJP encourages applicants to **register several weeks before** the application submission deadline. In addition, OJP urges applicants to submit applications at least **72 hours prior to the due date** of the application to allow time to receive the validation message and to correct any problems that may have caused a rejection notification. The deadline to apply for funding under this announcement is 11:59 p.m. eastern time on May 28, 2013. See How To Apply, page 18, for details.

## Eligibility

Eligible applicants are limited to nonprofit and for-profit organizations (including tribal nonprofit and for-profit organizations), and institutions of higher education (including tribal institutions of higher education). *For-profit organizations must agree to forgo any profit or management fee.*

## Program-Specific Information

The ICAC program supports a national network of 61 multiagency, multijurisdictional task forces engaged in investigations, forensic examinations, and prosecutions related to technology-facilitated child sexual exploitation. Additionally, the task forces provide forensic and investigative technical assistance to law enforcement and prosecutorial officials and community education information to parents, educators, prosecutors, law enforcement, and others concerned with child victimization.

The successful applicant will provide training to ICAC task forces and affiliated federal, state, and local law enforcement and prosecutorial agencies in the areas of investigation, forensics, prosecution, community outreach, and capacity building, using recognized experts to assist in the development and delivery of content. The successful applicant will consult with OJJDP, who will provide input and guidance on training topics, publications, manuals, training conferences, and other substantive issues and deliverables.

## Goals, Objectives, and Deliverables

OJJDP seeks innovative approaches to designing and delivering training to support the ICAC task force network that includes law enforcement, prosecutors, computer forensic specialists, and other related partnering agencies/organizations. OJJDP is particularly interested in approaches that deliver effective, cost-efficient training through a combination of traditional classroom instruction and distance and online learning technologies. Proposed approaches should clearly demonstrate the applicant's knowledge, understanding, and experience in the following tasks:

- delivering training to law enforcement, prosecutors, computer forensic specialists, or other criminal justice professionals.
- developing and maintaining a cadre of experts who can conduct training on the national, state, and local levels through both traditional and nontraditional teaching modalities.
- conducting evaluation and assessment of training outcomes.

This solicitation offers three training categories. Applicants must clearly designate under which category they are applying. Applicants may submit applications for one or more of the purpose areas listed below. Each purpose area requires a separate application, and OJJDP will not consider applications combining training in different purpose areas.

**Category 1: Entry Level and Core Training.** The successful applicant(s) will deliver training programs already developed for ICAC investigators, including, but not limited to, ICAC Investigative Techniques, ICAC Under Cover Chat Investigations and peer-to-peer investigations. (OJJDP will supply copies of course outlines to interested applicants on request. See contact information, page 1.) Applicants should be prepared to modify existing training delivery mechanisms to increase efficiency and cost effectiveness. OJJDP will expect the successful applicant to propose other courses and training products targeting the development of core knowledge related to ICAC investigations.

**Category 2: Digital Evidence Forensics.** The successful applicant(s) will develop training opportunities focused on forensic analyses of computers, cell phones, wireless networks, video games, and other digital devices that may contain evidence of a crime.

**Category 3: Officer Wellness.** The successful applicant(s) will develop training to assist law enforcement, police agency command staff, and mental health professionals experiencing vicarious trauma due to long-term and repeated exposure to child exploitation images as part of their work responsibilities.

The award recipients will coordinate the development of new training with OJJDP. Successful applicants will:

- provide other technical support, determined in consultation with OJJDP, in developing a training mission; coordinating special meetings of grantees/practitioners; and developing special reports, brochures, best practices papers, etc.

- perform all logistics to support regional and site-specific training, such as program marketing, participant applications and acceptance, consultant coordination and travel, and meeting/lodging space acquisition, according to federal regulations.
- provide, in conjunction with the ICAC program support provider, a mechanism for evaluating and assessing measurable outcomes (i.e., long-term knowledge retention) of training and technical assistance activities, to include pre- and post-event assessment, and a 6-month post-event assessment of retained knowledge and skills.
- maintain, in concert with OJJDP, state-of-the-art curricula and materials through systematic review, assessment, and revision.
- contribute content for the OJJDP Web site for the effective dissemination and communication of training and technical assistance services and products, as OJJDP deems suitable.

OJJDP expects to modify tasks and specifications as the Office identifies emerging training needs. The assigned OJJDP program manager must approve all changes to the proposed scope of work.

For the purpose of this cooperative agreement, successful applicants must clearly identify OJJDP as the federal agency responsible for all documents, trainings, and materials created with grant funds.

DOJ, as the awarding agency, reserves a royalty free, nonexclusive, and irrevocable license to reproduce, publish, or otherwise use and authorize others to use, for federal government purposes, the copyright of any work developed under an award or subaward and any rights of copyright to which a recipient or subrecipient purchases ownership with award support. Applicants should plan training events in conjunction with other relevant conferences and events, as appropriate, to maximize participation and cost effectiveness. When the project ends, the awardee will be required to transfer products to OJJDP.

### **Evidence-based Programs or Practices**

OJP strongly emphasizes the use of data and evidence in policymaking and program development in criminal justice. OJP is committed to:

- improving the quantity and quality of evidence OJP generates;
- integrating evidence into program, practice, and policy decisions within OJP and the field; and
- improving the translation of evidence into practice.

OJP considers programs and practices to be evidence-based when their effectiveness has been demonstrated by causal evidence, generally obtained through one or more outcome evaluations. Causal evidence documents a relationship between an activity or intervention (including technology) and its intended outcome, including measuring the direction and size of a change, and the extent to which a change may be attributed to the activity or intervention. Causal evidence depends on the use of scientific methods to rule out, to the extent possible,

alternative explanations for the documented change. The strength of causal evidence, based on the factors described above, will influence the degree to which OJP considers a program or practice to be evidence-based. OJP's [CrimeSolutions.gov](http://CrimeSolutions.gov) and OJJDP's [Model Program Guide](#) Web sites are two resources that applicants may use to find information about evidence-based programs in criminal justice, juvenile justice, and crime victim services.

## **Amount and Length of Awards**

**Category 1: Entry Level and Core Training. Competition ID: OJJDP- 2013-3567.** OJJDP expects to make cooperative agreements of as much as \$1.650 million for entry and core level training.

**Category 2: Digital Evidence Forensics. Competition ID: OJJDP-2013-3568.** OJJDP expects to make cooperative agreements of as much as \$1 million for digital forensic training.

**Category 3: Officer Wellness. Competition ID: OJJDP-2013-3588.** OJJDP expects to make cooperative agreements of as much as \$400,000 for officer wellness training.

Each award will be for a 12-month project period. Based on the availability of funds and determination of successful performance, OJJDP may provide continuation funding for as many as two additional 12-month increments.

In furtherance of the goals and objectives described above, OJJDP's role will include the following tasks:

- reviewing and approving major work plans, including changes to such plans, and key decisions pertaining to project operations.
- reviewing and approving major project-generated documents and materials used in the provision of project services.
- providing guidance in significant project planning meetings and participating in project sponsored training events or conferences.

Applicants should budget funds for as many as two persons to attend as many as four 2-day ICAC grantees' meetings per year, the ICAC national training conference (once each year), and two meetings per year in Washington, DC, to meet with OJJDP program staff.

All awards are subject to the availability of appropriated funds and to any modifications or additional requirements that may be imposed by law.

## **Budget Information**

**Limitation on Use of Award Funds for Employee Compensation, Waiver.** With respect to any award of more than \$250,000 made under this solicitation, recipients may not use federal funds to pay total cash compensation (salary plus cash bonuses) to any employee of the award recipient at a rate that exceeds 110 percent of the maximum annual salary payable to a member of the Federal Government's Senior Executive Service (SES) at an agency with a Certified SES Performance Appraisal System for that year. The 2012 salary table for SES employees is available at [www.opm.gov/oca/12tables/indexSES.asp](http://www.opm.gov/oca/12tables/indexSES.asp). Note: A recipient may compensate an employee at a greater rate, provided the amount in excess of this compensation limitation is

paid with non-federal funds. (Any such additional compensation will not be considered matching funds where match requirements apply.)

The Assistant Attorney General for OJP may exercise discretion to waive, on an individual basis, the limitation on compensation rates allowable under an award. An applicant requesting a waiver should include a detailed justification in the budget narrative of the application. Unless the applicant submits a waiver request and justification with the application, the applicant should anticipate that OJP will request the applicant to adjust and resubmit the budget.

The justification should include the particular qualifications and expertise of the individual, the uniqueness of the service the individual will provide, the individual's specific knowledge of the program or project being undertaken with award funds, and a statement explaining that the individual's salary is commensurate with the regular and customary rate for an individual with his/her qualifications and expertise, and for the work to be done.

**Minimization of Conference Costs.** OJP encourages applicants to review the guidance on conference approval, planning, and reporting that is available on the OJP Web site at [www.ojp.gov/funding/confcost.htm](http://www.ojp.gov/funding/confcost.htm). This guidance sets out the current OJP policy, which requires all funding recipients that propose to hold or sponsor conferences (including meetings, trainings, and other similar events) to minimize costs, requires OJP review and prior written approval of most conference costs for cooperative agreement recipients (and certain costs for grant recipients) and generally prohibits the use of OJP funding to provide food and beverages at conferences. The guidance also sets upper limits on many conference costs, including facility space, audio/visual services, logistical planning services, programmatic planning services, and food and beverages (in the rare cases where food and beverage costs are permitted at all).

Prior review and approval of conference costs can take time (see the guidance for specific deadlines), and applicants should take this into account when submitting proposals. Applicants also should understand that conference cost limits may change and that they should check the guidance for updates before incurring such costs.

**Note on food and beverages.** OJP may make exceptions to the general prohibition on using OJP funding for food and beverages but will do so only in rare cases where food and beverages are not otherwise available (e.g., in extremely remote areas), the size of the event and capacity of nearby food and beverage vendors would make it impractical to not provide food and beverages, or a special presentation at a conference requires a plenary address where conference participants have no other time to obtain food and beverages. Any such exception requires OJP's prior written approval. The restriction on food and beverages does not apply to water provided at no cost but does apply to any and all other refreshments, regardless of the size or nature of the meeting. Additionally, this restriction does not affect direct payment of per diem amounts to individuals in a travel status under your organization's travel policy.

**Costs Associated with Language Assistance (if applicable).** If an applicant proposes a program or activity that would deliver services or benefits to individuals, the costs of taking reasonable steps to provide meaningful access to those services or benefits for individuals with limited English proficiency may be allowable. Reasonable steps to provide meaningful access to services or benefits may include interpretation or translation services where appropriate.

For additional information, see the "Civil Rights Compliance" section of the OJP "Other Requirements for OJP Applications" Web page at [www.ojp.usdoj.gov/funding/other\\_requirements.htm](http://www.ojp.usdoj.gov/funding/other_requirements.htm).

**Match Requirement.** This solicitation does not require a match. However, if a successful application proposes a voluntary match amount, and OJP approves the budget, the total match amount incorporated into the approved budget becomes mandatory and subject to audit.

## Performance Measures

To assist the Department with fulfilling its responsibilities under the Government Performance and Results Act of 1993 (GPRA), Public Law 103-62, and the GPRA Modernization Act of 2010, Public Law 111-352, applicants that receive funding under this solicitation must provide data that measure the results of their work done under this solicitation. OJP will require any award recipient, post award, to provide the data requested in the “Data Grantee Provides” column so that OJP can calculate values for the “Performance Measures” column. OJJDP will require award recipients to submit semiannual performance metrics of relevant data through the Data Reporting Tool (DCTAT) located [www.ojjdp-dctat.org/](http://www.ojjdp-dctat.org/). Performance measures for this solicitation are as follows:

Objective	Performance Measure(s)	Data Grantee Provides
<p>The primary objective will be the development of specific training programs and delivery of training and technical assistance to law enforcement and other service providers.</p> <p>The deliverables (training, technical assistance, supportive materials) should be directed toward the continuation, expansion, and enhancement of the Department of Justice’s Internet Crimes Against Children program.</p>	Percentage of organizations reporting improvements in operations based on training and technical assistance.	<p>Number of organizations who received training and technical assistance.</p> <p>Number-of organizations reporting improvements in operations based on training and technical assistance (determined by pre- and post-testing).</p>

OJP does not require applicants to submit performance measures data with their applications. Instead, applicants should discuss in their application their proposed methods for collecting data for performance measures. Refer to the section What an Application Is Expected To Include on page 10 for additional information.

## Project Evaluations

Applicants that propose to use funds awarded through this solicitation to conduct project evaluations or statistical data collections should be aware that these activities (such as systematic investigations to develop or contribute to generalizable knowledge) may constitute research, which is defined as follows:

**Research** means a systematic investigation, including research development, testing, and evaluation, designed to develop or contribute to generalizable knowledge. Activities that meet this definition constitute research for the purposes of this policy, whether or not they are conducted or supported under a program that is considered research for other purposes. For example, some demonstration and service programs may include research activities (28 C.F. R. § 46.102(d)). The following information pertains to applications that propose to conduct research and involves human subjects:

DOJ regulations (28 C.F.R. Part 46) protect the human subjects of federally funded research. In brief, 28 C.F.R. Part 46 requires that an Institutional Review Board, in accordance with the regulations, review and approve most research involving human subjects that any federal department or agency conducts or supports before an award recipient may expend federal funds for that research. As a rule, persons who participate in federally funded research must provide their informed consent and must be permitted to terminate their participation at any time. Funding recipients, before OJP will allow them to spend federal funds on any research activity involving human subjects, must submit appropriate documentation showing compliance with 28 C.F.R. Part 46 requirements, as OJP requests.

DOJ regulations (28 C.F.R. Part 22) require recipients of OJP funding to submit a Privacy Certificate as a condition of approval of any grant application or contract proposal that contains a research or statistical component under which information identifiable to a private person will be collected, analyzed, used, or disclosed. The funding recipient's Privacy Certificate includes a description of its policies and procedures to be followed to protect the confidentiality of identifiable data (28 C.F.R. § 22.23). The Department's regulations provide, among other matters, that: "Research or statistical information identifiable to a private person may be used only for research or statistical purposes (28 C.F.R. § 22.21)." Moreover, any private person from whom information identifiable to a private person is collected or obtained (either orally or by means of written questionnaire or other document) must be advised that the information will only be used or disclosed for research or statistical purposes and that compliance with the request for information is voluntary and may be terminated at any time (28 C.F.R. § 22.27).

OJP has developed a decision tree ([www.ojp.usdoj.gov/funding/pdfs/decision\\_tree.pdf](http://www.ojp.usdoj.gov/funding/pdfs/decision_tree.pdf)) to assist applicants in assessing whether an activity they plan to undertake with OJP funds may constitute research involving human subjects. **Applicants should review this decision tree and include a statement in their application narrative that clarifies if they intend to use any information from a project evaluation or data collection to contribute to generalizable knowledge or if they intend to use the information solely for internal improvements and/or to meet OJP's performance measures data reporting requirements.** If an application

includes a research, demonstration evaluation, or statistical data collection component, OJP will examine that component to determine whether it meets the definition of research.

For additional information visit the “Research and Protection of Human Subjects” and the “Confidentiality” sections of the OJP “Other Requirements” Web page at [www.ojp.usdoj.gov/funding/other\\_requirements.htm](http://www.ojp.usdoj.gov/funding/other_requirements.htm).

## **Notice of Post-Award FFATA Reporting Requirement**

Applicants should anticipate that OJP will require all recipients (other than individuals) of awards of \$25,000 or more under this solicitation, consistent with the Federal Funding Accountability and Transparency Act of 2006 (FFATA), to report award information on any first-tier subawards totaling \$25,000 or more, and, in certain cases, to report information on the names and total compensation of the five most highly compensated executives of the recipient and first-tier subrecipients. Each applicant entity must ensure that it has the necessary processes and systems in place to comply with the reporting requirements should it receive funding. Reports regarding subawards will be made through the FFATA Subaward Reporting System (FSRS), found at [www.fsrs.gov](http://www.fsrs.gov).

Please note also that applicants should anticipate that no subaward of an award made under this solicitation may be made to a subrecipient (other than an individual) unless the potential subrecipient acquires and provides a Data Universal Numbering System (DUNS) number.

## **What an Application Is Expected To Include**

Applicants should expect that if they fail to submit an application that contains all of the specified elements, it may negatively affect the review of their application; and, should OJJDP decide to make an award, it may result in the inclusion of special conditions that preclude the recipient from accessing or using award funds pending satisfaction of the conditions.

Moreover, applicants should anticipate that some application elements are so critical that applications that do not respond to the scope of the solicitation, do not meet the eligibility requirements, do not request funding within the funding limit, or do not include the application elements that OJJDP has designated to be critical will neither proceed to peer review nor receive further consideration. Under this solicitation, OJJDP has designated the following application elements as critical: Program Narrative, Budget Detail Worksheet or Budget Narrative.

OJP strongly recommends that applicants use appropriately descriptive file names (e.g., “Program Narrative,” “Budget Detail Worksheet and Budget Narrative,” “Timelines,” “Memoranda of Understanding,” “Resumes”) for all attachments. Also, OJP recommends that applicants include resumes in a single file.

### **1. Information to Complete the Application for Federal Assistance (SF-424)**

The SF-424 is a required standard form used as a cover sheet for submission of pre-applications, applications, and related information. Grants.gov and GMS take information from the applicant’s profile to populate the fields on this form. When selecting “type of applicant,” if the applicant is a for-profit entity, select “For-Profit Organization” or “Small Business” (as applicable).

## 2. Abstract

Applications should include a high-quality abstract that summarizes the proposed project in 400 words or less. Abstracts should be:

- written for a general public audience.
- submitted as a separate attachment with “Project Abstract” as part of its file name.
- single-spaced, using a standard 12-point font (Times New Roman) with 1-inch margins.

As a separate attachment, the project abstract will **not** count against the page limit for the program narrative.

The abstract should briefly describe the project’s purpose, the population to be served, and the activities that the applicant will implement to achieve the project’s goals and objectives. The abstract should describe how the applicant will measure progress toward these goals. The abstract should clearly state which category the applicant is applying under. The abstract should indicate whether any portion of the project budget will be used to conduct research as described in Project Evaluations on page 9.

All project abstracts should follow the detailed template available at [www.ojp.usdoj.gov/funding/Project\\_Abstract\\_Template.pdf](http://www.ojp.usdoj.gov/funding/Project_Abstract_Template.pdf).

**Permission to Share Project Abstract with the Public.** It is unlikely that OJJDP will be able to fund all promising applications submitted under this solicitation, but it may have the opportunity to share information with the public regarding promising but unfunded applications, for example, through a listing on a Web page available to the public. This public posting would allow other possible funders to become aware of such proposals.

The project abstract template asks applicants to indicate whether they give OJP permission to share their project abstract (including contact information) with the public. Granting (or failing to grant) this permission will not affect OJP’s funding decisions, and, if the application is not funded, granting permission will not guarantee that abstract information will be shared, nor will it guarantee funding from any other source.

**Note:** OJP may choose not to list a project that otherwise would have been included in a listing of promising but unfunded applications, should the abstract fail to meet the format and content requirements noted above and outlined in the project abstract template.

## 3. Program Narrative

Applicants must submit a program narrative that presents a detailed description of the purpose, goals, objectives, strategies, design, and management of the proposed program. The program narrative should be double-spaced with 1-inch margins, not exceeding 30 pages of 8½ by 11 inches, and use a standard 12-point font, preferably Times New Roman. Pages should be numbered “1 of 30,” etc. The tables, charts, pictures, etc., including all captions, legends, keys, subtext, etc., may be single-spaced and will count in the 30-page limit. Material required under the Budget and Budget Narrative and Additional Attachments sections will not count toward the program narrative page count. Applicants may provide

bibliographical references as a separate attachment that will not count toward the 30-page program narrative limit. If the program narrative fails to comply with these length-related restrictions, OJJDP may consider such noncompliance in peer review and in final award decisions.

The program narrative should address the following selection criteria: (1) statement of the problem; (2) goals, objectives, and performance measures; (3) program design and implementation; and (4) capabilities/competencies. The applicant should clearly delineate the connections between and among each of these sections. For example, the applicant should derive the goals and objectives directly from the problems to be addressed. Similarly, the project design section should clearly explain how the program's structure and activities will accomplish the goals and objectives identified in the previous section.

The following sections should be included as part of the program narrative.

- a. **Statement of the Problem.** Applicants should briefly describe the need for training and technical assistance to be provided to the ICAC task force network. The applicant should use data to provide evidence that the need exists, demonstrate the size and scope of the need, and document the effects of the need has on the ICAC task force and the larger community. Applicants should describe the target population and any previous or current attempts to address the need of training and technical assistance. .
- b. **Goals, Objectives, and Performance Measures.** Applicants should describe the goals of the proposed program and identify its objectives. When formulating the program's goals and objectives, applicants should be cognizant of the performance measures that OJJDP will require successful applicants to provide.

**Goals.** Applicants should describe the program's intent to deliver training and technical assistance.

**Program Objectives.** Applicants should explain how the program will accomplish its goals. Objectives are specific, quantifiable statements of the project's desired results. They should be clearly linked to the problem identified in the preceding section and measurable.

**Performance Measures.** OJJDP does not require applicants to submit performance measures data with their applications. Performance measures (see Performance Measures, page 8) are included as an alert that OJJDP will require successful applicants to submit specific data as part of their reporting requirements. For the application, applicants should indicate an understanding of these requirements and discuss how they will gather the required data, should they receive funding.

OJJDP encourages award recipients to use information from existing program records to fulfill performance measures reporting requirements rather than initiating new data collection activities for this purpose.

- c. **Project Design and Implementation.** Applicants should detail how the training program will operate throughout the funding period and describe the strategies that they will use to achieve the goals and objectives identified in the previous section. Applicants should describe how they will complete the deliverables stated in the Goals, Objectives, and Deliverables section on page 4.

This section should also include details regarding any leveraged resources (cash or in-kind) from local sources to support the project and discuss plans for sustainability beyond the grant period.

**Timeline.** Applicants should submit a realistic timeline or milestone chart that indicates major tasks associated with the goals and objectives of the project, assigns responsibility for each, and plots completion of each task by month or quarter for the duration of the award, using “Year 1,” “Month 1,” “Quarter 1,” etc., not calendar dates (see “Sample Project Timelines” at [www.ojjdp.gov/grantees/timelines.html](http://www.ojjdp.gov/grantees/timelines.html)).

Applicants should submit the timeline as a separate attachment, as stipulated in Other Attachments, page 15. On receipt of an award, the recipient may revise the timeline, based on training and technical assistance that OJJDP will provide.

- d. Capabilities and Competencies.** This section should describe the experience and capability of the applicant organization and any contractors or subgrantees that the applicant will use to implement and manage this effort and its associated federal funding, highlighting any previous experience implementing projects of *similar* design or magnitude. Applicants should highlight their experience/capability/capacity to manage subawards, including details on their system for fiscal accountability. Management and staffing patterns should be clearly connected to the project design described in the previous section. Applicants should describe the roles and responsibilities of project staff and explain the program’s organizational structure and operations. A copy of the organizational chart showing how the organization operates including who is responsible for financial management and how subawards, if there are any, are to be managed should be included. In addition, an organizational chart detailing the management of the project proposed for funding should also be included.

**Letters of Support/Memoranda of Understanding.** If submitting a joint application, as described under Eligibility, page 3, applicants should provide signed and dated letters of support or memoranda of understanding for all key partners that include the following:

- expression of support for the program and a statement of willingness to participate and collaborate with it.
- description of the partner’s current role and responsibilities in the planning process and expected responsibilities when the program is operational.
- estimate of the percentage of time that the partner will devote to the planning and operation of the project.

#### **4. Budget Detail Worksheet and Budget Narrative**

Applicants should provide a budget that (1) is complete, allowable, and cost-effective in relation to the proposed activities; (2) shows the cost calculations demonstrating how they arrived at the total amount requested; and (3) provides a brief supporting narrative to link costs with project activities. The budget should cover the entire award period.

For questions pertaining to budget and examples of allowable and unallowable costs, see the OJP Financial Guide at [www.ojp.usdoj.gov/financialguide/index.htm](http://www.ojp.usdoj.gov/financialguide/index.htm).

- a. **Budget Detail Worksheet.** A sample Budget Detail Worksheet can be found at [www.ojp.gov/funding/forms/budget\\_detail.pdf](http://www.ojp.gov/funding/forms/budget_detail.pdf). Applicants that submit their budget in a different format should include the budget categories listed in the sample budget worksheet.
- b. **Budget Narrative.** The Budget Narrative should thoroughly and clearly describe every category of expense listed in the Budget Detail Worksheet. OJP expects proposed budgets to be complete, cost effective, and allowable (e.g., reasonable, allocable, and necessary for project activities).

Applicants should demonstrate in their budget narratives how they will maximize cost effectiveness of grant expenditures. Budget narratives should generally describe cost effectiveness in relation to potential alternatives and the goals of the project. For example, a budget narrative should detail why planned in-person meetings are necessary or how technology and collaboration with outside organizations could be used to reduce costs, without compromising quality.

The narrative should be mathematically sound and correspond with the information and figures provided in the Budget Detail Worksheet. The narrative should explain how the applicant estimated and calculated all costs, and how they are relevant to the completion of the proposed project. The narrative may include tables for clarification purposes but need not be in a spreadsheet format. As with the Budget Detail Worksheet, the Budget Narrative should be broken down by year.

## 5. Indirect Cost Rate Agreement (if applicable)

Indirect costs are allowed only if the applicant has a federally approved indirect cost rate. (This requirement does not apply to units of local government.) Attach a copy of the federally approved indirect cost rate agreement to the application. Applicants that do not have an approved rate may request one through their cognizant federal agency, which will review all documentation and approve a rate for the applicant organization, or, if the applicant's accounting system permits, costs may be allocated in the direct cost categories. If DOJ is the cognizant federal agency, obtain information needed to submit an indirect cost rate proposal at [www.ojp.usdoj.gov/funding/pdfs/indirect\\_costs.pdf](http://www.ojp.usdoj.gov/funding/pdfs/indirect_costs.pdf).

## 6. Additional Attachments

Applicants should submit the following information, as stipulated in the cited pages, as attachments to their application. While the materials listed below are not assigned specific point values, peer reviewers will, as appropriate, consider these items when rating applications. For example, reviewers will consider résumés and/or Letters of Support/Memoranda of Understanding when assessing "Capabilities/Competencies." Peer reviewers will not consider any additional information that the applicant submits other than that specified below.

- a. **Applicant Disclosure of Pending Applications.** Applicants are to disclose whether they have pending applications for federal assistance that include requests for funding to support the same project and that cover the identical cost items outlined in the budget narrative and worksheet in this solicitation. The disclosure should include both direct applications for federal funding (e.g., applications to federal agencies) and indirect

applications for such funding (e.g., applications to state agencies that will subaward federal funds).

OJP seeks this information to help avoid any inappropriate duplication of funding. Leveraging multiple funding sources in a complementary manner to implement comprehensive programs or projects is encouraged and is not seen as inappropriate duplication.

Applicants that have pending applications as described above are to provide the following information about applications submitted within the last 12 months:

- the federal or state funding agency.
- the solicitation name/project name.
- the point of contact information at the applicable funding agency.

Federal or State Funding Agency	Solicitation Name/Project Name	Name/Phone/E-mail for Point of Contact at Funding Agency
DOJ/COPS	COPS Hiring Program	Jane Doe, 202/000-0000; jane.doe@usdoj.gov
HHS/ Substance Abuse & Mental Health Services Administration	Drug Free Communities Mentoring Program/ North County Youth Mentoring Program	John Doe, 202/000-0000; john.doe@hhs.gov

Applicants should include the table as a separate attachment, with the file name “Disclosure of Pending Applications,” to their application. Applicants that do not have pending applications as described above are to include a statement to this effect in the separate attachment page. (e.g., “[Applicant Name] does not have pending applications submitted within the last 12 months for federally funded assistance that include requests for funding to support the same project being proposed under this solicitation and will cover the identical cost items outlined in the budget narrative and worksheet in the application under this solicitation.”)

- b. timeline or milestone chart** (see Timeline, page 13)
- c. résumés** of all key personnel
- d. organizational chart and job descriptions** outlining roles and responsibilities for all key positions
- e. letters of support/memoranda of understanding** from partner organizations (see Letters of Support/Memoranda of Understanding, page 13)
- f. evidence of nonprofit status**, e.g., a copy of the tax exemption letter from the Internal Revenue Service, if applicable
- g. evidence of for-profit status**, e.g., a copy of the articles of incorporation, if applicable.

## 7. Other Standard Forms

Additional forms that OJP may require in connection with an award are available on OJP's funding page at [www.ojp.usdoj.gov/funding/forms.htm](http://www.ojp.usdoj.gov/funding/forms.htm). For successful applicants, receipt of funds may be contingent upon submission of all necessary forms. Note in particular the following forms:

- a. [Standard Assurances](#).<sup>\*</sup> Applicants must read, certify, and submit this form in GMS prior to the receipt of any award funds.
- b. [Certifications Regarding Lobbying; Debarment, Suspension and Other Responsibility Matters; and Drug-Free Workplace Requirements](#).<sup>\*</sup> Applicants must read, certify, and submit in GMS prior to the receipt of any award funds.
- c. [Accounting System and Financial Capability Questionnaire](#). Any applicant (other than an individual) that is a non-governmental entity and that has not received any award from OJP within the past 3 years, must download, complete, and submit this form.

\* These OJP Standard Assurances and Certifications are forms that applicants accept in GMS. They are not additional forms to be uploaded at the time of application submission.

## Selection Criteria

OJJDP will use the following five selection criteria to evaluate each application, with the different weight given to each based on the percentage value listed after each individual criteria. For example, the first criteria, Statement of the Problem, is worth 15 percent of the entire score in the application review process.

1. Statement of the Problem (15 percent)
2. Goals, Objectives and Performance Measures (5 percent)
3. Project Design and Implementation (50 percent)
4. Capabilities and Competencies (25 percent)
5. Budget: complete, cost effective, and allowable (e.g., reasonable, allocable, and necessary for project activities) Budget narratives should generally demonstrate how applicants will maximize cost effectiveness of grant expenditures. Budget narratives should demonstrate cost effectiveness in relation to potential alternatives and the goals of the project.<sup>1</sup> (5 percent)

See What an Application Is Expected To Include, page 10, for the criteria that the peer reviewers will use to evaluate applications.

## Review Process

OJP is committed to ensuring a fair and open process for awarding grants. OJJDP reviews the application to make sure that the information presented is reasonable, understandable, measurable, and achievable, as well as consistent with the solicitation.

---

<sup>1</sup> Generally speaking, a reasonable cost is a cost that, in its nature or amount, does not exceed that which would be incurred by a prudent person under the circumstances prevailing at the time the decision was made to incur the costs.

Peer reviewers will review the applications submitted under this solicitation that meet basic minimum requirements. OJJDP may use either internal peer reviewers, external peer reviewers, or a combination, to review the applications. An external peer reviewer is an expert in the subject matter of a given solicitation who is NOT a current DOJ employee. An internal reviewer is a current DOJ employee who is well-versed or has expertise in the subject matter of this solicitation. A peer review panel will evaluate, score, and rate applications that meet basic minimum requirements. Peer reviewers' ratings and any resulting recommendations are advisory only. In addition to peer review ratings, considerations for award recommendations and decisions may include, but are not limited to, underserved populations, geographic diversity, strategic priorities, past performance, and available funding.

The Office of the Chief Financial Officer, in consultation with OJJDP, reviews applications for potential discretionary awards to evaluate the fiscal integrity and financial capability of applicants, examines proposed costs to determine if the Budget Detail Worksheet and Budget Narrative accurately explain project costs, and determines whether costs are reasonable, necessary, and allowable under applicable federal cost principles and agency regulations.

Absent explicit statutory authorization or written delegation of authority to the contrary, the Assistant Attorney General, who may consider factors including, but not limited to, underserved populations, geographic diversity, strategic priorities, past performance, and available funding, will make all final award decisions.

## **Additional Requirements**

Applicants selected for awards must agree to comply with additional legal requirements upon acceptance of an award. OJP encourages applicants to review the information pertaining to these additional requirements prior to submitting an application. ## How To Apply

Applicants must register with and submit applications through Grants.gov, a “one-stop storefront” to find federal funding opportunities and apply for funding, to submit an application. Find complete instructions on how to register and submit an application at [www.Grants.gov](http://www.Grants.gov). Applicants that experience technical difficulties during this process should call the Grants.gov Customer Support Hotline at **800-518-4726** or **606-545-5035**, 24 hours a day, 7 days a week, except federal holidays. Registering with Grants.gov is a one-time process; however, **processing delays may occur, and it can take several weeks** for first-time registrants to receive confirmation and a user password. OJP encourages applicants to **register several weeks before** the application submission deadline. In addition, OJP urges applicants to submit applications 72 hours prior to the application due date to allow time to receive validation messages or rejection notifications from Grants.gov, and to correct in a timely fashion any problems that may have caused a rejection notification.

**Note:** OJJDP encourages all prospective applicants to sign up for Grants.gov e-mail notifications regarding this solicitation. If this solicitation is cancelled or modified, individuals who sign up with Grants.gov for e-mail updates will be notified.

All applicants are required to complete the following steps:

1. **Acquire a DUNS number.** In general, the Office of Management and Budget requires that all applicants (other than individuals) for federal funds include a DUNS number in their applications for a new award or a supplement to an existing award. A DUNS number is a unique nine-digit sequence recognized as the universal standard for identifying and differentiating entities receiving federal funds. The identifier is used for tracking purposes and to validate address and point of contact information for federal assistance applicants,

recipients, and subrecipients. The DUNS number will be used throughout the grant life cycle. Obtaining a DUNS number is a free, one-time activity. Call Dun and Bradstreet at 866-705-5711 to obtain a DUNS number or apply online at [www.dnb.com](http://www.dnb.com). A DUNS number is usually received within 1-2 business days.

- 2. Acquire registration with the System for Award Management (SAM).** SAM replaces the Central Contractor Registration (CCR) database as the repository for standard information about federal financial assistance applicants, recipients, and subrecipients. OJP requires all applicants (other than individuals) for federal financial assistance to maintain current registrations in the SAM database. Applicants must be registered in SAM to successfully register in Grants.gov. (Previously, organizations that had submitted applications via Grants.gov were registered with CCR, as it was a requirement for Grants.gov registration. SAM registration replaces CCR as a pre-requisite for Grants.gov registration.) Applicants must **update or renew their SAM registration annually** to maintain an active status.

Applicants that were previously registered in the CCR database must, at a minimum:

- Create a SAM account.
- Log in to SAM and migrate permissions to the SAM account (all the entity registrations and records should already have been migrated).

Applicants that were not previously registered in the CCR database must register in SAM prior to registering in Grants.gov. Information about SAM registration procedures can be accessed at [www.sam.gov](http://www.sam.gov).

- 3. Acquire an Authorized Organization Representative (AOR) and a Grants.gov username and password.** Complete the AOR profile on Grants.gov and create a username and password. The applicant organization's DUNS number must be used to complete this step. For more information about the registration process, go to [www.grants.gov/applicants/get\\_registered.jsp](http://www.grants.gov/applicants/get_registered.jsp).
- 4. Acquire confirmation for the AOR from the E-Business Point of Contact (E-Biz POC).** The E-Biz POC at the applicant organization must log into Grants.gov to confirm the applicant organization's AOR. An organization can have more than one AOR.
- 5. Search for the funding opportunity on Grants.gov.** Use the following identifying information when searching for the funding opportunity on Grants.gov. The Catalog of Federal Domestic Assistance number for this solicitation is 16.543, titled "Missing Children's Assistance" and the funding opportunity number is OJJDP-2013-3542.
- 6. Select the correct Competition ID.** Some OJP solicitations posted to Grants.gov contain multiple purpose areas, denoted by the individual Competition ID. If applying to a solicitation with multiple Competition IDs, select the appropriate Competition ID for the intended purpose area of the application.
  - **Category 1: Entry Level and Core Training. Competition ID: OJJDP- 2013-3567.**
  - **Category 2: Digital Evidence Forensics. Competition ID: OJJDP-2013-3568.**

- **Category 3: Officer Wellness. Competition ID: OJJDP-2013-3588.**

- 7. Complete the Disclosure of Lobbying Activities.** All applicants must complete this information. Applicants that expend any funds for lobbying activities must provide the detailed information requested on the form, *Disclosure of Lobbying Activities* (SF-LLL). Applicants that do not expend any funds for lobbying activities should enter “N/A” in the required highlighted fields.
- 8. Submit an application consistent with this solicitation by following the directions in Grants.gov.** Within 24–48 hours after submitting the electronic application, the applicant should receive an e-mail validation message from Grants.gov. The message will state whether the application has been received and validated, or rejected due to errors, with an explanation. **Important:** OJP urges applicants to submit applications **at least 72 hours prior** of the application due date to allow time to receive validation messages or rejection notifications from Grants.gov, and to correct in a timely fashion any problems that may have caused a rejection notification.

**Note: Grants.gov only permits the use of specific characters in names of attachment files. Valid file names may only include the following characters: A-Z, a-z, 0-9, underscore ( \_ ), hyphen (-), space, and period. Grants.gov will forward the application to OJP’s Grants Management System (GMS). GMS does not accept executable file types as application attachments.** These disallowed file types include, but are not limited to, the following extensions: “.com,” “.bat,” “.exe,” “.vbs,” “.cfg,” “.dat,” “.db,” “.dbf,” “.dll,” “.ini,” “.log,” “.ora,” “.sys,” and “.zip.”

**Note: Duplicate Applications.** If an applicant submits multiple versions of an application, OJJDP will review the most recent version submitted.

### **Experiencing Unforeseen Grants.gov Technical Issues**

Applicants that experience unforeseen Grants.gov technical issues that prevent them from submitting their application by the deadline must e-mail the Justice Information Center (see Page 1 for contact information) **within 24 hours after the application deadline** and request approval to submit their application. The e-mail must describe the technical difficulties and include a timeline of the applicant’s submission efforts, the complete grant application, the applicant’s DUNS number, and any Grants.gov Help Desk or SAM tracking number(s). **Note: OJJDP does not automatically approve requests.** After OJJDP reviews the submission and contacts the Grants.gov or SAM Help Desks to validate the reported technical issues, OJP will inform the applicant whether the request to submit a late application has been approved or denied. If the technical issues reported cannot be validated, OJP will reject the application as untimely.

The following conditions are not valid reasons to permit late submissions: (1) failure to register in sufficient time, (2) failure to follow Grants.gov instructions on how to register and apply as posted on its Web site, (3) failure to follow each instruction in the OJP solicitation, and (4) technical issues with the applicant’s computer or information technology environment, including firewalls.

Notifications regarding known technical problems with Grants.gov, if any, are posted at the top of the OJP funding Web page at [www.ojp.usdoj.gov/funding/solicitations.htm](http://www.ojp.usdoj.gov/funding/solicitations.htm).

## Provide Feedback to OJP on This Solicitation

To assist OJP in improving its application and award processes, we encourage applicants to provide feedback on this solicitation, the application submission process, and/or the application review/peer review process. Provide feedback to [OJPSolicitationFeedback@usdoj.gov](mailto:OJPSolicitationFeedback@usdoj.gov).

**IMPORTANT:** This e-mail is for feedback and suggestions only. Replies are **not** sent from this mailbox. If you have specific questions on any program or technical aspect of the solicitation, **you must** directly contact the appropriate number or e-mail listed on the front of this solicitation document. These contacts are provided to help ensure that you can directly reach an individual who can address your specific questions in a timely manner.

If you are interested in being a reviewer for other OJP grant applications, e-mail your resume to [ojppeerreview@lmbps.com](mailto:ojppeerreview@lmbps.com). The OJP Solicitation Feedback e-mail account will not forward your resume. **Note:** Neither you nor anyone else from your organization can be a peer reviewer in a competition in which you or your organization have submitted an application.
