

Frequently Asked Questions

OJJDP FY 2012 Second Chance Act Juvenile Offender Reentry Program for Demonstration Projects

Solicitation Specific FAQs

1. What is the deadline for this solicitation?

All applications are due by 11:59 p.m., Eastern Time on May 14, 2012.

2. Who is eligible to apply?

Eligible applicants are limited to states, territories, units of local government (including federally recognized Indian tribal governments, as determined by the Secretary of the Interior). Applicants must adhere to all of the eligibility and funding requirements of the Second Chance Act and any additional requirements that appropriations measures may establish.

OJJDP welcomes joint applications from two or more eligible applicants; however, one applicant must be clearly indicated as the primary applicant (for correspondence, award, and management purposes) and the others indicated as co-applicants.

3. Is there a match requirement?

Yes. The Second Chance Act requires that a grant made under this program may not cover more than 50 percent of the total costs of the project being funded. Applicants must identify the source of the 50 percent nonfederal portion of the budget and how they will use match funds. The recipient of a grant must provide 25 percent of the total project cost in cash match, and 25 percent of the total project cost may be matched by making in-kind contributions of goods or services that are directly related to the purpose for which the grant was awarded. Federal funds received and cash match that the grantee provides shall be used to supplement, not supplant, non-federal funds that would otherwise be available for the activities funded under this section. **Applicants must identify the source of the 25 percent nonfederal cash portion of the budget and how they will use both cash and in-kind match funds.**

Match Waiver: The Attorney General may waive the match requirement upon a determination of fiscal hardship. To be considered for a waiver of match, applicants must submit with the application a letter of request signed by the Authorized Representative that defines the fiscal hardship. Fiscal hardship may be defined in terms related to reductions in overall correctional budgets, furloughing or reductions in force of correctional staff, or other similar documented actions that have resulted in severe budget reductions.

4. Is there a maximum funding amount that I can apply for?

Yes, \$750,000.

What is the CFDA number?

5. How many applications were received last year and how many awards were made?

OJJDP posts the prior year's awards on its Web site at www.ojjdp.gov/funding/funding.html#2.

7. What date should I list as the start date on the SF-424 form?

Applicants should begin their proposed project date as October 1, 2012.

General FAQs

8. How do I apply for this funding opportunity?

Applicants will submit their applications through Grants.gov, a “one-stop storefront” to find federal funding opportunities and apply for funding. To find complete instructions on how to register and submit an application, go to www.Grants.gov.

9. Who do I contact for help with Grants.gov?

If the applicant experiences technical difficulties during this process, call the Grants.gov Customer Support Hotline at **800-518-4726**, 24 hours a day, 7 days a week, except federal holidays. Registering with Grants.gov is a one-time process; however, **processing delays may occur, and it can take several weeks** for first-time registrants to receive confirmation and a user password. OJP highly recommends that applicants register as early as possible to prevent delays in submitting an application package by the specified application deadline.

10. What is a DUNS number and how do I get one?

The Office of Management and Budget requires that all agencies, businesses and nonprofit applicants for federal funds include a DUNS (Data Universal Numeric System) number in their application for a new award or renewal of an award. Applications without a DUNS number are incomplete. A DUNS number is a unique nine-digit sequence recognized as the universal standard for identifying and tracking entities receiving federal funds. The identifier is used to validate address and point of contact information. The DUNS number will be used throughout the grant life cycle. Obtaining a DUNS number is a free, simple, one-time activity. Call 1-866-705-5711 or apply online at www.dunandbradstreet.com to obtain one. Individuals are exempt from this requirement.

11. What is CCR and how do I register?

OJP requires that all applicants (other than individuals) for federal financial assistance maintain current registrations in the Central Contractor Registration (CCR) database. An applicant must be registered in the CCR to successfully register in Grants.gov. The CCR

database is the repository for standard information about federal financial assistance applicants, recipients, and subrecipients. Organizations that have previously submitted applications via Grants.gov are already registered with CCR. However, applicants must update or renew their CCR registration annually to maintain an active status. Access information about CCR registration procedures at www.ccr.gov.

12. What information is included in the page limit?

The program narrative should be double-spaced with 1-inch margins, not exceeding 30 pages of 8½ by 11 inches, and use a standard 12-point font, preferably Times New Roman. Pages should be numbered “1 of 30,” etc. The project abstract, tables, charts, pictures, etc., including all captions, legends, keys, subtext, etc., may be single-spaced, and will count in the 30-page limit. Material required under the Budget and Budget Narrative and Additional Attachments sections will not count toward the program narrative page count. Applicants may provide bibliographical references as a separate attachment that will not count toward the 30-page program narrative limit. If the program narrative fails to comply with these length-related restrictions, noncompliance may be considered in peer review and in final award decisions.

13. Is there a budget format or sample that is available?

Applicants must provide a budget that is allowable and reasonable. Applicants must submit a budget detail worksheet and budget narrative. A budget detail worksheet form is available on OJP’s Web site at www.ojp.usdoj.gov/funding/forms/budget_detail.pdf. When using this form, you must also include a budget narrative, in MS Word or PDF format, as a separate attachment.

14. In my application, do I need to address all performance measures listed in this specific solicitation?

A summary of the specific performance measures that OJJDP will use to measure grantee performance is under the section within the solicitation titled, Performance Measures. Applicants should include a brief narrative discussion in their application that indicates their understanding of the performance measures for this solicitation and how they intend to provide the required data to OJJDP.

15. Can I submit a paper version via U.S. mail instead of an electronic application through the Grants.gov system?

No. Applicants must submit their applications electronically. OJJDP will not accept paper submissions.

16. How does the review and awarding process work? How can I track the status of my application?

The Office of the Chief Financial Officer, in consultation with OJJDP, reviews applications for potential discretionary awards to evaluate the fiscal integrity and financial capability of applicants; examines proposed costs to determine if the budget detail worksheet and budget narrative accurately explain project costs; and determines whether costs are reasonable, necessary, and allowable under applicable federal cost principles and agency regulations. During that time, you may be asked additional questions about your application for

clarification purposes.

Absent explicit statutory authorization or written delegation of authority to the contrary, the Assistant Attorney General, who also may consider other factors, including, but not limited to, underserved populations, geographic diversity, strategic priorities, past performance, and available funding, will make all final award decisions.

To prevent compromising the integrity of the competitive review process, OJJDP will not discuss details regarding the status of your applications until all awards have been made to grant recipients. It is anticipated that awards will be made no later than September 30, 2011.

17. How will I be notified if my agency is selected to receive an award?

Both the point of contact and the authorizing official listed on the grant application will receive an e-mail award notification that will provide further information on procedures for receiving funds.

18. I am experiencing technical difficulties submitting my applications to Grants.gov. Is there an alternate way to submit my application?

Applicants who experience technical issues that prevent them from submitting their application by the deadline must e-mail the Justice Information Center (see Page 1 for contact information) **within 24 hours after the application deadline** to request approval to submit their application. Applicants must include in the e-mail a description of the technical difficulties, a timeline of their submission efforts, their complete grant application, their DUNS number, and any Grants.gov Help Desk tracking number(s) they have received. **Note: OJJDP does not automatically approve requests.** After OJJDP reviews the information and contacts the Grants.gov Help Desk to validate the technical issues reported, OJP will contact the applicant to inform them whether their request to submit a late application has been approved. If the technical issues reported cannot be validated, the application will be rejected as untimely.

To ensure a fair competition for limited discretionary funds, the following conditions are not valid reasons to permit late submissions: (1) failure to register in sufficient time, (2) failure to follow Grants.gov instructions on how to register and apply as posted on its Web site, (3) failure to follow the instructions in the OJP solicitation, and (4) technical issues experienced with the applicant's computer or information technology environment, including firewalls.

Notifications regarding known technical problems with Grants.gov, if any, are posted at the top of the OJP funding Web page at www.ojp.usdoj.gov/funding/solicitations.htm.
