## **Program-Specific Information**

### **Goals, Objectives, and Deliverables**

The goal of the Victims of Child Abuse Program is to enhance the coordinated, multidisciplinary investigations and responses to child abuse. Awardees will provide training and technical assistance, will create publications and resources, and will coordinate activities of other VOCA-funded programs.

### **Evidence-based Programs or Practices**

OJP considers programs and practices to be evidence-based when their effectiveness has been demonstrated by causal evidence, generally obtained through outcome evaluations. Causal evidence documents a relationship between an activity or intervention (including technology) and its intended outcome, including measuring the direction and size of a change and the extent to which a change may be attributed to the activity or intervention. Causal evidence depends on the use of scientific methods to rule out, to the extent possible, alternative explanations for the documented change. The strength of causal evidence, based on the factors described above, will influence the degree to which OJP considers a program or practice to be evidence-based.

### **Amount and Length of Awards**

OJJDP will make the awards as permitted by appropriations anticipated to be received for FY 2011. Awards will be for a 12-month project period. All awards are subject to the availability of appropriated funds and any modifications or additional requirements that may be imposed by law. OJJDP anticipates that the Office will make any awards under this solicitation by no later than September 30, 2011.

OJJDP will enter into cooperative agreements with the successful applicants. In furtherance of the goals and objectives described above, OJJDP's role will include the following tasks:

- reviewing and approving major work plans, including changes to such plans, and key decisions pertaining to project operations

- reviewing and approving major project-generated documents and materials used in the provision of project services
- providing guidance in significant project planning meetings and participating in project sponsored training events or conferences.

**Budget Information**

**Limitation on Use of Award Funds for Employee Compensation; Waiver:** With respect to any award of more than \$250,000 made under this solicitation, federal funds may not be used to pay total cash compensation (salary plus bonuses) to any employee of the award recipient at a rate that exceeds 110% of the maximum annual salary payable to a member of the federal government’s Senior Executive Service (SES) at an agency with a Certified SES Performance Appraisal System for that year. (The 2010 salary table for SES employees is available at [www.opm.gov/oca/10tables/indexSES.asp](http://www.opm.gov/oca/10tables/indexSES.asp).) Note: A recipient may compensate an employee at a higher rate, provided the amount in excess of this compensation limitation is paid with non-federal funds. (Any such additional compensation will not be considered matching funds where match requirements apply.)

The limitation on compensation rates allowable under an award may be waived on an individual basis at the discretion of the Assistant Attorney General for OJP. Applicants who wish to request a waiver must include a detailed justification in the budget narrative of their applications. Unless applicants submit a waiver request and justification, they should anticipate that OJP will request that they adjust and resubmit their budget.

The justification should include the particular qualifications and expertise of the individual, the uniqueness of the service being provided, the individual’s specific knowledge of the program or project being undertaken with award funds, and a statement explaining that the individual’s salary is commensurate with the regular and customary rate for an individual with his/her qualifications and expertise, and for the work that is to be done.

**Match Requirement.** Match is not required for this program.

**Performance Measures**

To assist DOJ in fulfilling its responsibilities under the Government Performance and Results Act, P.L. 103–62, OJJDP will require applicants who receive funding under this solicitation to provide data that measures the results of their work. Applicants should discuss in their application their methods for collecting data for performance measures. Refer to “What an Application Should Include,” page 9, for additional information. Performance measures for this solicitation are as follows:

## Project Evaluations

Applicants that propose to use funds awarded through this solicitation to conduct project evaluations should be aware that certain project evaluations (such as systematic investigations to develop or contribute to generalizable knowledge) may constitute research. However, project evaluations that are intended to generate internal improvements to a program or service or to meet OJP's performance measure data reporting requirements likely do not constitute research. Research is subject to applicable DOJ human subjects protections. Applicants should provide sufficient information for OJP to determine whether the particular project they propose would either intentionally or unintentionally collect and/or use information in such a way that it meets the DOJ regulatory definition of research.

Research, for the purposes of OJP-funded programs, is defined as “a systematic investigation, including research development, testing, and evaluation, designed to develop or contribute to generalizable knowledge” [28 C.F.R. § 46.102(d)]. For additional information on determining whether a proposed activity would constitute research, see the decision tree on the “Research and the Protection of Human Subjects” section of the OJP Web site ([www.ojp.usdoj.gov/funding/other\\_requirements.htm](http://www.ojp.usdoj.gov/funding/other_requirements.htm)).

For more information about OJJDP performance measures, see <http://www.ojjdp.ncjrs.gov/grantees/pm/index.html>.

## Notice of New Post-Award Reporting Requirements

Applicants should anticipate that all recipients (other than individuals) of awards of \$25,000 or more under this solicitation, consistent with the Federal Funding Accountability and Transparency Act of 2006 (FFATA), will be required to report award information on any first-tier subawards totaling \$25,000 or more, and, in certain cases, to report information on the names and total compensation of the five most highly compensated executives of the recipient and first-tier subrecipients. Each applicant entity must ensure that it has the necessary processes and systems in place to comply with the reporting requirements should it receive funding.

It is expected that reports regarding subawards will be made through the FFATA Subaward Reporting System, found at <https://www.fsrs.gov>. Additional guidance on reporting will be provided in the near future by OJP and/or the Office of Management and Budget (OMB).

Applicants should anticipate that no subaward of an award made under this solicitation may be made to a subrecipient (other than an individual) unless the potential subrecipient acquires and provides a Data Universal Numbering System (DUNS) number.

## How To Apply

Applications should be submitted through [GMS](#), a Web-based, data-driven system for the application, award, and management of OJP grants. Applicants must register in GMS for each specific funding opportunity and should begin the process immediately to meet the GMS registration deadline, especially if this is the first time they are using the system. Complete instructions on how to register and submit an application in GMS can be found at [www.ojp.usdoj.gov/gmscbt/](http://www.ojp.usdoj.gov/gmscbt/). Applicants who experience technical difficulties at any point during this process should e-mail [GMSHelpDesk@usdoj.gov](mailto:GMSHelpDesk@usdoj.gov) or call 1-888-549-9901 (option 3), Monday–Friday, 6:00 a.m. to midnight Eastern Time, except federal holidays. OJJDP recommends that applicants register as early as possible to avoid delays in submitting their applications by the deadline.

All applicants are required to complete the following steps:

1. **Acquire a DUNS number.** A DUNS number is required to submit an application in GMS. OMB requires that all applicants for federal funds (other than individuals, who are exempt from this requirement) include a DUNS number in their applications for a new award or renewal of an existing award. A DUNS number is a unique nine-digit sequence recognized as the universal standard for identifying and tracking entities receiving federal funds. The identifier is used to validate address and point of contact information for federal assistance applicants, recipients, and subrecipients. The DUNS number will be used throughout the

grant life cycle. Obtaining a DUNS number is a free, one-time activity. Obtain a DUNS number by calling 1–866–705–5711 or by applying online at [www.dnb.com](http://www.dnb.com).

2. **Acquire or Renew Registration with the Central Contractor Registration (CCR) Database.** OJP requires that all applicants (other than individuals) for federal financial assistance maintain current registrations in the Central Contractor Registration (CCR) database. An applicant must be registered in the CCR to successfully register in Grants.gov. The CCR database is the repository for standard information about federal financial assistance applicants, recipients, and subrecipients. Organizations that have previously submitted applications via Grants.gov are already registered with CCR. However, applicants must update or renew their CCR registration annually to maintain an active status. Information about CCR registration procedures can be accessed at [www.ccr.gov](http://www.ccr.gov).
3. **Acquire a GMS Username and Password.** A new user must select the “First Time User” link under the sign-in box of the GMS home page to create a GMS profile. For more information on how to register in GMS, go to [www.ojp.usdoj.gov/gmscbt/](http://www.ojp.usdoj.gov/gmscbt/).
4. **Verify the CCR registration in GMS.** OJP requests that all applicants verify their CCR registration in GMS. Once logged into GMS, click the “CCR Claim” link on the left side of the default screen. Click the submit button to verify the CCR registration.
5. **Search for the Funding Opportunity on GMS.** After logging into GMS or completing the GMS profile for username and password, go to the “Funding Opportunities” link on the left side of the page. Select OJJDP and the OJJDP FY2011 Victims of Child Abuse Program Continuation Grants.
6. **Select the “Apply Online” Button To Register.** The search results from step 5 will display the solicitation title along with the registration and application deadlines for this funding opportunity. Select the “Apply Online” button in the “Action” column to register for this solicitation and create an application in the system.
7. **Follow GMS Directions To Submit an Application.** Once submitted, GMS will display a confirmation screen stating the submission was successful. Note: In some instances, an applicant must wait for GMS approval before submitting an application. OJJDP urges applicants to submit the application at least 72 hours prior to the due date of the application.

GMS does not accept executable file types as application attachments. These disallowed file types include, but are not limited to, the following extensions: “.com,” “.bat,” “.exe,” “.vbs,” “.cfg,” “.dat,” “.db,” “.dbf,” “.dll,” “.ini,” “.log,” “.ora,” “.sys,” and “.zip.”

## **GMS Technical Issues**

Applicants who experience unforeseen GMS technical issues that prevent them from submitting their applications by the deadline must contact OJJDP staff within 24 hours after the deadline and request approval to submit the application. At that time, OJJDP staff will instruct the applicant to submit specific information detailing the technical difficulties. The applicant must e-mail a description of the technical difficulties, a timeline of their submission efforts, the complete grant application, their DUNS number, and GMS Help Desk tracking numbers they have received. After OJJDP reviews the information and contacts the GMS Help Desk to validate the technical issues, OJP will contact the applicant to inform them whether their request has been approved or denied. If OJP cannot validate the technical issues reported, the application will be rejected as untimely.

To ensure a fair competition for limited discretionary funds, the following conditions are not valid reasons to permit late submissions: (1) failure to begin the registration process in sufficient time, (2) failure to follow GMS instructions on how to register and apply as posted on its Web site, (3) failure to follow all of the instructions in the OJP solicitation, and (4) technical issues experienced with the applicant's computer or information technology environment.

Notifications regarding known technical problems with GMS, if any, are posted at the top of the OJP funding Web page, [www.ojp.usdoj.gov/funding/solicitations.htm](http://www.ojp.usdoj.gov/funding/solicitations.htm).

## **What an Application Should Include**

This section describes what an application should include and sets out a number of elements. Applicants should anticipate that if they fail to submit an application that contains all of the specified elements, it may negatively affect the review of their application and, should OJJDP decide to make an award, it may result in OJJDP including special conditions that preclude access to or use of award funds pending satisfaction of the conditions.

OJP recommends that applicants use appropriately descriptive file names (e.g., "Program Narrative," "Budget Detail Worksheet and Budget Narrative," "Timelines," "Memoranda of Understanding," "Resumes") for all attachments. OJP recommends that applicants include resumes in a single file.

### **Standard Form-424 (SF-424)**

The SF-424 is a standard form required for use as a cover sheet for submission of pre-applications, applications, and related information. Grants.gov and GMS take information from the applicant's profile to populate the fields on this form. When selecting "type of applicant," if the applicant is a for-profit entity, select "For-Profit Organization" or "Small Business" (as applicable). Instructions on completing the SF-424 are available at [www07.grants.gov/assets/SF424Instructions.pdf](http://www07.grants.gov/assets/SF424Instructions.pdf).

### **Program Narrative**

Applicants must submit a program narrative that presents a detailed description of the purpose, goals, objectives, strategies, design, and management of the proposed program. The program narrative should be double-spaced with 1-inch margins, not exceeding 30 pages of 8½ by 11 inches, and use a standard 12-point font, preferably Times New Roman. Pages should be numbered "1 of 30," etc. The project abstract, tables, charts, pictures, etc., including all captions, legends, keys, subtext, etc., may be single-spaced, and will count in the 30-page limit. Material required under the "Budget and Budget Narrative" and "Other Attachments" sections will not count toward the program narrative page count. If the program narrative fails to comply with these length-related restrictions, noncompliance may be considered in peer review and in final award decisions.

The program narrative should address the following selection criteria: (1) statement of the problem, (2) performance measures requirements, (3) project/program design and implementation, and (4) capabilities/competencies. The applicant should clearly delineate the connections between and among each of these sections. For example, the applicant should derive the goals and objectives directly from the problems to be addressed. Similarly, the project

design section should clearly explain how the program's structure and activities will accomplish the goals and objectives identified in the previous section.

- **Statement of the Problem**

Applicants should briefly describe the nature and scope of the problem that the program will address (e.g., gang activity, underage drinking, drug abuse, truancy, youth employment, school performance, etc.). Data should be used to provide evidence that the problem exists, demonstrate the size and scope of the problem, and document the effects of the problem on the target population and the larger community. Applicants should describe any previous or current attempts to address the problem.

Applicants should describe any research or evaluation studies that relate to the problem and contribute to the applicant's understanding of its causes and potential solutions. While applicants are expected to review the research literature for relevant studies, they should also explore whether unpublished local sources of research or evaluation data are available.

**Project Abstract.** Applicants should include a project abstract as the first page of the program narrative, and it is included in the page limitation specified above. The abstract should not exceed 200 words and briefly describe the project's purpose, identify the population to be served, and summarize the activities that the applicant will implement to achieve the project's goals and objectives. These goals and objectives should focus on short-term and intermediate outcomes (see "Performance Measures Requirements," below). The abstract should describe how the applicant will measure progress toward these goals.

**SMART.** All applicants must register with OJJDP's Socioeconomic Mapping and Resource Topography (SMART) system at [smart.gismapping.info](http://smart.gismapping.info). Applicants must demonstrate that they have queried the SMART system to determine program placement in a community facing significant need. Maps and reports generated that support the problem identified in this section should be submitted as attachments to the application. If the SMART system does not provide the most recent data or information to validate the problem, additional data points (e.g., local incidents of crime or community resources), as identified by the applicant, may be submitted instead (see "Other Attachments," page 12). Instructions specific to the FY 2011 solicitations will be posted on the home page of the SMART site. For questions about the SMART system, contact Dennis Mondoro at 202-514-3913 or [dennis.mondoro@usdoj.gov](mailto:dennis.mondoro@usdoj.gov).

- **Performance Measures Requirements**

Applicants should describe the goals of the proposed program and identify its objectives. When formulating the program's goals and objectives, applicants must be cognizant of the performance measures that will be required of successful applicants.

**Goals.** Applicants should describe the program's intent to change, reduce, or eliminate the problem noted in the previous section and outline the project's goals.

**Program Objectives.** Applicants should explain how the program will accomplish its goals. Objectives are specific, quantifiable statements of the project's desired results. They should be clearly linked to the problem identified in the preceding section and measurable. (Examples of measurable objectives include the following: to provide school-based and community services for 40 youth returning from commitment, to increase the percentage of youth who successfully

complete their current academic grade, or to expand counseling services to cover an additional 50 at-risk youth.)

**Performance Measures.** Award recipients are required to report data in support of mandated performance measures for this solicitation (see "Performance Measures," page 5.) OJJDP does not require applicants to submit performance measures data with their applications. Applicants must describe the steps they will take to assemble the information needed to comply with OJJDP's performance measures reporting requirements. Award recipients will be encouraged to use information from existing program records to fulfill performance measures reporting requirements, rather than initiating new data collection activities for this purpose. To ensure confidentiality of program records, award recipients will also be required to submit a completed Privacy Certificate pre-award. (See [www.ojjdp.ncjrs.gov/grantees/pm/faq.html](http://www.ojjdp.ncjrs.gov/grantees/pm/faq.html) for more information).

- **Project/Program Design/Implementation**

Applicants should detail how the project will operate throughout the funding period and describe the strategies that they will use to achieve the goals and objectives identified in the previous section. Applicants are encouraged to select evidence-based practices for their programs and adopt a project design that will facilitate the gathering of data on the required performance measures.

This section should also include details regarding any leveraged resources (cash or in-kind) from local sources to support the project and discuss plans for sustainability beyond the grant period.

Applicants should identify any other federal, state, or private foundation grants that serve the same local area and target population.

**Timeline.** Applicants should submit a timeline or milestone chart that indicates major tasks, assigns responsibility for each, and plots completion of each task by month or quarter for the duration of the award, using "Year 1," "Month 1," "Quarter 1," etc., not calendar dates (see "Sample Project Timelines" at [ojjdp.ncjrs.gov/grantees/timelines.html](http://ojjdp.ncjrs.gov/grantees/timelines.html)). The timeline should be submitted as a separate attachment, as stipulated in "Other Attachments," page 12. On receipt of an award, the timeline may be revised based on training and technical assistance provided by OJJDP.

- **Capabilities/Competencies**

Applicants should describe the roles and responsibilities of project staff and explain the program's organizational structure and operations. Management and staffing patterns should be clearly connected to the project design described in the previous section. This section should describe the experience and capability of the applicant's organization and any contractors that the applicant will use to implement and manage this effort and its associated federal funding, highlighting any previous experience implementing projects of similar design or magnitude.

### **Budget Detail Worksheet and Budget Narrative**

Applicants should provide a budget that (1) is complete, allowable, and cost-effective in relation to the proposed activities; (2) shows the cost calculations demonstrating how they arrived at the

total amount requested; and (3) provides a brief supporting narrative to link costs with project activities. The budget should cover the entire award period.

- **Budget Detail Worksheet**

The worksheet should provide the detailed computation for each budget line item, listing the cost of each and showing how the applicant calculated it. For example, costs for personnel should show the annual salary rate and the percentage of time devoted to the project for each employee paid through grant funds. The budget detail worksheet should present a complete and detailed itemization of all proposed costs.

A sample Budget Detail Worksheet can be found at [www.ojp.gov/funding/forms/budget\\_detail.pdf](http://www.ojp.gov/funding/forms/budget_detail.pdf). If the applicant submits a budget in a different format, the budget categories listed in the sample budget worksheet should be included.

- **Budget Narrative**

The Budget Narrative should thoroughly and clearly describe every category of expense listed in the Budget Detail Worksheet. The narrative should be mathematically sound and correspond with the information and figures provided in the Budget Detail Worksheet. The narrative should explain how all costs were estimated and calculated and how they are relevant to the completion of the proposed project. The narrative may include tables for clarification purposes but need not be in a spreadsheet format. As with the Budget Detail Worksheet, the Budget Narrative should be broken down by year.

Consult the OJP Financial Guide for questions pertaining to budget including allowable and unallowable costs at [www.ojp.gov/financialguide/index.htm](http://www.ojp.gov/financialguide/index.htm).

### **Indirect Cost Rate Agreement**

Indirect costs are allowed only if the applicant has a federally approved indirect cost rate. (This requirement does not apply to units of local government.) A copy of the rate approval should be attached. If the applicant does not have an approved rate, one can be requested by contacting the applicant's cognizant federal agency, which will review all documentation and approve a rate for the applicant organization or, if the applicant's accounting system permits, costs may be allocated in the direct cost categories. If DOJ is the cognizant federal agency, obtain information needed to submit an indirect cost rate proposal at [www.ojp.usdoj.gov/financialguide/part3/part3chap17.htm](http://www.ojp.usdoj.gov/financialguide/part3/part3chap17.htm).

### **Other Attachments**

Applicants should submit the following information, as stipulated in the cited pages, as attachments to their application. While the materials listed below are not assigned specific point values, peer reviewers will, as appropriate, consider these items when rating applications. For example, reviewers will consider résumés when assessing "Capabilities/Competencies." Peer reviewers will not consider any additional information that the applicant submits other than that specified below.

- SMART data (see "SMART," page 10)

- timeline or milestone chart (see “Timeline,” page 11)
- résumés of all key personnel
- job descriptions outlining roles and responsibilities for all key positions.

### **Other Standard Forms**

Additional forms that may be required in connection with an award are available with their instructions on OJP’s funding page at [www.ojp.usdoj.gov/funding/forms.htm](http://www.ojp.usdoj.gov/funding/forms.htm). For successful applicants, receipt of funds may be contingent upon submission of all necessary forms. Note in particular the following forms:

- [Accounting System and Financial Capability Questionnaire](#) (required for any applicant other than an individual that is a non-governmental entity and that has not received any award from OJP within the past 3 years; this form must be downloaded, completed, and then uploaded)
- [Certifications Regarding Lobbying; Debarment, Suspension and Other Responsibility Matters; and Drug-Free Workplace Requirements](#) (required for any applicant that expends any funds for lobbying activities; this form must be downloaded, completed, and then uploaded)
- [Disclosure of Lobbying Activities](#) (required for any applicant that expends any funds for lobbying activities; this form must be downloaded, completed, and then uploaded)
- [Standard Assurances](#). (required to be submitted in GMS prior to the receipt of any award funds).

### **Review Process**

OJP is committed to ensuring a fair and open process for awarding grants. OJJDP reviews the application to make sure that the information presented is reasonable, understandable, measurable, and achievable, as well as consistent with the solicitation and its requirements.

The Office of the Chief Financial Officer, in consultation with OJJDP, conducts a financial review of applications for potential discretionary awards to evaluate the fiscal integrity and financial capability of applicants; examines proposed costs to determine if the budget detail worksheet and budget narrative accurately explain project costs; and determines whether costs are reasonable, necessary, and allowable under applicable federal cost principles and agency regulations.

Absent explicit statutory authorization or written delegation of authority to the contrary, the Assistant Attorney General who also may consider other factors including, but not limited to, underserved populations, geographic diversity, strategic priorities, past performance, and available funding will make all final award decisions.

### **Additional Requirements**

Applicants selected for awards must agree to comply with additional legal requirements upon acceptance of an award. OJP strongly encourages applicants to review the information

pertaining to these additional requirements prior to submitting an application. Find additional information for each requirement at [www.ojp.usdoj.gov/funding/other\\_requirements.htm](http://www.ojp.usdoj.gov/funding/other_requirements.htm).
