

Frequently Asked Questions

OJJDP FY 2016 Second Chance Act: Implementing Statewide Plans To Improve Outcomes for Youth in the Juvenile Justice System

Solicitation Specific FAQs

1. What is the deadline for this solicitation?

All applications are due by 11:59 p.m., Eastern Time on April 4, 2016.

2. Who is eligible to apply?

States are eligible to apply for funding only if they meet all of the following criteria:

- Established a statewide plan to reduce recidivism and improve outcomes for youth in contact with the juvenile justice system. This plan must have been formalized through legislation, appropriations, and/or administrative policy and/or have resulted from two or more state agencies collaborating on key policy and practice changes.

This statewide improvement plan is not the Comprehensive Three-Year Plan required for Title II Formula Grant funding, but instead, a plan that the state has developed specifically to improve outcomes for youth.

- Obtained a letter of support or memorandum of understanding from key state leaders for this plan, including the governor, legislators, judicial leaders, and local government agencies, as warranted.
- Aligned the state plan with what research has shown works to reduce recidivism and improve other youth outcomes, from diversion through reentry.
- Developed the capacity to collect data for all major juvenile justice system points at the individual youth or case level and have the ability to interpret that data to evaluate progress and inform decision making.

In order to meet the eligibility criteria of this program, applicants must provide written documentation that shows their statewide plan exists and has been endorsed by state officials¹.

3. Is there a match requirement?

As required by the Second Chance Act, a match is required for all applications. Federal funds awarded under this program may not cover more than 50 percent of the total costs of the project being funded. Applicants must identify the source of the 50 percent non-federal portion of the total project costs and how they will use match funds. The recipient of a grant must provide a minimum of 25 percent of the total project cost in cash match, and 25 percent of the total project cost may be matched by making in-kind contributions of goods or

¹ Additional eligibility requirements applicable to applicants that have ever received a grant authorized pursuant to 42 USC 3797w can be found at 42 USC 3797w(l).

services that are directly related to the purpose for which the grant was awarded. Federal funds received and cash match provided by the grantee shall be used to supplement, not supplant, non-federal funds that would otherwise be available for the activities funded under this section.

The applicant must identify the source of the 25 percent non-federal cash portion of the budget and how both cash and in-kind match funds will be used.

4. Is there a maximum funding amount that I can apply for?

Applicants can apply for as much as \$1 million (excluding match).

5. What is the CFDA number?

The CFDA number is 16.812

6. How many applications were received last year and how many awards were made?

This is the first year that OJJDP is offering this program.

7. Is there a list of awardees from prior years?

This is a new program. There were no prior awards for this program. However, OJJDP posts prior year awards on its [website](#).

8. What date should I list as the start date on the SF-424 form?

Applicants may begin their proposed project dates on or after October 1, 2016.

General FAQs

9. How do I apply for this funding opportunity?

Applicants will submit their applications through Grants.gov, a “one-stop storefront” to find funding opportunities and apply for funding. To find complete instructions on how to register and submit an application, go to www.Grants.gov.

10. Who do I contact for help with Grants.gov?

If the applicant experiences technical difficulties during this process, call the Grants.gov Customer Support Hotline at 800-518-4726, 606-545-5035, 24 hours a day, 7 days a week, except federal holidays.

11. What is a DUNS number and how do I get one?

The Office of Management and Budget requires that all agencies, businesses, and nonprofit applicants for federal funds include a DUNS (Data Universal Numeric System) number in their application for a new award or renewal of an award. Applications without a DUNS number are incomplete. A DUNS number is a unique nine-digit sequence recognized as the universal standard for identifying and tracking entities receiving federal funds. The identifier is used to validate address and point of contact information. The DUNS number will be used

throughout the grant life cycle. Obtaining a DUNS number is a free, simple, one-time activity. Call 1-866-705-5711 or apply [online](#) to obtain a number. Individuals are exempt from this requirement.

12. What is the System for Award Management (SAM), and how do I register?

SAM replaces the Central Contractor Registration (CCR) database as the repository for standard information about federal financial assistance applicants, recipients, and subrecipients. OJP requires all applicants (other than individuals) for federal financial assistance to maintain current registrations in the SAM database. Applicants must register in SAM to successfully register in Grants.gov. (Previously, organizations that had submitted applications via Grants.gov were registered with CCR, as it was a requirement for Grants.gov registration. SAM registration replaces CCR as a pre-requisite for Grants.gov registration.) Applicants must update or renew their SAM registration annually to maintain an active status.

Applicants that were previously registered in the CCR database must, at a minimum:

- Create a SAM account.
- Log into SAM and migrate permissions to the SAM account (all the entity registrations and records should already have been migrated).

Applicants that were not previously registered in the CCR database must register in SAM prior to registering in Grants.gov. Information about SAM registration procedures can be accessed at www.sam.gov.

13. What information is included in the page limit?

The program narrative should be double-spaced with 1-inch margins, not exceeding 30 pages of 8½ by 11 inches, and use a standard 12-point font, preferably Times New Roman. Pages should be numbered “1 of 30,” etc. The tables, charts, pictures, etc., including all captions, legends, keys, subtext, etc., may be single-spaced, and will count in the 30-page limit. Material required under the “Project Abstract”, “Budget and Budget Narrative”, and “Other Attachments” sections will not count toward the program narrative page count. In addition, applicants may provide bibliographical references as a separate attachment that will not count toward the 30 page program narrative limit. If the program narrative fails to comply with these length-related restrictions, OJJDP may consider the application to be noncompliance in peer review and final award decisions.

14. Is there a budget format or sample that is available?

A budget detailed worksheet form is available on OJP’s [website](#). When using this form, you must also include a budget narrative, in MS Word or PDF format, as a separate attachment.

15. In my application, do I need to address all performance measures listed in this specific solicitation?

A summary of the specific performance measures that OJJDP will use to measure grantee performance is under the section within the solicitation titled Performance Measures. Applicants should include a brief narrative discussion in their application that indicates their

understanding of the performance measures for this solicitation and how they intend to provide the required data to OJJDP.

16. Can I submit a paper version via U.S. mail instead of an electronic application through the Grants.gov system?

No. Applicants must submit their applications electronically. OJJDP will not accept paper submissions.

17. How does the review and awarding process work? How can I track the status of my application?

Peer reviewers will review the applications submitted under this solicitation that meet basic minimum requirements. OJJDP may use either internal peer reviewers, external peer reviewers, or a combination, to review the applications. An external peer reviewer is an expert in the subject matter of a given solicitation who is NOT a current DOJ employee. An internal reviewer is a current DOJ employee who is well-versed or has expertise in the subject matter of this solicitation. A peer review panel will evaluate, score, and rate applications that meet basic minimum requirements. Peer reviewers' ratings and any resulting recommendations are advisory only. In addition to peer review ratings, considerations for award recommendations and decisions may include, but are not limited to, underserved populations, geographic diversity, strategic priorities, past performance, and available funding.

The Office of the Chief Financial Officer, in consultation with OJJDP, reviews applications for potential discretionary awards to evaluate the fiscal integrity and financial capability of applicants; examines proposed costs to determine if the budget detail worksheet and budget narrative accurately explain project costs; and determines whether costs are reasonable, necessary, and allowable under applicable federal cost principles and agency regulations. During that time, you may be asked additional questions about your application for clarification purposes.

Absent explicit statutory authorization or written delegation of authority to the contrary, all final award decisions will be made by the Assistant Attorney General, who also may give consideration to factors including, but not limited to, underserved populations, geographic diversity, strategic priorities, past performance, and available funding when making awards.

To prevent compromising the integrity of the competitive review process, OJJDP will not discuss details regarding the status of your applications until all awards have been made to grant recipients. It is anticipated that awards will be made no later than September 30, 2016.

18. How will I be notified if my agency is selected to receive an award?

Both the point of contact and the authorizing official listed on the grant application will receive an e-mail award notification, which will provide further information on procedures for receiving funds. Applicants receiving an award will be notified by September 30, 2016.

19. How will I be notified if my agency is not selected to receive an award?

Both the point of contact and the authorizing official listed on the grant application will receive an email notification and a summary of the peer review comments by October 30,

2016.

20. I am experiencing technical difficulties submitting my applications to Grants.gov. Is there an alternate way to submit my application?

Applicants that experience unforeseen Grants.gov technical issues beyond their control that prevent them from submitting their application by the deadline must contact the Grants.gov [Customer Support Hotline](#) or the [SAM Help Desk](#) to report the technical issue and receive a tracking number. Then applicant must e-mail the Response Center at grants@ncirs.gov **within 24 hours after the application deadline** and request approval to submit their application. The e-mail must describe the technical difficulties, and include a timeline of the applicant's submission efforts, the complete grant application, the applicant's DUNS number, and any Grants.gov Help Desk or SAM tracking number(s). **Note: OJJDP does not automatically approve requests.** After the program office reviews the submission, and contacts the Grants.gov or SAM Help Desks to validate the reported technical issues, OJP will inform the applicant whether the request to submit a late application has been approved or denied. If OJP determines that the applicant failed to follow all required procedures, which resulted in an untimely application submission, OJP will deny the applicant's request to submit their application.

The following conditions are generally insufficient to justify late submissions:

- Failure to register in SAM or Grants.gov in sufficient time.
- Failure to follow Grants.gov instructions on how to register and apply as posted on its website.
- Failure to follow each instruction in the OJP solicitation.
- Technical issues with the applicant's computer or information technology environment, including firewalls.

Notifications regarding known technical problems with Grants.gov, if any, are posted at the top of the [OJP funding Web page](#).
